Kale Baglanti Teknolojileri San. ve Tic.	8.48
Noksel Selik Boru Sanayi A.S.	8.48
Cinar Boru Profil San. ve Tic. As	8.48

Disclosure

Commerce intends to disclose the calculations performed for these amended final results of review within five days of the date of publication of this notice in the **Federal Register**, in accordance with 19 CFR 351.224(b).

Assessment Rates

Commerce shall determine, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries. The ministerial error corrections resulted in an 8.48 percent margin for the companies not individually examined: Kale Baglanti Teknolojileri San. ve Tic., Noksel Selik Boru Sanayi A.S., and Cinar Boru Profil San. ve Tic. As. Accordingly, we will instruct CBP to liquidate the appropriate entries at the non-individually examined rate, *i.e.*, 8.48 percent.

In accordance with Commerce's "automatic assessment" practice, for entries of subject merchandise during the POR produced by each respondent for which it did not know that its merchandise was destined for the United States, we will instruct CBP to liquidate unreviewed entries at the all-others rate, *i.e.*, 14.74 percent, from the less-than-fair-value (LTFV) investigation as modified by the section 129 determination,⁸ if there is no rate for the intermediate company(ies) involved in the transaction.⁹

On January 23, 2020, the CIT issued a preliminary injunction prohibiting the assessment of duties on entries of subject merchandise produced and/or exported by Borusan starting January 23, 2020. Accordingly, Commerce will not order CBP to assess antidumping duties on entries of that merchandise while the preliminary injunction is in place.

Cash Deposit Requirements

The following cash deposit requirements will be effective retroactively for all shipments of subject

merchandise entered, or withdrawn from warehouse, for consumption on or after the January 22, 2020, the date of publication of the *Final Results* of this administrative review, as provided for by section 751(a)(2)(C) of the Act: (1) The cash deposit rate for the company under review will be equal to the weighted-average dumping margin established in the amended final results of this review; (2) for merchandise exported by producers or exporters not covered in this administrative review but covered in a prior completed segment of the proceeding, the cash deposit rate will continue to be the company-specific rate published for the most recently completed segment of this proceeding; (3) if the exporter is not a firm covered in this review or another completed segment of this proceeding, but the manufacturer is, then the cash deposit rate will be the rate established for the most recently completed segment of this proceeding for the manufacturer of the merchandise; and (4) if neither the exporter nor the manufacturer is a firm covered in this or any previously completed segment of this proceeding, then the cash deposit rate will be the all-others rate of 14.74 percent established in the LTFV investigation.¹⁰

These cash deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this POR. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

Notification Regarding Administrative Protective Order (APO)

This notice also serves as the only reminder to parties subject to APO of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3), which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return or destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the

regulations and the terms of an APO is a sanctionable violation.

Notification to Interested Parties

These amended final results and notice are issued and published in accordance with sections 751(h) and 777(i) of the Act, and 19 CFR 351.224(e).

Dated: February 28, 2020.

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (Commerce) preliminarily finds that exporters of certain frozen warmwater shrimp (shrimp) from the People's Republic of China (China) sold subject merchandise in the United States at prices below normal value during the period of review (POR) February 1, 2018 through January 31, 2019. We invite all interested parties to comment on these preliminary results.

SUPPLEMENTARY INFORMATION:

Background

On May 2, 2019, Commerce initiated an administrative review of the antidumping duty order on shrimp from China, in accordance with section 751(a) of the Tariff Act of 1930, as amended (the Act).¹ The administrative review covers one mandatory respondent, Shantou Red Garden Food

Processing Co., Ltd. (Shantou RGFP),² and 87 other companies that were not selected for individual examination. For details regarding the events that occurred subsequent to the initiation of the review, see the Preliminary Decision Memorandum.³

Pursuant to section 751(a)(3)(A) of the Act, Commerce determined that it was not practicable to complete the preliminary results of this review within the 245 days and postponed the preliminary results by 120 days.⁴ The revised deadline for the preliminary results in this review is February 28, 2020.

