

railroad employer to provide information on the value of NQSOs and any ratification payments from the railroad employer separately from a railroad worker's reported RRTA compensation to determine the payroll taxes due to the Social Security Administration (SSA) and CMS and administer transfer of funds between the RRB, SSA and CMS accordingly.

The payroll information collected from the BA-15 is essential for the calculation of payroll taxes and benefits used by the FI. Failure to collect NQSOs

and ratification payment information will result in understating the payroll taxes that should have been collected and the benefit amounts that would have been payable under the Social Security Act for FI purposes. Accurate compensation file tabulations are also an integral part of the data needed to estimate future tax revenues and corresponding FI amounts. Without information on NQSOs and ratification payments, the amount of funds to be transferred between the RRB, SSA and CMS cannot be determined.

The RRB will use Form BA-15, Report of Stock Options and Other Payments, to request employer information and report identifying information as well as each employee's social security number, name, and compensation information, which will be reported annually in a quarterly breakdown. The RRB plans to receive Form BA-15 by secure Email, File Transfer Protocol (FTP), or via CD-ROM.

be amended to state that the Approved Rule Change will be implemented by March 27, 2020, as discussed below.

II. Clearing Agency's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the clearing agency included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The clearing agency has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

(A) Clearing Agency's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

On February 13, 2020, the Commission issued an order approving the Rule Filing,⁹ which was filed by NSCC pursuant to Section 19(b)(2) of Act¹⁰. The Commission also issued a notice of no objection to the Advance Notice,¹¹ which was filed with the Commission pursuant to Section 806(e)(1) of Title VIII of the Dodd-Frank Wall Street Reform and Consumer Protection Act entitled the Payment, Clearing, and Settlement Supervision

⁹ See Securities Exchange Act Release No. 88191 (February 13, 2020), 85 FR 9843 (February 20, 2020) (SR-NSCC-2019-004).

¹¹ See Securities Exchange Act Release No. 88162 (February 11, 2020), 85 FR 8798 (February 18, 2020) (SR-NSCC-2019-801).

² 17 CFR 240.19b-4.

Act of 2010¹² and Rule 19b-4(n)(1)(i) of the Act.¹³

The purpose of the Approved Rule Change is to amend the Rules to enhance the methodology NSCC uses for calculating the haircut-based margin charge applicable to municipal bonds.

NSCC is filing this proposed rule change to establish that the Approved Rule Change submitted pursuant to the Rule Filing and the Advance Notice will be implemented by March 27, 2020. Specifically, NSCC would add a legend to Procedure XV (Clearing Fund Formula and Other Matters) of the Rules ("Procedure XV")¹⁴ to state that the rule changes submitted pursuant to the Rule Filing and the Advance Notice have been approved and not objected to, respectively, but are not yet implemented. The legend would provide that these rule changes would be implemented by March 27, 2020 and include the file numbers of the Rule Filing and the Advance Notice. The legend would also state that when the rule changes are implemented, NSCC will announce the implementation by important notice and the legend would automatically be removed from Procedure XV.

2. Statutory Basis

Section 17A(b)(3)(F) of the Act requires, in part, that the Rules be designed to (i) promote the prompt and accurate clearance and settlement of securities transactions and (ii) remove impediments to and perfect the mechanism of a national system for the prompt and accurate clearance and settlement of securities transactions, and, in general, to protect investors and the public interest.¹⁵ The proposed rule change would establish that the Approved Rule Change would be implemented by March 27, 2020 and provide Members with an understanding of when the Approved Rule Change will begin to affect them. Knowing when the rule changes will begin to affect Members would enable them to timely fulfill their obligations to NSCC, which would in turn ensure NSCC's processes work as intended. Therefore, NSCC believes that the proposed rule change would promote the prompt and accurate clearance and settlement of securities transactions as well as remove impediments to and perfect the mechanism of a national system for the prompt and accurate clearance and settlement of securities

transactions, consistent with Section 17A(b)(3)(F) of the Act cited above.

(B) Clearing Agency's Statement on Burden on Competition

NSCC does not believe that the proposed rule change to establish an implementation date for the Approved Rule Change would have any impact, or impose any burden, on competition because the proposed rule change is intended to provide additional clarity in the Rules with respect to when these rule changes would be implemented. As such, the proposed rule change would not affect the rights or obligations of the Members or NSCC other than establishing when the rule changes described above would begin to impact the Members.

(C) Clearing Agency's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

NSCC has not received or solicited any written comments relating to this proposal. NSCC will notify the Commission of any written comments received by NSCC.

III. Date of Effectiveness of the Proposed Rule Change, and Timing for Commission Action

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A)¹⁶ of the Act and paragraph (f)¹⁷ of Rule 19b-4 thereunder. At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

IV. Solicitation of Comments
