The Preferred Alternative requires an amendment to the forest plan as outlined in the Final EIS.

The portion of the Project related to USFS SUAs for off-lease activities is subject to the objection process pursuant to 36 CFR parts 218 and 219. The USFS will provide instructions for filing objections in the legal notice published in the newspaper of record for the Draft USFS ROD. The USFS will only accept objections from those who have previously submitted specific written comments regarding the proposed project during scoping or other designated opportunities for public comment in accordance with 36 CFR 218.5(a) and 219.53(a). Objection issues must be based on previously submitted, timely, and specific written comments regarding the proposed project unless they are based on new information arising after designated opportunities.
