SUPPLEMENTARY INFORMATION:

Background

This preliminary determination is made in accordance with section 733(b) of the Tariff Act of 1930, as amended (the Act). Commerce published the notice of initiation of this investigation on August 27, 2019.¹ On December 17, 2019, Commerce postponed the preliminary determination of this investigation and the revised deadline is now February 25, 2020.² For a complete description of the events that followed the initiation of this investigation, see the Preliminary Decision Memorandum.³ A list of topics included in the Preliminary Decision Memorandum is included as Appendix II to this notice.

The Preliminary Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). Scope of the Investigation

The product covered by this investigation is PET sheet from Korea. For a complete description of the scope of this investigation, see Appendix I.

Scope Comments

In accordance with the preamble to Commerce's regulations,⁴ the *Initiation Notice* set aside a period of time for parties to raise issues regarding product coverage (*i.e.*, scope).⁵ Certain interested parties commented on the scope of the investigation as it appeared in the *Initiation Notice*. For a summary of the product coverage comments and rebuttal responses submitted to the record for this preliminary determination, and accompanying discussion and analysis of all comments timely received, see the Preliminary Scope Decision Memorandum.⁶ Commerce is not preliminarily modifying the scope language as it appeared in the *Initiation Notice*. See the scope in Appendix I to this notice.

Methodology

Commerce is conducting this investigation in accordance with section 733(b) of the Act. Constructed export prices have been calculated in accordance with section 772(b) of the Act. Normal value is calculated in accordance with section 773 of the Act. Furthermore, pursuant to sections 776(a) and (b) of the Act, Commerce has preliminarily relied upon facts otherwise available, with adverse inferences, for non-participating mandatory respondent Plastech Co. Ltd. (Plastech), as well as the following companies which did not submit a response to Commerce's initial request for quantity and value information: Chungdang Co., K Stout Co., Kemicolor Corp., KP Tech Ltd., Moojin Che, OKS Poly, Puyoung Industry Co., Samjin Plastic Co., Sangil Corp., SK Chemicals, Tae Kwang New Tech. Co., Ltd., and Unidesign Co (collectively, non-responsive companies). For a full description of the methodology underlying the preliminary determination, see the Preliminary Decision Memorandum.

All-Others Rate

Sections 733(d)(1)(ii) and 735(c)(5)(A) of the Act provide that in the preliminary determination Commerce

shall determine an estimated all-others rate for all exporters and producers not individually examined. This rate shall be an amount equal to the weighted average of the estimated weighted-average dumping margins established for exporters and producers individually investigated, excluding any zero and *de minimis* margins, and any margins determined entirely under section 776 of the Act.

In this investigation, Commerce preliminarily assigned a rate based entirely on facts available to Plastech. Therefore, the only rate that is not zero, *de minimis*, or based entirely on facts otherwise available is the rate calculated for Jin Young Chemical Co., Ltd. (JYC). Consequently, the rate calculated for JYC is also assigned as the rate for all other producers and exporters.

Preliminary Determination

Commerce preliminarily determines that the following estimated weighted-average dumping margins exist:

Exporter/producer	Estimated weighted-average dumping margin (percent)
Jin Young Chemical Co., Ltd	8.02
Plastech Co., Ltd	52.01
Chungdang Co	52.01
K Stout Co	52.01
Kemicolor Corp	52.01
KP Tech Ltd	52.01
Moojin Che	52.01
OKS Poly	52.01
Puyoung Industry Co	52.01
Samjin Plastic Co	52.01
Sangil Corp	52.01
SK Chemicals	52.01
Tae Kwang New Tech. Co., Ltd.	52.01
Unidesign Co	52.01
All Others	8.02

Suspension of Liquidation

In accordance with section 733(d)(2) of the Act, Commerce will direct U.S. Customs and Border Protection (CBP) to suspend liquidation of entries of subject merchandise, as described in Appendix I, entered or withdrawn from warehouse, for consumption on or after the date of publication of this notice in the **Federal Register**. Further, pursuant to section 733(d)(1)(B) of the Act and 19 CFR 351.205(d), Commerce will instruct CBP to require a cash deposit equal to the estimated weighted-average dumping margin or the estimated all-others rate, as follows: (1) The cash deposit rate for the respondents listed above will be equal to the company-specific estimated weighted-average dumping margins determined in this preliminary determination; (2) if the

exporter is not a respondent identified above, but the producer is, then the cash deposit rate will be equal to the company-specific estimated weighted-average dumping margin established for that producer of the subject merchandise; and (3) the cash deposit rate for all other producers and exporters will be equal to the all-others estimated weighted-average dumping margin. These suspension of liquidation instructions will remain in effect until further notice.

Disclosure

Commerce intends to disclose its calculations and analysis performed to interested parties in this preliminary determination within five days of any public announcement or, if there is no public announcement, within five days of the date of publication of this notice in accordance with 19 CFR 351.224(b).

Verification

As provided in section 782(i)(1) of the Act, Commerce intends to verify the information relied upon in making its final determination.

