

conduct occurred.” Because 49 U.S.C. 31141(f) grants the Courts of Appeals exclusive jurisdiction to review FMCSA’s decision, and because the Ninth Circuit denied a request that FMCSA’s decision be stayed during the pendency of the litigation, FMCSA’s decision will remain binding unless and until overturned by the Ninth Circuit. Therefore, FMCSA’s decision rendered the MRB Rules “without effect” with respect to drivers of property-carrying CMVs subject to FMCSA’s HOS rules—including NTTC’s members—and may not be enforced. A PHMSA ruling granting the California Labor Commissioner’s petition for reconsideration would not change the fact that the MRB Rules cannot be enforced against NTTC’s members.

III. Ruling

For the reasons set forth above, the California Labor Commissioner’s petition for reconsideration is dismissed because the issues raised in the petition are moot. In the event the FMCSA decision is overturned and the state requirements become enforceable again, the California Labor Commissioner may petition PHMSA to reopen the docket so that it may refile its petition for reconsideration.

Issued in Washington, DC, on February 13, 2020.

Paul J. Roberti,
Chief Counsel.
