

to section 6403(a)(1) of the Spectrum Act.

The information collection requirements contained in Section 73.3700(h)(2) state that, upon termination of the license of a party to a CSA, the spectrum usage rights covered by that license may revert to the remaining parties to the CSA. Such reversion shall be governed by the terms of the CSA in accordance with paragraph (h)(4)(E) of this section. If upon termination of the license of a party to a CSA only one party to the CSA remains, the remaining licensee may file an application to change its license to non-shared status using FCC Form 2100, Schedule B (for a full power licensee) or F (for a Class A licensee).

Lastly, Section 73.3800 allows full power television stations to channel share with other full power stations, Class A, LPTV and TV translator stations outside of the incentive auction context. Full power stations file FCC Form 2100, Schedule B in order to complete the licensing of their shared channel.

The FCC Form 2100, Schedule F requires a series of certifications by the Class A

applicant as prescribed by the Community Broadcasters Protection Act of 1999 (CBPA). Licensees will be required to provide weekly announcements to their listeners: (1) Informing them that the applicant has applied for a Class A license and (2) announcing the public's opportunity to comment on the application prior to Commission action.

### Information Collection Requirements

Section 73.6028 permits Class A stations to seek approval to share a single television channel with LPTV, TV translator, full power and Class A television stations. Class A stations interested in terminating operations and sharing another station's channel must submit FCC Form 2100 Schedule F in order to complete the licensing of their channel sharing arrangement.

Section 73.3700(b)(3) requires the licensee of each channel sharee station and channel sharer station to file an application for a license for the shared channel using FCC Form 2100 Schedule B (for a full power station) or F (for a Class A station) within six months of the date that the channel sharee station licensee receives its incentive payment pursuant to section 6403(a)(1) of the *Spectrum Act*.

Section 73.3700(h)(2) states that, upon termination of the license of a party to a channel sharing assignees (CSA), the spectrum usage rights covered by that license may revert to the remaining parties to the CSA. Such reversion shall be governed by the terms of the CSA in accordance with 47 CFR 73.3700(h)(4)(E). If upon termination of the license of a party to a CSA only one party to the CSA remains, the remaining licensee may file an application to change its license to non-shared status using FCC Form 2100, Schedule B (for a full power licensee) or F (for a Class A licensee).

Section 73.3572(h)—Class A TV station licensees shall file a license application for either the flash cut channel or the digital companion channel they choose to retain for post-transition digital operations. Class A TV stations will retain primary, protected regulatory status on their desired post-transition digital channel. Class A TV applicants must certify that their proposed post-transition digital facilities meet all Class A TV interference protection requirements.
