

operative for 30 days after the date of its filing. However, Rule 19b-4(f)(6)(iii)³⁴ permits the Commission to designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange has asked the Commission to waive the 30-day operative delay so that the proposal may become operative immediately upon filing. The Exchange has represented that adopting the DRT routing functionality and eliminating references to certain duplicative routing options will conform its routing strategies to its affiliated exchanges and will eliminate any potential confusion for its Members. The Commission believes that waiver of the 30-day operative delay is consistent with the protection of investors and the public interest and hereby waives the operative delay and designates the proposal as operative upon filing.³⁵

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings under Section 19(b)(2)(B) of the Act³⁶ to determine whether the proposed rule change should be approved or disapproved.

IV. Solicitation of Comments

Data Collection Available for Public Comments

ACTION: 60-day notice and request for comments.

SUMMARY: The Small Business Administration ("SBA") intends to request approval from the Office of Management and Budget ("OMB") for the collection of information authorized under OMB Control Number 3245-0071. The Paperwork Reduction Act ("PRA") requires federal agencies to publish a notice in the **Federal Register**

concerning each proposed collection of information before submission to OMB, and to allow 60 days for public comment in response to the notice.

DATES: Submit comments on or before April 13, 2020.

ADDRESSES: Send all comments to Mary Frias, Loan Specialist, Office of Financial Assistance, Small Business Administration, 409 3rd Street, 8th Floor, Washington, DC 20416.

FOR FURTHER INFORMATION CONTACT: Mary Frias, Loan Specialist, Office of Financial Assistance, (202) 401-8234, mary.frias@sba.gov, or Curtis B. Rich, Management Analyst, (202) 205-7030, curtis.rich@sba.gov.

SUPPLEMENTARY INFORMATION: The 504 Loan Program is an SBA financing program authorized under Title V of the Small Business Investment Act of 1958, 15 U.S.C. 695 *et seq.* The core mission of the 504 Loan Program is to provide long-term financing to eligible small businesses for the purchase or improvement of land, buildings, and major equipment in an effort to facilitate the creation or retention of jobs and local economic development. Under the 504 Loan Program, 504 loans are made to small businesses by Certified Development Companies ("CDCs"), and the 504 loans are funded with proceeds from the sale of debentures issued by CDCs and guaranteed by SBA. The information collection that is approved under OMB Control Number 3245-0071 facilitates the ongoing administration of the 504 Loan Program. This information collection currently consists of SBA Form 1244, Application for Section 504 Loans; and SBA Form 2450, Eligibility Information Required for 504 Submission (Non PCLP). SBA recognizes that this information collection needs to be modernized to meet the needs of small business applicants and CDCs. As a result, SBA intends to make revisions to this information collection that would streamline the process and reduce duplication for CDCs and the small business applicants. These revisions will result in SBA Form 2450 being cancelled and its contents substantially incorporated into SBA Form 1244. Additionally, three of the forms currently approved under OMB Control Number 3245-0346 (Form 2234 (Part A), Premier Certified Lenders Program (PCLP) Guarantee Request; Form 2234 (Part B), Supplemental Information for Premier Certified Lender Program (PCLP) Processing; and Form 2234 (Part C), Eligibility Information Required for 504 Submission (PCLP)) will also be incorporated into SBA Form 1244. SBA is publishing a separate **Federal**

Register notice regarding the revisions to the information collection under OMB Control Number 3245–0346.

Summary of changes to: OMB Control Number 3245–0071:

1. SBA Form 1244, Application for Section 504 Loans. This form is used by all small businesses applying for 504 loans and all CDCs applying for SBA guarantees of the debentures that are sold by CDCs to fund 504 loans. The SBA Form 1244 is currently used for all types of 504 loan processing—the Abridged Submission Method (“ASM”), non-PCLP/ASM, and Premier Certified Lenders Program (“PCLP”) processing. As discussed below, SBA Form 2450 as well as SBA Form 2234 (Parts A, B, C), will be consolidated into this form. Additional changes to SBA Form 1244 are intended to provide greater clarity for small business applicants using the Eligible Passive Company/Operating Company (EPC/OC) structure, as described in 13 CFR 120.111, that are owned by Employee Stock Ownership Plans; or are funded by 401(k) plans.

2. SBA Form 2450, Eligibility Information Required for 504 Submission (Non PCLP). Currently, this form is used by non-PCLP CDCs, including those CDCs using ASM processing, and is submitted in conjunction with the SBA Form 1244. The SBA Form 2450 is an eligibility checklist submitted by the CDC that allows SBA to determine the eligibility of the small business applicant and the 504 loan. SBA will be incorporating the content of the SBA Form 2450 into SBA Form 1244 and discontinuing the SBA Form 2450. The information that SBA will be collecting will remain substantially unchanged; however, the way in which the information is submitted will be revised. In some cases, the information will be submitted as part of the CDC’s credit memorandum, which is currently an exhibit to the SBA Form 1244. In other cases, the information will be submitted as a new exhibit to the SBA Form 1244.

3. SBA Form 2234 (Part A), Premier Certified Lenders Program (PCLP) Guarantee Request. This form is used for PCLP processing only, and serves as a cover sheet for the SBA Form 2234 (Part B) and SBA Form 2234 (Part C). To the extent that the information collected on this form is not already collected on the current SBA Form 1244, it will be incorporated into the SBA Form 1244, and the SBA Form 2234 (Part A) will be discontinued.

4. Form 2234 (Part B), Supplemental Information for Premier Certified Lender Program (PCLP) Processing. This form is used for PCLP processing only, and it collects quantifiable metrics for the 504

loan application. To the extent that the information collected on this form is not already collected on the current SBA Form 1244, it will be incorporated into the SBA Form 1244, and the SBA Form 2234 (Part B) will be discontinued.

5. SBA Form 2234 (Part C), Eligibility Information Required for 504 Submission (PCLP). Currently, this form is used for PCLP processing only. The SBA Form 2234 (Part C) is an eligibility checklist that allows a PCLP CDC to determine and certify to SBA the eligibility of the small business applicant and the 504 loan. SBA will be discontinuing this form and incorporating its content into the SBA Form 1244. The requested information will remain substantially unchanged. In some cases, the information will be submitted as part of the CDC’s credit memorandum, which is currently an exhibit to the SBA Form 1244. In other cases, the information will be submitted as a new exhibit to the SBA Form 1244.

SBA has made a few changes to the form relating to whether PCLP CDCs are using the Declining Balance Methodology in calculating its LLRF balances. This change ensures consistency with recent regulatory amendments in SBA’s
