Wood Mouldings and Millwork Products From the People's Republic of China: Postponement of Preliminary Determination in the Countervailing Duty Investigation

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

DATES: Applicable March 18, 2020.

FOR FURTHER INFORMATION CONTACT: Irene Gorelik or Faris Montgomery, AD/CVD Operations, Office VIII, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-6905 or (202) 482-1537, respectively.

SUPPLEMENTARY INFORMATION:

Background

On January 28, 2020, the Department of Commerce (Commerce) initiated a countervailing duty (CVD) investigation of imports of wood mouldings and millwork products (millwork products) from the People's Republic of China.¹ Currently, the preliminary determination is due no later than April 2, 2020.

Postponement of Preliminary Determination

Section 703(b)(1) of the Tariff Act of 1930, as amended (the Act), requires the Department to issue the preliminary determination in a countervailing duty investigation within 65 days after the date on which Commerce initiated the investigation. However, section 703(c)(1) of the Act permits Commerce

to postpone the preliminary determination until no later than 130 days after the date on which Commerce initiated the investigation if: (A) The petitioner makes a timely request for a postponement; or (B) Commerce concludes that the parties concerned are cooperating, that the investigation is extraordinarily complicated, and that additional time is necessary to make a preliminary determination. Under 19 CFR 351.205(e), the petitioner must submit a request for postponement 25 days or more before the scheduled date of the preliminary determination and must state the reasons for the request. Commerce will grant the request unless it finds compelling reasons to deny the request.

On March 6, 2020, the petitioner² submitted a timely request that Commerce postpone the preliminary CVD determination.³ The petitioner stated that it requests postponement "because additional time will be necessary to receive questionnaire responses and to ensure that the Department {of Commerce} has sufficient time to review all responses and request clarification and additional information as necessary."⁴

In accordance with 19 CFR 351.205(e), the petitioner has stated the reasons for requesting a postponement of the preliminary determination, and Commerce finds no compelling reason to deny the request. Therefore, in accordance with section 703(c)(1)(A) of the Act, Commerce is postponing the deadline for the preliminary determination to no later than 130 days after the date on which this investigation was initiated, *i.e.*, June 8, 2020.⁵ Pursuant to section 705(a)(1) of the Act and 19 CFR 351.210(b)(1), the deadline for the final determination of this investigation will continue to be 75 days after the date of the preliminary determination.

Notification to Interested Parties

This notice is issued and published pursuant to section 703(c)(2) of the Act and 19 CFR 351.205(f)(1).

² The petitioner is the Coalition of American Millwork Producers.

³ See Petitioner's Letter, "Wood Mouldings and Millwork Products from the People's Republic of China: Request to Postpone Preliminary Determination," dated March 6, 2020.

⁴ *Id.*

⁵ Postponing the preliminary determination to 130 days after initiation would place the deadline on Saturday, June 6, 2020. Commerce's practice dictates that where a deadline falls on a weekend or federal holiday, the appropriate deadline is the next business day. See *Notice of Clarification: Application of "Next Business Day" Rule for Administrative Determination Deadlines Pursuant to the Tariff Act of 1930, As Amended*, 70 FR 24533 (May 10, 2005).

Dated: March 12, 2020.

Jeffrey I. Kessler,

Assistant Secretary for Enforcement and Compliance.
