

** Adjusted gross income for calendar year 2019.

LOW INCOME LEVELS BASED ON THE 2020 POVERTY GUIDELINES FOR HAWAII

Persons in family/household*	Income level**
1	\$29,360
2	39,660
3	49,960
4	60,260
5	70,560
6	80,860
7	91,160
8	101,460

For families with more than 8 persons, add \$10,300 for each additional person.

* Includes only dependents listed on federal income tax forms.

** Adjusted gross income for calendar year 2019.

Separate poverty guidelines figures for Alaska and Hawaii reflect Office of Economic Opportunity administrative practice beginning in the 1966–1970 period since the U.S. Census Bureau poverty thresholds do not have separate figures for Alaska and Hawaii. The poverty guidelines are not defined for Puerto Rico or other outlying jurisdictions. Puerto Rico and other outlying jurisdictions shall use income guidelines for the 48 Contiguous States and the District of Columbia.

Dated: February 18, 2020.

Thomas J. Engels,
Administrator.

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Health Resources and Services Administration

Agency Information Collection Activities: Submission to OMB for Review and Approval; Public Comment Request; Information Collection Request Title: The Division of Independent Review Application Reviewer Recruitment Form, OMB No. 0915–0295—Extension

AGENCY: Health Resources and Services Administration (HRSA), Department of Health and Human Services.

ACTION: Notice.

SUMMARY: In compliance with the Paperwork Reduction Act of 1995, HRSA has submitted an Information Collection Request (ICR) to the Office of Management and Budget (OMB) for review and approval. Comments submitted during the first public review

of this ICR will be provided to OMB. OMB will accept further comments from the public during the review and approval period. OMB may act on HRSA's ICR only after the 30 day comment period for this notice has closed.

DATES: Comments on this ICR should be received no later than March 25, 2020.

ADDRESSES: Submit your comments to paperwork@hrsa.gov or mail the HRSA Information Collection Clearance Officer, Room 14N136B, 5600 Fishers Lane, Rockville, MD 20857.

FOR FURTHER INFORMATION CONTACT: To request more information on the proposed project or to obtain a copy of the data collection plans and draft instruments, email paperwork@hrsa.gov or call the HRSA Information Collection Clearance Officer, Lisa Wright-Solomon, at (301) 443–1984.

SUPPLEMENTARY INFORMATION:

Information Collection Request Title: The Division of Independent Review Application Reviewer Recruitment Form, OMB No. 0915–0295—Extension.

Abstract: HRSA's Division of Independent Review (DIR) is responsible for administering the review of eligible applications submitted for grants under HRSA competitive announcements. DIR ensures that the objective review process is independent, efficient, effective, economical, and complies with the applicable statutes, regulations, and policies. Applications are reviewed by subject matter experts knowledgeable in health and public health disciplines for which support is requested. Review findings are advisory to HRSA programs responsible for making award decisions.

This ICR is for continuation of a web-based data collection system, the Reviewer Recruitment Module (RRM), used to gather critical reviewer information. The RRM uses standardized categories of information in drop down menu format for data such as the following: Degree, specialty, occupation, work setting, and in select instances affiliations with organizations and institutions that serve special populations. Some program regulations require that objective review panels contain consumers of health services. Other demographic data may be voluntarily provided by a potential reviewer. Defined data elements assist HRSA in finding and selecting expert reviewers for objective review committees.

HRSA maintains a roster of approximately 9,000 qualified individuals who have actively served on HRSA objective review committees. The web-based RRM simplifies reviewer

registration entry using a user-friendly Graphical User Interface (GUI) with a few data drop down menu choices, a search engine that supports key word queries in the actual resume or Curriculum Vitae text and also permits reviewers to access and update their information at will and as needed. The RRM is 508 compliant and accessible by the general public via a link on the HRSA "Grants" internet site, or by keying the RRM URL into their browser. The RRM is accessible using any of the commonly used internet browsers.

A 60-day notice published in the **Federal Register** on December 6, 2019, vol. 84, No. 235; pp. 66920–21. There were no public comments.

Need and Proposed Use of the Information: HRSA currently utilizes the RRM to collect information from individuals who wish to volunteer as objective review committee participants for the Agency's discretionary and competitive grant or cooperative agreement funding opportunities. The RRM provides HRSA with an effective search and communication functionality with which to identify and contact qualified potential reviewers. The RRM has an enhanced search and reporting capability to help DIR ensure that the HRSA reviewer pool has the necessary skills, education and diversity to meet the ever-evolving need for qualified reviewers. If DIR identifies either an expertise or demographic that is under-represented in the RRM pool, DIR is able to recruit specifically to address those needs as expertise is always the primary determinant in selecting potential reviewers for any specific grant review. No reviewer is required to provide demographic information to join the reviewer pool or be selected as a reviewer for any competition.

All HRSA reviewers must possess the technical skill and ability to access the internet on a secure desktop laptop or touch pad, and either a land line or Voice Over internet Protocol capability in order to participate in HRSA objective review committees. Reviewers are professionals with expertise and experience consistent with the HRSA mission. Certain legislation requires HRSA programs to include consumers of specific health care services in the objective review committee.

