

explained in the “Explanation of Each Consideration in Determining that the Agreement Satisfies the Requirements of 18 U.S.C. 2523(b),” available at: <https://www.justice.gov/dag/cloudact>. Secretary of State Pompeo concurred with the Attorney General’s determination.

#### Notification to Congress Pursuant to Section 2523(d)

The Department of Justice (“Department”) transmitted the U.S.–U.K. CLOUD Agreement certification to the Committee on the Judiciary and the Committee on Foreign Relations of the Senate on December 4, 2019. Although the Department intended to notify the Committee on the Judiciary and the Committee on Foreign Affairs of the House of Representatives on the same date, the Department, because of a clerical error, did not provide actual notification to those committees until January 10, 2020. Because the Department completed this notice requirement on January 10, 2020, the U.S.–U.K. CLOUD Agreement will enter into force not earlier than July 8, 2020, absent the enactment into law of a resolution of disapproval as set forth under 18 U.S.C. 2523(d).

#### Non-Reviewable Determination and Certification

In accordance with 18 U.S.C. 2523(c), the determination and certification by the Attorney General described in this notice are not subject to judicial or administrative review.

Dated: February 25, 2020.
