[Docket Number USCG-2018-0749]

RIN 1625-AA08

**Special Local Regulations; Recurring Marine Events, Sector Miami**

**AGENCY:** Coast Guard, DHS.

**ACTION:** Final rule.

**SUMMARY:** The Coast Guard is revising existing regulations and consolidating into one table special local regulations for recurring marine events at various locations within the geographic boundaries of the Seventh Coast Guard District Captain of the Port (COTP) Miami Zone. Consolidating marine events into one table simplifies Coast Guard oversight and public notification of special local regulations within COTP Miami Zone.

**DATES:** This rule is effective March 16, 2020.

**FOR FURTHER INFORMATION CONTACT:** If you have questions about this proposed rulemaking, contact Mr. Omar Beceiro, Sector Miami Waterways Management Division, U.S. Coast Guard at 305-535-4317 or by email: [Omar.Beceiro@uscg.mil](mailto:Omar.Beceiro@uscg.mil).

**SUPPLEMENTARY INFORMATION:**

**I. Table of Abbreviations**

CFR Code of Federal Regulations  
 DHS Department of Homeland Security  
 FR Federal Register  
 NPRM Notice of proposed rulemaking  
 § Section  
 U.S.C. United States Code

**II. Background Information and Regulatory History**

Recurring boat races, swims, and other marine events within the Seventh Coast Guard District are currently listed in 33 CFR 100.701, Table to § 100.701. The process for amending the table (e.g. adding or removing marine events) is lengthy and inefficient since it includes recurring marine events for seven different COTP zones within the Seventh District. To expedite and simplify the rulemaking process for new marine events/special local regulations, COTP's resorted to creating individual rules rather than amending Table to § 100.701.

This rule serves two purposes: (1) Create a table of recurring marine events/special local regulations occurring solely within the COTP Miami Zone, and (2) consolidate into that table marine events/special local regulations previously established outside of Table to § 100.701. These revisions facilitate management of and

public access to information about marine events and special local regulations within the COTP Miami Zone.

The Coast Guard published a notice of proposed rulemaking (NPRM) on October 2, 2019 titled, "Special Local Regulations; Recurring Marine Events, Sector Miami" (84 FR 52411). There we stated why we published the NPRM, and invited comments on our proposed regulatory. During the comment period that ended November 1, 2019, the Coast Guard did not receive any comments.

**II. Legal Authority and Need for Rule**

The Coast Guard is issuing this rule under authority in 46 U.S.C. 70041. The COTP Miami has determined that creating a table of recurring marine events/special local regulations occurring within the COTP Miami Zone, and consolidating into that table marine events/special local regulations in new Table 1 to § 100.702, which were listed in Table to § 100.701 will facilitate management of and public access to information about marine events within the COTP Miami Zone.

**IV. Discussion of Comments, Changes, and the Rule**

As noted above, the Coast Guard did not receive any comments on the NPRM published October 2, 2019. Other than inserting a "1" in the table headings in § 100.701 and § 100.702, and renumbering event-date designators in Table 1 to § 100.702, there are no changes in the regulatory text of this rule from the proposed rule in the NPRM.

This rule creates a table of recurring marine events/special local regulations occurring solely within the COTP

Miami Zone, and consolidates into new Table 1 to § 100.702 marine events/special local regulations, which were previously listed in Table to § 100.701. These revisions will facilitate management of and public access to information about marine events within the COTP Miami Zone.

## V. Regulatory Analyses

We developed this rule after considering numerous statutes and Executive orders related to rulemaking. Below we summarize our analyses based on a number of these statutes and Executive orders, and we discuss First Amendment rights of protestors.

### A. Regulatory Planning and Review

Executive Orders 12866 and 13563 direct agencies to assess the costs and benefits of available regulatory alternatives and, if regulation is necessary, to select regulatory approaches that maximize net benefits. Executive Order 13771 directs agencies to control regulatory costs through a budgeting process. This rule has not been designated a “significant regulatory action,” under Executive Order 12866. Accordingly, this rule has not been reviewed by the Office of Management and Budget (OMB), and pursuant to OMB guidance it is exempt from the requirements of Executive Order 13771.

This regulatory action determination is based on the minimal effects of the rule. The rule is an administrative action only intended to facilitate management of and public access to information about marine events and special local regulations within the COTP Miami Zone.