Scope of the Order

The scope of the order includes certain frozen warmwater shrimp and prawns, whether wild caught (ocean harvested) or farm raised (produced by aquaculture), head on or head off, shell on or peeled, tail on or tail off, deveined or not deveined, cooked or raw, or otherwise processed in frozen form. The products are currently classifiable under the Harmonized Tariff Schedule of the United States (HTSUS) subheadings:

Although the HTSUS subheadings are provided for convenience and for customs purposes; the written product description of the scope of the order remains dispositive. For a full description of the scope, see the Preliminary Decision Memorandum.⁵

Methodology

Commerce is conducting this review in accordance with section 751(a)(1)(B) of the Act. We calculated export prices

² On February 28, 2020, we preliminary found that Shantou RGFP, as it currently exists, is not the successor-in-interest to Red Garden Food Processing Co., Ltd.; see Memorandum, “Antidumping Duty Administrative Review of Certain Frozen Warmwater Shrimp from the People’s Republic of China: Preliminary Successor-In-Interest Determination,” dated February 28, 2020.

in accordance with section 772 of the Act. Because China is a non-market economy (NME) within the meaning of section 771(18) of the Act, normal value has been calculated in accordance with section 773(c) of the Act.

Separate Rates

Commerce preliminarily determines that information placed on the record by Shantou RGFP demonstrates that this entity is entitled to separate rate status.⁶ For additional information, see the Preliminary Decision Memorandum.

Preliminary Determination of No Shipments

Three companies that received a separate rate in previous segments of this proceeding and are subject to this review reported that they did not have any exports of subject merchandise during the POR.⁷ To date, we have not received any contrary information from either U.S. Customs and Border Protection (CBP) in response to our inquiry or any other sources that these companies had any shipments of the subject merchandise sold to the United States during the POR.⁸ Further, consistent with our practice in NME cases, we find that it is not appropriate

to rescind the review with respect to these companies but, rather, to complete the review and issue appropriate instructions to CBP based on the final results of review.⁹

China-Wide Entity

Commerce’s policy regarding conditional review of the China-wide entity applies to this administrative review.¹⁰ Under this policy, the China-wide entity will not be under review unless a party specifically requests, or Commerce self-initiates, a review of the entity. Because no party requested a review of the China-wide entity in this review, the entity is not under review and the entity’s rate is not subject to change (*i.e.*, 112.81 percent).¹¹ Aside from the no-shipment and separate rate companies discussed above, Commerce considers all other companies for which a review was requested (none of which filed a separate rate application) to be part of the China-wide entity.¹² This includes Shantou Yuexing Enterprise Company (SYEC), a company that is under review that had previously been granted a separate rate¹³ but that failed to submit either a no-shipment certification or a separate rate certification in this review. Accordingly, we preliminarily find that SYEC, as well as the additional companies identified in Appendix II, should be treated as part of the China-wide entity.

Preliminary Results of the Review

Commerce preliminarily determines that the following weighted-average dumping margin exists for the period February 1, 2018 through January 31, 2019:

Companies that are subject to this administrative review that are considered to be part of the China-wide entity are identified in Appendix II.

Verification

As provided in section 782(i)(3)(B) of the Act, if possible, Commerce intends to verify certain information relied upon in making its final results, because we find that good cause exists to verify the questionnaire responses of Shantou RGFP.¹⁴

Disclosure and Public Comment

Commerce intends to disclose the calculations performed for these preliminary results to the parties within five days of the date of publication of this notice, in accordance with 19 CFR 351.224(b). Commerce will establish a deadline for interested parties to submit case briefs and rebuttal briefs at a later date.¹⁵ Pursuant to 19 CFR 351.309(c)(2) and (d)(2), parties who submit case briefs or rebuttal briefs in this proceeding are encouraged to submit with each argument: (1) A statement of the issue; (2) a brief summary of the argument; and (3) a table of authorities.

