SUPPLEMENTARY INFORMATION: The primary purpose of the GMT webinar is to prepare for the Pacific Council's March 2020 agenda items. The GMT will discuss items related to groundfish management and administrative Pacific Council agenda items. A detailed agenda for the webinar will be available on the Pacific Council's website prior to the meeting. The GMT may also address other assignments relating to groundfish management. No management actions will be decided by the GMT.

Although non-emergency issues not contained in the meeting agenda may be discussed, those issues may not be the subject of formal action during this meeting. Action will be restricted to those issues specifically listed in this notice and any issues arising after publication of this notice that require emergency action under Section 305(c) of the Magnuson-Stevens Fishery Conservation and Management Act, provided the public has been notified of the GMT's intent to take final action to address the emergency.

Special Accommodations

The public listening station is physically accessible to people with disabilities. Requests for sign language interpretation or other auxiliary aids should be directed to Mr. Kris Kleinschmidt, (503) 820-2412, kris.kleinschmidt@noaa.gov, at least 10 days prior to the meeting date.

United States Patent and Trademark Office

Submission for OMB Review; Comment Request; Secrecy and License To Export

The United States Patent and Trademark Office (USPTO) will submit to the Office of Management and Budget (OMB) for clearance the following proposal for collection of information under the provisions of the Paperwork Reduction Act of 1995.

Agency: United States Patent and Trademark Office, Department of Commerce.

Title: Secrecy and License to Export.

OMB Control Number: 0651-0034.

Form Number(s): There are no forms in this information collection.

Type of Request: Revision of a currently approved information collection.

Number of Respondents: 4,434.

Average Hours per Response: The USPTO estimates that it will take the public from 30 minutes (0.50 hours) to 4 hours to gather the necessary information, prepare the appropriate document, and submit the information to the USPTO.

Burden Hours: 2,798 hours.

Hourly Cost Burden: \$1,225,524.

Non-hourly Cost Burden: \$788,287.

Needs and Uses:

In the interest of national security, patent laws and regulations place certain limitations on the disclosure of information contained in patents and patent applications and on the filing of applications for patents in foreign countries.

The filing of a patent application is considered a request for a foreign filing license. However, in some instances an applicant may need a license for filing patent applications in foreign countries prior to a filing in the USPTO or sooner than the anticipated licensing of a pending patent application.

Responses to this information collection are necessary to obtain a permit to disclose, modify, or rescind a secrecy order; to obtain general or group permits; to obtain foreign filing licenses, including retroactive foreign filing licenses; to expedite the handling of a license; or to change the scope of a license.

Affected Public: Individuals or households; private sector.

Frequency: On occasion.

Respondent's Obligation: Required to obtain or retain benefits.