### B. Impact on Small Entities

The Regulatory Flexibility Act of 1980, 5 U.S.C. 601–612, as amended, requires Federal agencies to consider the potential impact of regulations on small entities during rulemaking. The term “small entities” comprises small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000. The Coast Guard did not receive any comments from the Small Business Administration on this rulemaking. The Coast Guard certifies under 5 U.S.C. 605(b) that this rule will not have a significant economic impact on a substantial number of small entities.

As stated in section V.A above, this rule is an administrative action only intended to better manage information and will not have a significant economic impact on any vessel owner or operator.

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104–121), we want to assist small entities in understanding this rule. If the rule would affect your small business, organization, or governmental jurisdiction and you have questions concerning its provisions or options for compliance, please call or email the person listed in the **FOR FURTHER INFORMATION CONTACT** section.

Small businesses may send comments on the actions of Federal employees who enforce, or otherwise determine compliance with, Federal regulations to the Small Business and Agriculture Regulatory Enforcement Ombudsman and the Regional Small Business Regulatory Fairness Boards. The Ombudsman evaluates these actions annually and rates each agency’s responsiveness to small business. If you wish to comment on actions by employees of the Coast Guard, call 1–888–REG–FAIR (1–888–734–3247). The Coast Guard will not retaliate against small entities that question or complain about this rule or any policy or action of the Coast Guard.

### C. Collection of Information

This rule will not call for a new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3520).

### D. Federalism and Indian Tribal Governments

A rule has implications for federalism under Executive Order 13132, Federalism, if it has a substantial direct effect on the States, on the relationship between the national government and the States, or on the distribution of power and responsibilities among the various levels of government. We have analyzed this rule under that Order and have determined that it is consistent with the fundamental federalism principles and preemption requirements described in Executive Order 13132.

Also, this rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it does not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes. If you believe this rule has implications for federalism or Indian tribes, please call or email the person listed in the **FOR FURTHER INFORMATION CONTACT** section.

### E. Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of \$100,000,000 (adjusted for inflation) or more in any one year. Though this rule will not result in such an expenditure, we do discuss the effects of this rule elsewhere in this preamble.

### F. Environment

We have analyzed this rule under Department of Homeland Security Directive 023–01 and Environmental Planning COMDTINST 5090.1 (series), which guide the Coast Guard in complying with the National Environmental Policy Act of 1969 (42 U.S.C. 4321–4370f), and have determined that this action is one of a category of actions that do not individually or cumulatively have a significant effect on the human environment. This rule involves an administrative reorganization of established special local regulations for recurring marine events within the COTP Miami Zone. Normally such actions are categorically excluded from further review under paragraphs L61 in Table 3–1 of U.S. Coast Guard Environmental Planning Implementing Procedures 5090.1. A Memorandum for the Record for Categorical Excluded Actions supporting this determination is available in the docket where indicated in **ADDRESSES**.

### G. Protest Activities

The Coast Guard respects the First Amendment rights of protestors. Protesters are asked to call or email the person listed in the **FOR FURTHER INFORMATION CONTACT** section to coordinate protest activities so that your message can be received without jeopardizing the safety or security of people, places or vessels.

The Coast Guard will notify the maritime community of exact dates and times each regulation will be in effect and the nature of each event (e.g. location, number of participants, type of vessels involved, etc.) through a Notice of Enforcement published in the **Federal Register**, Local Notice to Mariners, and Broadcast Notice to Mariners.

(a) *Definitions.* The following definitions apply to this section:

(1) *Designated Representative.* The term "Designated Representative" means Coast Guard Patrol Commanders, including Coast Guard coxswains, petty officers, others operating Coast Guard vessels, and federal, state, and local

(b) *Event Patrol.* The Coast Guard may assign an event patrol, as described in § 100.40 of this part, to each regulated event listed in the table. Additionally, a Patrol Commander may be assigned to oversee the patrol. The event patrol and Patrol Commander may be contacted on VHF Channel 16.

(c) *Special Local Regulations.* (1) The COTP Miami or Designated Representative may control the movement of all vessels in the regulated area. When hailed or signaled by an official patrol vessel, a vessel in these areas shall immediately comply with the directions given. Failure to do so may result in removal from the area, citation for failure to comply, or both.

(2) The COTP Miami or Designated Representative may terminate the event,

or the operation of any vessel participating in the event, at any time it is deemed necessary for the protection of life or property.

(3) Only event sponsor designated participants and official patrol vessels are allowed to enter the regulated area, unless otherwise authorized by the COTP Miami or Designated Representative.
