

the public interest, taking into consideration at least: (1) The effect of the proposed transaction on the adequacy of transportation to the public, (2) the total fixed charges that result from the proposed transaction, and (3) the interest of affected carrier employees. National Express has submitted the information required by 49 CFR 1182.2, including information to demonstrate that the proposed transaction is consistent with the public interest under 49 U.S.C. 14303(b), *see* 49 CFR 1182.2(a)(7), and a jurisdictional statement under 49 U.S.C. 14303(g) that the aggregate gross operating revenues of the National Express Affiliated Carriers and Premier exceeded \$2 million during the 12-month period immediately preceding the filing of the application, *see* 49 CFR 1182.2(a)(5). (Appl. 10–13.)

National Express asserts that the proposed transaction is not expected to have a material, detrimental impact on the adequacy of transportation services available to the public in the Service Area. (*Id.* at 10–11.) It states that National Express expects that services available to the public will be improved as operating efficiencies are realized and additional services and capacity are made available. (*Id.* at 10.) Further, National Express states that, for the foreseeable future, Premier will continue to provide the services it currently provides under the same name but will operate within the National Express corporate family, which is “thoroughly experienced in passenger transportation operations.” (*Id.*) National Express further states that Premier is experienced in some of the same market segments already served by some of the National Express Affiliated Carriers, and that the transaction will result in improved operating efficiencies, increased equipment utilization rates, and cost savings derived from economies of scale within Premier, which will help ensure the provision of adequate service to the public. (*Id.* at 10–11.) It also asserts that adding Premier to National Express’ corporate family will enhance the viability of the overall National Express organization and the operations of the National Express Affiliated Carriers. (*Id.* at 11.)

National Express claims that neither competition nor the public interest will be adversely affected by the proposed transaction. (*Id.* at 13.) National Express states that the population and demand for charter and shuttle services in the Service Area are expected to increase in the foreseeable future, and that Premier competes directly with other passenger charter and shuttle service providers in

the Service Area, including Knoxville Tours, Chariots of Hire, Gentry Trailways, Priority Coach, Todlow, May Transportation, Royal Charters, Malone, D & J, Lattimore Tours, and Mashburn. (*Id.* at 12–13.) According to National Express, several passenger transportation arrangers or brokers for charter services operate within the Service Area, and passenger motor coach charter providers also compete with “scheduled rail transportation and a number of scheduled airlines within the Service Area.” (*Id.* at 13.) With regard to interstate charter service offerings, National Express also states that the Service Area of Premier is geographically dispersed from most of the service areas of the National Express Affiliated Carriers, and there is very limited overlap in the service areas and customer bases among the National Express Affiliated Carriers and Premier. (*Id.*)

National Express states that fixed charges are not contemplated to have a material impact on the proposed transaction. (*Id.* at 11.) Regarding the interests of employees, National Express claims that the transaction is not expected to have substantial impacts on employees or labor conditions, nor does National Express anticipate a measurable reduction in force or changes in compensation levels or benefits. (*Id.*) National Express submits, however, that staffing redundancies could potentially result in limited downsizing of back-office or managerial-level personnel. (*Id.*)

The Board finds that the acquisition of Premier as proposed in the application is consistent with the public interest and should be tentatively approved and authorized. If any opposing comments are timely filed, these findings will be deemed vacated, and, unless a final decision can be made on the record as developed, a procedural schedule will be adopted to reconsider the application. *See* 49 CFR 1182.6. If no opposing comments are filed by expiration of the comment period, this notice will take effect automatically and will be the final Board action.

This action is categorically excluded from environmental review under 49 CFR 1105.6(c).

Board decisions and notices are available at www.stb.gov.

It is ordered:

1. The proposed transaction is approved and authorized, subject to the filing of opposing comments.

2. If opposing comments are timely filed, the findings made in this notice will be deemed vacated.

3. This notice will be effective April 28, 2020, unless opposing comments are filed by April 27, 2020.

4. A copy of this notice will be served on: (1) The U.S. Department of Transportation, Federal Motor Carrier Safety Administration, 1200 New Jersey Avenue SE, Washington, DC 20590; (2) the U.S. Department of Justice, Antitrust Division, 10th Street & Pennsylvania Avenue, NW, Washington, DC 20530; and (3) the U.S. Department of Transportation, Office of the General Counsel, 1200 New Jersey Avenue SE, Washington, DC 20590.

Decided: March 6, 2020.

By the Board, Board Members Begeman, Fuchs, and Oberman.

Tammy Lowery,
Clearance Clerk.

BILLING CODE 4915–01–P

OFFICE OF THE UNITED STATES TRADE REPRESENTATIVE

[Docket No. USTR–2019–0003]

Ministerial Error Correction: Enforcement of U.S. WTO Rights in Large Civil Aircraft Dispute

AGENCY: Office of the United States Trade Representative.

ACTION: Correction of ministerial error.

SUMMARY: In a notice published February 21, 2020 (February 21 notice), the U.S. Trade Representative determined to modify the action being taken in this Section 301 investigation. This notice corrects a ministerial error in the consolidated list of descriptive subheadings included in Section 2 of Annex 2 of the February 21 notice. The operative tariff language in Annex 1 of the February 21 notice is not affected.

DATES: The corrected, consolidated list of descriptive subheadings annexed to this notice replaces Section 2 of Annex 2 of the February 21 notice.

FOR FURTHER INFORMATION CONTACT: For questions about this notice, contact Assistant General Counsel Megan Grimball at (202) 395–5725. For questions on customs classification of products covered by this action, contact Traderemedycbp@dhs.gov.

SUPPLEMENTARY INFORMATION: For background on the proceedings in this investigation, please see the prior notices issued in the investigation including 84 FR 15028 (April 12, 2019), 84 FR 32248 (July 5, 2019), 84 FR 54245 (October 9, 2019), 84 FR 55998 (October 18, 2019), 84 FR 67992 (December 12, 2019), and 85 FR 10204 (February 21, 2020).

In a notice published February 21, 2020 (85 FR 10204), the U.S. Trade Representative announced certain revisions to the October 18, 2019, action taken to enforce U.S. WTO Rights in the Large Civil Aircraft Dispute. Annex 1 to the February 21 notice contains the operative tariff language, identifying the products affected by the revised action, the rate of duty to be assessed, and the current or former EU member States affected. Annex 2, Section 1, of the February 21 notice contains a description of the changes from the October 18 action. Neither of these annexes is affected by this notice.

The Office of the United States Trade Representative (USTR) has become aware of a ministerial error in Annex 2, Section 2, of the February 21 notice, which contains a consolidated list of descriptive subheadings covered by the revised action. In particular, the consolidated list in Annex 2, Section 2, of the February 21 notice consists of the products covered by the October 18

action, as revised by the modifications made by the February 21 notice.

Due to a ministerial error, Annex 2, Section 2, Part 11, of the February 21 notice included a tariff subheading not covered by the revised action (9013.10.10), and excluded a tariff subheading covered by the revised action (8211.93.00). To avoid any possible confusion, the Annex to this notice contains a corrected consolidated list of descriptive subheadings. The corrected consolidated list in the annex to this notice replaces Annex 2, Section 2, of the February 21 notice.

Joseph Barloon,

General Counsel, Office of the U.S. Trade Representative.
