as amended (the Act) and 19 CFR 351.221(c)(1)(i), we initiated an administrative review of the order on HR Steel from the Netherlands with respect to Tata Steel Ijmuiden BV.<sup>4</sup> On February 21, 2020, the petitioners timely withdrew their request for an administrative review of Tata Steel Ijmuiden BV.<sup>5</sup> Commerce received no other requests for an administrative review of the antidumping duty order.

#### Lightweight Thermal Paper From the People’s Republic of China: Final Results of the Expedited Second Sunset Review of the Countervailing Duty Order

**AGENCY:** Enforcement and Compliance, International Trade Administration, Department of Commerce.

**SUMMARY:** The Department of Commerce (Commerce) finds that revocation of the countervailing duty (CVD) order on lightweight thermal paper from the People’s Republic of China (PRC) would be likely to lead to continuation or recurrence of countervailable subsidies.

**DATES:** Applicable March 20, 2020.

**FOR FURTHER INFORMATION CONTACT:** Dusten Hom or Mary Kolberg, AD/CVD Operations, Office I, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone (202) 482–5075 or (202) 482–1785, respectively.

#### SUPPLEMENTARY INFORMATION:

#### Background

On November 24, 2008, Commerce published the countervailing duty order on lightweight thermal paper from the

People’s Republic of China.<sup>1</sup> On December 2, 2019, Commerce published the initiation of the second sunset review of this order, pursuant to section 751(c) of the Tariff Act of 1930, as amended (the Act).<sup>2</sup> On December 13, 2019, Commerce received a notice of intent to participate from Appvion Operations, Inc. (Appvion) and Kanzaki Specialty Papers Inc. (Kanzaki) within the deadline specified in 19 CFR 351.218(d)(1)(i).<sup>3</sup> Appvion and Kanzaki (domestic interested parties) claimed interested party status under section 771(9)(C) of the Act as producers of lightweight thermal paper in the United States.

On December 23, 2019, Commerce received an adequate substantive response from the domestic interested parties within the 30-day deadline specified in 19 CFR 351.218(d)(3).<sup>4</sup> Commerce did not receive any submissions from any other interested parties. Because Commerce did not receive a substantive response from either the Government of China (GOC) or the respondent interested parties who are producers or exporters of lightweight thermal paper, we determined that respondent interested parties provided inadequate responses to Commerce’s notice of initiation.

On December 23, 2019, Commerce notified the U.S. International Trade Commission that it did not receive an adequate substantive response from respondent interested parties.<sup>5</sup> As a result, pursuant to section 751(c)(3)(B) of the Act and 19 CFR 351.218(e)(1)(ii)(B)–(C), Commerce is conducting an expedited (120-day) sunset review of the *CVD Order*.

#### Scope of the Order

Imports covered by the *Order* are shipments of certain lightweight thermal paper, which is thermal paper with a basis weight of 70 grams per square meter (g/m<sup>2</sup>) (with a tolerance of