Likely Respondents: Potential respondents are subject matter professionals with expertise and experience in the social, cultural, and health care fields that are consistent with the HRSA mission and competitive program needs to address the availability and delivery of quality health care to all Americans.

Burden Statement: Burden in this context means the time expended by persons to generate, maintain, retain, disclose or provide the information requested. This includes the time needed to review instructions; to develop, acquire, install and utilize

technology and systems for the purpose of collecting, validating and verifying information, processing and maintaining information, and disclosing and providing information; to train personnel and to be able to respond to a collection of information; to search

data sources; to complete and review the collection of information; and to transmit or otherwise disclose the information. The total annual burden hours estimated for this ICR are summarized in the table below.

TOTAL ESTIMATED ANNUALIZED BURDEN—HOURS

Form name	Number of respondents	Number of responses per respondent	Total responses	Average burden per response (in hours)	Total burden hours
New reviewer	1,194	1	1194	.166	198
Updating reviewer information	7,953	1	7953	.333	2,648
Total	9,147	9147	2,846

HRSA specifically requests comments on (1) the necessity and utility of the proposed information collection for the proper performance of the agency's functions, (2) the accuracy of the estimated burden, (3) ways to enhance the quality, utility, and clarity of the information to be collected, and (4) the use of automated collection techniques or other forms of information technology to minimize the information collection burden.

Maria G. Button,

Director, Executive Secretariat.

DEPARTMENT OF HEALTH AND HUMAN SERVICES

National Institutes of Health

National Institute of General Medical Sciences; Notice of Meeting

Pursuant to section 10(d) of the Federal Advisory Committee Act, as amended, notice is hereby given of a meeting of the National Advisory General Medical Sciences Council.

The meeting will be open to the public as indicated below, with attendance limited to space available. Individuals who plan to attend and need special assistance, such as sign language interpretation or other reasonable accommodations, should notify the Contact Person listed below in advance of the meeting.

The meeting will be closed to the public in accordance with the provisions set forth in sections 552b(c)(4) and 552b(c)(6), Title 5 U.S.C., as amended. The grant applications and the discussions could disclose confidential trade secrets or commercial property such as patentable material, and personal information concerning

individuals associated with the grant applications, the disclosure of which would constitute a clearly unwarranted invasion of personal privacy.

Name of Committee: National Advisory General Medical Sciences Council.

Date: May 21, 2020.

Open: 8:30 a.m. to 12:00 p.m.

Agenda: To review and evaluate for the discussion of program policies and issues; opening remarks; report of the Director, NIGMS; and other business of the Council.

Place: National Institutes of Health, Natcher Building, Conference Rooms E1 & E2, 45 Center Drive, Bethesda, MD 20892.

Closed: 12:00 p.m. to 5:00 p.m.

Agenda: To review and evaluate grant applications.

Place: National Institutes of Health, Natcher Building, Conference Rooms E1 & E2, 45 Center Drive, Bethesda, MD 20892.

Contact Person: Erica L. Brown, Ph.D., Acting Associate Director for Extramural Activities, National Institute of General Medical Sciences, National Institutes of Health, Natcher Building, Room 2AN24F, Bethesda, MD 20892, (301) 594-4499, erica.brown@nih.gov.

Any interested person may file written comments with the committee by forwarding the statement to the Contact Person listed on this notice. The statement should include the name, address, telephone number and when applicable, the business or professional affiliation of the interested person.

In the interest of security, NIH has instituted stringent procedures for entrance onto the NIH campus. All visitor vehicles, including taxicabs, hotel, and airport shuttles will be inspected before being allowed on campus. Visitors will be asked to show one form of identification (for example, a government-issued photo ID, driver's license, or passport) and to state the purpose of their visit.

Information is also available on the Institute's/Center's home page: <http://www.nigms.nih.gov/About/Council>, where an agenda and any additional information for the meeting will be posted when available. (Catalogue of Federal Domestic Assistance Program Nos. 93.375, Minority Biomedical Research Support; 93.821, Cell Biology and

Biophysics Research; 93.859, Pharmacology, Physiology, and Biological Chemistry Research; 93.862, Genetics and Developmental Biology Research; 93.88, Minority Access to Research Careers; 93.96, Special Minority Initiatives; 93.859, Biomedical Research and Research Training, National Institutes of Health, HHS)

Dated: February 18, 2020.

BILLING CODE 4140-01-P

DEPARTMENT OF HEALTH AND HUMAN SERVICES

National Institutes of Health

Implementation of the Updated American Veterinary Medical Association Guidelines for the Euthanasia of Animals: 2020 Edition

AGENCY: National Institutes of Health, HHS.

ACTION: Notice.

SUMMARY: The National Institutes of Health (NIH) is providing guidance to Public Health Service (PHS) awardee institutions on implementation of the American Veterinary Medical Association (AVMA) Guidelines for the Euthanasia of Animals: 2020 Edition ("Guidelines"). The NIH is seeking input from the public on any concerns they may have regarding the updated Guidelines.

DATES: Public concerns regarding the updated AVMA Guidelines for the Euthanasia of Animals: 2020 Edition must be submitted electronically at <https://grants.nih.gov/grants/rfi/rfi.cfm?ID=105> by 11:59:59 p.m. EDT on April 29, 2020, in order to be considered.