Pursuant to 19 CFR 351.310(c), interested parties who wish to request a hearing must submit a written request to the Assistant Secretary for Enforcement and Compliance, filed electronically via ACCESS. An electronically filed document must be received successfully in its entirety by 5:00 p.m. Eastern Time within 30 days after the date of publication of this notice. Requests should contain: (1) The party's name, address, and telephone number; (2) the number of participants; (3) whether any participant is a foreign national; and (4) a list of issues parties intend to discuss. Issues raised in the hearing will be limited to those raised in the respective case and rebuttal briefs.¹⁶ If a request for a hearing is made, Commerce intends to hold the hearing at the U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230, at a date and time to be determined.¹⁷ Parties should confirm by telephone the date,

time, and location of the hearing two days before the scheduled date.

Unless otherwise extended, Commerce intends to issue the final results of this administrative review, which will include the results of its analysis of issues raised in any briefs, within 120 days of publication of these preliminary results, pursuant to section 751(a)(3)(A) of the Act and 19 CFR 351.213(h).

Assessment Rates

Upon issuance of the final results, Commerce shall determine, and CBP shall assess, antidumping duties on all appropriate entries covered by this review. If Shantou RGFP's weighted-average dumping margin is not zero or *de minimis* (*i.e.*, less than 0.50 percent) in the final results of this review, Commerce will calculate importer-specific assessment rates, in accordance with 19 CFR 351.212(b)(1).¹⁸ For Shantou RGFP, Commerce intends to calculate an importer-specific per-unit assessment rate by dividing the amount of dumping for reviewed sales to the importer by the total sales quantity associated with those transactions. We will instruct CBP to assess antidumping duties on all appropriate entries covered by this review when the importer-specific assessment rate calculated in the final results of this review is not zero or *de minimis*. If Shantou RGFP's weighted-average dumping margin is zero or *de minimis*, we will instruct CBP to liquidate the appropriate entries without regard to antidumping duties. In accordance with section 751(a)(2)(C) of the Act, the final results of this review shall be the basis for the assessment of antidumping duties on entries of merchandise covered by this review where applicable.

For entries that were not reported in the U.S. sales data submitted by companies individually examined during this review, Commerce will instruct CBP to liquidate such entries at the rate for the China-wide entity.¹⁹ Additionally, if Commerce determines that an exporter under review had no shipments of the subject merchandise, any suspended entries that entered under that exporter's case number (*i.e.*, at that exporter's cash deposit rate) will be liquidated at the rate for the China-wide entity.²⁰ We intend to issue instructions to CBP 15 days after the

publication date of the final results of this review.

Cash Deposit Requirements

The following cash deposit requirements will be effective for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of this administrative review, as provided by section 751(a)(2)(C) of the Act: (1) The cash deposit rate for Shantou RGFP will be the rate established in the final results of this review (except, if the *ad valorem* rate is *de minimis*, then the cash deposit rate will be zero); (2) for previously investigated or reviewed Chinese and non-Chinese exporters not listed above that have received a separate rate in a prior segment of this proceeding, the cash deposit rate will continue to be the existing exporter-specific cash deposit rate published for the most recently completed period; (3) for all Chinese exporters of subject merchandise that have not been found to be entitled to a separate rate, the cash deposit rate will be the rate for the China-wide entity; and (4) for all non-Chinese exporters of subject merchandise which have not received their own separate rate, the cash deposit rate will be the rate applicable to the Chinese exporter that supplied that non-Chinese exporter. These cash deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this POR. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

Notification to Interested Parties

This administrative review and notice are issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Act, and 19 CFR 351.213 and 351.221(b)(4).

Background

On May 2, 2019, Commerce published a notice of initiation of an administrative review of the countervailing duty (CVD) order on certain cold-drawn mechanical tubing (CDMT) from India.¹ On October 8, 2019, Commerce extended the deadline for issuing the preliminary results of this review.² The revised deadline for these preliminary results is now February 28, 2020.
