January 7, 2020, under OMB Control Number 0648–0699. NMFS obtained OMB Control Number 0648–0699 for hunt and harvest reports associated with the regulations at 50 CFR 216.72 and 50 CFR 216.74, which apply to both St. Paul and St. George Islands. For St. Paul Island, public reporting burden for hunt and harvest reporting is estimated to average 40 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. There are no significant changes to the collection-of-information requirements for St. Paul or St. George.

Send comments regarding these burden estimates or any other aspect of this data collection, including suggestions for reducing the burden, to NMFS Alaska Region (see ADDRESSES) and by email to OIRA_Submission@omb.eop.gov, or fax to 202–395–5806.

Notwithstanding any other provision of the law, no person is required to respond to, nor shall any person be subject to a penalty for failure to comply with, a collection of information subject to the requirements of the PRA, unless that collection of information displays a currently valid OMB Control Number. All currently approved NOAA collections of information may be viewed at http://www.cio.noaa.gov/services_programs/prasubs.html.

33 CFR Part 401
RIN 2135–AA48
Seawater Regulations and Rules: Periodic Update, Various Categories

AGENCY: Saint Lawrence Seaway Development Corporation, DOT.

ACTION: Final rule.

SUMMARY: The Saint Lawrence Seaway Development Corporation (SLSDC) and the St. Lawrence Seaway Management Corporation (SLSMC) of Canada, under international agreement, jointly publish and presently administer the St. Lawrence Seaway Regulations and Rules (Practices and Procedures in Canada) in their respective jurisdictions. Under agreement with the SLSMC, the SLSDC is amending the joint regulations by updating the Regulations and Rules in various categories. The changes update the following sections of the Regulations and Rules: Interpretations and Condition of Vessels. These changes are to clarify existing requirements in the regulations.

Regulatory Notices: Privacy Act: Anyone is able to search the electronic form of all comments received into any of our dockets by the name of the individual submitting the comment (or signing the comment, if submitted on behalf of an association, business, labor union, etc.). You may review DOT’s complete Privacy Act Statement in the Federal Register published on April 11, 2000 (Volume 65, Number 70; Pages 19477–78) or you may visit http://www.regulations.gov.

The joint regulations will become effective in Canada on March 31, 2020. For consistency, because these are joint
regulations under international agreement, and to avoid confusion among users of the Seaway, the SLSDC finds that there is good cause to make the U.S. version of the amendments effective on the same date.

**Regulatory Evaluation**

This regulation involves a foreign affairs function of the United States and therefore, Executive Order 12866 does not apply and evaluation under the Department of Transportation’s Regulatory Policies and Procedures is not required.

**Regulatory Flexibility Act Determination**

I certify that this regulation will not have a significant economic impact on a substantial number of small entities. The St. Lawrence Seaway Regulations and Rules primarily relate to commercial users of the Seaway, the vast majority of who are foreign vessel operators. Therefore, any resulting costs will be borne mostly by foreign vessels.

**Environmental Impact**

This regulation does not require an environmental impact statement under the National Environmental Policy Act (49 U.S.C. 4321, et seq.) because it is not a major federal action significantly affecting the quality of the human environment.

**Federalism**

The Corporation has analyzed this rule under the principles and criteria in Executive Order 13132, dated August 4, 1999, and have determined that this proposal does not have sufficient federalism implications to warrant a Federalism Assessment.

**Unfunded Mandates**

The Corporation has analyzed this rule under Title II of the Unfunded Mandates Reform Act of 1995 (Pub. L. 104–4, 109 Stat. 48) and determined that it does not impose unfunded mandates on State, local, and tribal governments and the private sector requiring a written statement of economic and regulatory alternatives.

**Paperwork Reduction Act**

This regulation has been analyzed under the Paperwork Reduction Act of 1995 and does not contain new or modified information collection requirements subject to the Office of Management and Budget review.

**List of Subjects in 33 CFR Part 401**

Hazardous materials transportation, Navigation (water), Penalties, Radio, Reporting and recordkeeping requirements, Vessels, Waterways.

Accordingly, the Saint Lawrence Seaway Development Corporation is proposing to amend 33 CFR part 401, Regulations and Rules, as follows:

### PART 401—SEAWAY REGULATIONS AND RULES

#### Subpart A—Regulations

1. The authority citation for subpart A of part 401 continues to read as follows:

   Authority: 33 U.S.C. 983(a) and 984(a) (4), as amended; 49 CFR 1.101, unless otherwise noted.

2. In § 401.2, redesignate paragraphs (d) through (s) as paragraphs (e) through (t), add a new paragraph (d), and revise newly redesignated paragraph (g) to read as follows:

   § 401.2 Interpretation.

   * * * * *

   (d) **Hands Free Mooring (HFM)** means a system that uses vacuum pads that are mounted on vertical rails inside the lock chamber wall to secure a vessel during the lockage process.

   * * * * *

   (g) **E-business** means web applications on the St. Lawrence Seaway Management Corporation website which provides direct electronic transmission of data to complete and submit application forms and transit data;

   * * * * *

   3. In § 401.7, revise paragraph (c) to read as follows:

   § 401.7 Fenders.

   * * * * *

   (c) On special application, vessels of unusual design may be permitted to utilize permanent fenders not greater than 30 cm in thickness.

4. In § 401.9, remove paragraph (c) and redesignate paragraph (d) as paragraph (c).

5. In § 401.14, revise paragraph (b) to read as follows:

   § 401.14 Anchor marking buoys.

   * * * * *

   (b) Every vessel shall deploy the anchor marking buoy when dropping an anchor in Seaway waters (designated Seaway anchorages exempt).

6. In schedule II to subpart A of part 401, under “Table of Speeds,” revise section numbers 1 and 10 to read as follows:

#### SCHEDULE II TO SUBPART A OF PART 401—TABLE OF SPEEDS

Tariff of Tolls

AGENCY: Saint Lawrence Seaway Development Corporation, DOT.

ACTION: Final rule.

SUMMARY: The Saint Lawrence Seaway Development Corporation (SLSDC) and the St. Lawrence Seaway Management Corporation (SLSMC) of Canada, under international agreement, jointly publish and presently administer the St. Lawrence Seaway Tariff of Tolls in their respective jurisdictions.

The Tariff sets forth the level of tolls assessed on all commodities and vessels transiting the facilities operated by the SLSDC and the SLSMC. The SLSDC is revising its regulations to reflect the fees and charges levied by the SLSMC in Canada beginning in the 2020 navigation season. With one exception, the changes affect the tolls for commercial vessels and are applicable only in Canada. The collection of tolls by the SLSDC on commercial vessels transiting the U.S. locks is waived by law (33 U.S.C. 988a(a)).

The SLSDC is amending 33 CFR 402.12, “Schedule of tolls”, to increase the minimum charge per vessel per lock for full or partial transit of the Seaway from $28.57 to $29.14. This charge is for vessels that are not pleasure craft or subject in Canada to the tolls under items 1 and 2 of the Tariff. This increase is due to higher operating costs at the locks.
