(ii) A complete list of the item(s), including the applicable Export Control Classification Number(s) or designation (if EAR99) for the item(s) under the EAR, and (for tangible shipments of commodities and software) the quantity or quantities of the item(s) that will be exported, reexported, or transferred under the authority of the temporary general license (this inclusive list may cover multiple exports, reexports, or transfers (in-country) under the temporary general license of the same item(s); see paragraph (d)(2) of this supplement);
