

provide external quality improvement support. Some of the examples of the types of innovations we are looking for might be specific tools or workflows that support providers to assess the risk/benefit balance of opioids within a multidisciplinary approach in pain management; to optimize and monitor the opioid prescribing when appropriate, including tapering strategies; to screen and treat for opioid misuse or opioid use disorder; or to involve family or other caregivers of an older adult in conversations about opioid safety. Descriptions of strategies or approaches should include the setting where it is deployed and the type of patient population served.

SUPPLEMENTARY INFORMATION:

I. Purpose

In accordance with section 10(a) of the Federal Advisory Committee Act, 5 U.S.C. App., this notice announces a meeting of the National Advisory Council for Healthcare Research and Quality (the Council). The Council is authorized by Section 941 of the Public Health Service Act, 42 U.S.C. 299c. In accordance with its statutory mandate, the Council is to advise the Secretary of the Department of Health and Human Services and the Director of AHRQ on matters related to AHRQ's conduct of its mission including providing guidance on (A) priorities for health care research, (B) the field of health care research including training needs and information dissemination on health care quality and (C) the role of the Agency in light of private sector activity and opportunities for public private partnerships. The Council is composed of members of the public, appointed by the Secretary, and Federal ex-officio members specified in the authorizing legislation.

II. Agenda

On Thursday, March 26, 2020, the Council meeting will convene at 12:30 p.m., with the call to order by the Council Chair and approval of previous Council summary notes. The meeting is open to the public and will be available via webcast at www.webconferences.com/ahrq. The meeting will begin with an update on AHRQ's recent accomplishments and budget. The agenda will also include a discussion about 21st Century Care and AHRQ Data and Analytics Initiatives, including Synthetic Data. The meeting will adjourn at 3:30 p.m. For information on accessing the WebEx, as well as other meeting details, including information on how to make a public comment, please go to <https://www.ahrq.gov/news/events/nac/>. The final agenda will be available on the AHRQ website no later than Thursday, March 19, 2020.

Dated: March 12, 2020.
