BILLING CODE 5001-10-P

DEPARTMENT OF DEFENSE

Office of the Secretary

[Docket ID: DoD-2020-OS-0032]

Privacy Act of 1974; System of Records

AGENCY: Defense Finance and Accounting Service (DFAS), Department of Defense (DoD).

ACTION: Notice of a new System of Records.

SUMMARY: The DFAS proposes to add a System of Records entitled, "Centralized Disbursing System," T7320b. DFAS uses the Centralized Disbursing System (CDS) to process fund disbursements and collections for the Air Force, DFAS Field Sites, Navy Military Sealift Command and the National Geospatial-Intelligence Agency. The system also supports the DFAS centralized environment for disbursing.

DATES: This new System of Records is effective upon publication; however, comments on the Routine Uses will be accepted on or before April 17, 2020. The Routine Uses are effective at the close of the comment period.

ADDRESSES: You may submit comments, identified by docket number and title, by any of the following methods:

* *Federal Rulemaking Portal:* <https://www.regulations.gov>. Follow the instructions for submitting comments.

* *Mail:* Department of Defense, Office of the Chief Management Officer, Directorate for Oversight and

Compliance, 4800 Mark Center Drive, Mailbox #24, Suite 08D09, Alexandria, VA 22350-1700.

Instructions: All submissions received must include the agency name and docket number for this **Federal Register** document. The general policy for comments and other submissions from members of the public is to make these submissions available for public viewing on the internet at <https://www.regulations.gov> as they are received without change, including any personal identifiers or contact information.

FOR FURTHER INFORMATION CONTACT: Mr. Gregory L. Outlaw, DFAS, Freedom of Information/Privacy Act Program Manager, Corporate Communications, DFAS-ZCF/IN, 8899 East 56th Street, Indianapolis, IN 46249-0150 or by telephone at (317) 212-4591.

SUPPLEMENTARY INFORMATION: The CDS was originally designed as a module of the Automated Disbursing System. However, further determination designated this as a separate system. The CDS system handles the disbursement and collection of all funds for these sites except payroll funds. Without the CDS, the impact to agency and military field sites will be untimely processing of payments, and for the interfaces with existing DoD information systems, the inability to balance financial statements and records. The CDS system handles the disbursement and collection of all funds for these agency and military field sites except payroll funds.

The DoD notices for Systems of Records subject to the Privacy Act of 1974 (5 U.S.C. 552a), as amended, have been published in the **Federal Register** and are available from the address in **FOR FURTHER INFORMATION CONTACT** or at the Defense Privacy, Civil Liberties and Transparency Division website at <https://dpcl.d.defense.gov>.

The proposed system reports, as required by the Privacy Act, as amended, were submitted on January 14, 2020, to the House Committee on Oversight and Reform, the Senate Committee on Homeland Security and Governmental Affairs, and the Office of Management and Budget (OMB) pursuant to Section 6 of OMB Circular No. A-108, "Federal Agency Responsibilities for Review, Reporting, and Publication under the Privacy Act," revised December 23, 2016 (December 23, 2016, 81 FR 94424).

BILLING CODE 5001-06-P

DEPARTMENT OF DEFENSE**Department of the Navy****Notice of Availability of Record of Decision for the Fallon Range Training Complex Modernization Environmental Impact Statement**

AGENCY: Department of the Navy, DoD.

ACTION: Notice.

SUMMARY: The United States (U.S.) Department of the Navy (Navy), after carefully weighing the strategic, operational, and environmental consequences of the Proposed Action, announces its decision to select Alternative 3 (Preferred Alternative) from the Fallon Range Training Complex (FRTC) Final Environmental Impact Statement (EIS) Environmental, dated January 2020. This alternative will support the Navy's request for a legislative proposal in the National Defense Authorization Act for Fiscal Year 2021 for Congressional action and Presidential approval for renewal of the current federal land withdrawal and withdrawal of additional federal land to expand the range. It also includes the acquisition of non-federal land. While making this decision, the Navy carefully weighed its strategic and operational needs; potential impacts on the human, natural, and cultural environment; and comments from government officials and agencies, tribal governments, and the public on the proposal and environmental analysis. The Navy selected Alternative 3 because it best meets the purpose of and need for modernization while minimizing impacts on public access and land use. The Navy will implement management practices, monitoring, and mitigation measures to reduce potential impacts of the FRTC modernization.

SUPPLEMENTARY INFORMATION: With the implementation of the modernization, the FRTC significantly enhances the aviation and ground training for a wide range of mission capabilities into the foreseeable future. Modernization of the

FRTC will allow the use of precision guided weapons to their required capabilities by Navy aviators, and use of the full complement of weapons by Sea Air and Land (SEAL) teams, protects the capabilities of the aviation electronic warfare range, and modifies existing special use airspace (SUA) to accommodate the additional training capabilities created by modernizing the range complex. In this regard, the Navy's selected alternative, Alternative 3 (Preferred Alternative), fulfills the Navy's execution of its congressionally mandated roles and responsibilities under 10 U.S.C. Section 8062 and 10 U.S.C. Section 167. The complete text of the Record of Decision (ROD) for the FRTC Modernization Final EIS is available on the project website at www.FRTCModernization.com, along with the January 2020 FRTC Modernization Final EIS and supporting documents. Single copies of the ROD are available upon request by contacting: Naval Facilities Engineering Command Southwest, Attention: Code EV21.LD, 1220 Pacific Highway, Building 1, 5th Floor, San Diego, CA 92132.

Dated: March 12, 2020.

D.J. Antenucci,

Commander, Judge Advocate General's Corps, U.S. Navy, Federal Register Liaison Officer.