Public Comment

Commerce is setting different deadlines for scope-related case and rebuttal briefs, and case and rebuttal briefs addressing all other issues. Scope briefs may be submitted to the Assistant Secretary for Enforcement and Compliance no later than 30 days after the publication of the preliminary antidumping duty (AD) determinations for Korea and Oman in the **Federal Register**. Rebuttal scope briefs, limited to issues raised in the scope case briefs, may be submitted no later than three days after the deadline for the scope case briefs. These deadlines are based on publication in the **Federal Register** of the preliminary determinations in the AD investigations of PET sheet. There is only one briefing schedule for scope case and rebuttal briefs in the AD investigations. For all scope issues, parties must file separate and identical documents on the records of all of the ongoing AD PET sheet investigations. No new factual information should be included in scope case briefs or rebuttal scope briefs, and no proprietary information should be submitted in the scope case briefs and rebuttal scope briefs.

Pursuant to 19 CFR 351.310(c), interested parties who wish to request a hearing on the revised scope, limited to issues raised in the scope case and rebuttal briefs, must submit a written request to the Assistant Secretary for Enforcement and Compliance, U.S. Department of Commerce, separate from

the hearing on issues raised in case briefs, within five days after the date of publication of this notice. Requests should contain the party's name, address, and telephone number, the number of participants, whether any participant is a foreign national, and a list of the issues to be discussed. If a request for a hearing is made, Commerce intends to hold the hearing at the U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230, at a time and date to be determined. Parties should confirm by telephone the date, time, and location of the hearing two days before the scheduled date.

Scope comments may only be included in the scope case brief and scope rebuttal brief. Should this investigation result in an order, interested parties may submit requests for a scope ruling afterwards.

Case briefs or other non-scope written comments may be submitted to the Assistant Secretary for Enforcement and Compliance no later than seven days after the date on which the last verification report is issued in this investigation. Rebuttal briefs, limited to issues raised in case briefs, may be submitted no later than five days after the deadline date for case briefs.⁷ Pursuant to 19 CFR 351.309(c)(2) and (d)(2), parties who submit case briefs or rebuttal briefs in this investigation are encouraged to submit with each argument: (1) A statement of the issue; (2) a brief summary of the argument; and (3) a table of authorities.

Pursuant to 19 CFR 351.310(c), interested parties who wish to request a hearing, limited to issues raised in the case and rebuttal briefs, must submit a written request to the Assistant Secretary for Enforcement and Compliance, U.S. Department of Commerce, within 30 days after the date of publication of this notice. Requests should contain the party's name, address, and telephone number, the number of participants, whether any participant is a foreign national, and a list of the issues to be discussed. If a request for a hearing is made, Commerce intends to hold the hearing at the U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230, at a time and date to be determined. Parties should confirm by telephone the date, time, and location of the hearing two days before the scheduled date.

⁷ See 19 CFR 351.309; see also 19 CFR 351.303 (for general filing requirements).

Postponement of Final Determination and Extension of Provisional Measures

Section 735(a)(2) of the Act provides that a final determination may be postponed until not later than 135 days after the date of the publication of the preliminary determination if, in the event of an affirmative preliminary determination, a request for such postponement is made by exporters who account for a significant proportion of exports of the subject merchandise, or in the event of a negative preliminary determination, a request for such postponement is made by the petitioner. Section 351.210(e)(2) of Commerce's regulations requires that a request by exporters for postponement of the final determination be accompanied by a request for extension of provisional measures from a four-month period to a period not more than six months in duration.

On February 18, 2020, pursuant to 19 CFR 351.210(e), JYC requested that, contingent upon an affirmative preliminary determination of sales at LTFV, Commerce postpone the final determination and that provisional measures be extended to a period not to exceed six months. In addition, on February 14, 2020, the petitioners⁸ requested that Commerce fully postpone the deadline for the final determination in this investigation. In accordance with section 735(a)(2)(A) of the Act and 19 CFR 351.210(b)(2)(ii), because: (1) The preliminary determination is affirmative; (2) the requesting exporters account for a significant proportion of exports of the subject merchandise; and (3) no compelling reasons for denial exist, Commerce is postponing the final determination and extending the provisional measures from a four-month period to a period not greater than six months. Accordingly, Commerce will make its final determination no later than 135 days after the date of publication of this preliminary determination.

International Trade Commission (ITC) Notification

In accordance with section 733(f) of the Act, Commerce will notify the ITC of its preliminary determination. If the final determination is affirmative, the ITC will determine before the later of 120 days after the date of this preliminary determination or 45 days after the final determination whether subject imports are materially injuring, or threaten material injury to, the U.S. industry.

⁸ The petitioners are Advanced Extrusion Inc., Ex-Tech Plastics, Inc., and Multi-Plastics Extrusions, Inc.

Notification to Interested Parties

This determination is issued and published in accordance with sections 733(f) and 777(i)(1) of the Act and 19 CFR 351.205(c).

Dated: February 25, 2020.

Jeffrey I. Kessler,

Assistant Secretary for Enforcement and Compliance.
