

to submit a copy of their contracts with the Annual Report if a copy of the current and executed contract was previously submitted to SBA and the CDC so certifies. In addition, the information collection will be changed to no longer require the CDC to provide a copy of any other contract-related documents that SBA already has in its possession.

(c) Revising the collection to reflect that a CDC may contract with another CDC to perform the independent loan review (with SBA's prior written approval);

(d) Revising the collection to reflect the increase in the threshold for requiring a CDC to submit an audited financial statement from \$20 million in outstanding 504 loans to \$30 million. CDCs with a 504-loan portfolio balance of less than \$30 million will be able to submit a reviewed financial statement.

3. The information collection will also be revised to state that CDCs can submit certain documents to SBA by uploading them into the new Corporate Governance Repository, and CDCs will not need to include those documents with their Annual Report if they previously uploaded the documents to the Repository. In addition, starting with the submission of the FY 2019 Annual Report, CDCs can file their entire Annual Report with SBA using the Repository.

4. Finally the collection will be amended to remove certain definitions; they will instead be cross referenced to the definitions section of the SOP 50 10.

**Solicitation of Public Comments**
