SUPPLEMENTARY INFORMATION:

The Petition

On January 23, 2020, the U.S. Department of Commerce (Commerce) received an antidumping duty (AD) Petition concerning imports of difluoromethane (R–32) from the People’s Republic of China (China), filed in proper form on behalf of Arkema Inc. (the petitioner).1

On January 28, 2020, Commerce requested supplemental information pertaining to certain aspects of the Petition.2 The petitioner filed a response to this request on January 30, 2020.3

In accordance with section 732(b) of the Tariff Act of 1930, as amended (the Act), the petitioner alleges that imports of R–32 from China are being, or are likely to be, sold in the United States at less than fair value (LTFV) within the meaning of section 731 of the Act, and that such imports are materially injuring, or threatening material injury to the domestic industry.
