

Foundation on the Arts and Humanities Act of 1965 (20 U.S.C. 951–960, as amended). The Committee meetings of the National Council on the Humanities will be held on March 19, 2020, as follows: The policy discussion session (open to the public) will convene at 10:00 a.m. until approximately 10:30 a.m., followed by the discussion of specific grant applications and programs before the Council (closed to the public) from 10:30 a.m. until 12:00 p.m. The following Committees will meet in meeting rooms at Mount Vernon:

Education Programs;
Federal/State Partnership;
Preservation and Access;
Public Programs; and
Research Programs.

The plenary session of the National Council on the Humanities will convene on March 20, 2020, at 9:00 a.m. in the Conference Center at Constitution Center. The agenda for the morning session (open to the public) will be as follows:

- A. Minutes of Previous Meeting
- B. Reports
 - 1. Chairman's Remarks
 - 2. Senior Deputy Chairman's Remarks
 - 3. Presentation by guest speaker David S. Ferriero, 10th Archivist of the United States National Archives and Records Administration
 - 4. Reports on Policy and General Matters
 - a. Education Programs
 - b. Federal/State Partnership
 - c. Preservation and Access
 - d. Public Programs
 - e. Research Programs

The remainder of the plenary session will be for consideration of specific applications and therefore will be closed to the public.

As identified above, portions of the meeting of the National Council on the Humanities will be closed to the public pursuant to sections 552b(c)(4), 552b(c)(6), and 552b(c)(9)(B) of Title 5 U.S.C., as amended. The closed sessions will include review of personal and/or proprietary financial and commercial information given in confidence to the agency by grant applicants, and discussion of certain information, the premature disclosure of which could significantly frustrate implementation of proposed agency action. I have made this determination pursuant to the authority granted me by the Chairman's Delegation of Authority to Close Advisory Committee Meetings dated April 15, 2016.

Please note that individuals planning to attend the public sessions of the meeting are subject to security screening procedures. If you wish to attend any of

the public sessions, please inform NEH as soon as possible by contacting Carina Nixon at (202) 606–8323 or gencounsel@neh.gov. Please also provide advance notice of any special needs or accommodations, including for a sign language interpreter.

Dated: February 21, 2020.

Caitlin Cater,
Attorney-Advisor, National Endowment for the Humanities.

identifying or contact information that they do not want to be publicly disclosed in their comment submission. Your request should state that the NRC does not routinely edit comment submissions to remove such information before making the comment submissions available to the public or entering the comment into ADAMS.

II. Background

In accordance with the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35), the NRC is requesting public comment on its intention to request the OMB's approval for the information collection summarized below.

1. *The title of the information collection:* 10 CFR part 35, "Medical Use of Byproduct Material."
2. *OMB approval number:* 3150–0010.
3. *Type of submission:* Extension.
4. *The form number, if applicable:* Not applicable.
5. *How often the collection is required or requested:* Reports of medical events, doses to an embryo/fetus or nursing child, or leaking source are reportable on occurrence. A specialty board certifying entity desiring to be recognized by the NRC must submit a one-time request for recognition and infrequently revise the information.

6. *Who will be required or asked to respond:* Physicians and medical institutions holding an NRC license authorizing the administration of byproduct material or radiation from this material to humans for medical use. A specialty board certification entity desiring to have its certifying process and board certificate recognized by NRC.

7. *The estimated number of annual responses:* 299,266 (292,182 reporting responses + 7,019 recordkeepers + 65 third party disclosure responses).

8. *The estimated number of annual respondents:* 7,021 (856 NRC licensees + 6,163 Agreement State licensees + 2 specialty board certification entity).

9. *The estimated number of hours needed annually to comply with the information collection requirement or request:* 1,166,694 hours (69,391 reporting + 1,097,177 recordkeeping + 127 third party disclosure).

10. *Abstract:* 10 CFR part 35, "Medical Use of Byproduct Material," contains NRC's requirements and provisions for the medical use of byproduct material and for issuance of specific licenses authorizing the medical use of this material. These requirements and provisions provide for the radiation safety of workers, the general public, patients, and human research subjects. Part 35 contains

mandatory requirements that apply to NRC licensees authorized to administer byproduct material or radiation to humans for medical use. These requirements also provide voluntary provisions for specialty boards to apply to have their certification processes recognized by the NRC so that their board certified individuals can use the certifications as proof of training and experience.

II. Specific Requests for Comments

The NRC is seeking comments that address the following questions:

1. Is the proposed collection of information necessary for the NRC to properly perform its functions? Does the information have practical utility?
2. Is the estimate of the burden of the information collection accurate?
3. Is there a way to enhance the quality, utility, and clarity of the information to be collected?
4. How can the burden of the information collection on respondents be minimized, including the use of automated collection techniques or other forms of information technology?

Dated at Rockville, Maryland, this 21st day of February 2020.

For the Nuclear Regulatory Commission.

David C. Cullison,

NRC Clearance Officer, Office of the Chief Information Officer.
