**FOR FURTHER INFORMATION CONTACT:**

Robert Walsh, Designated Federal Official, (DFO), at Division of Transplantation, HRSA, 5600 Fishers Lane, 8W60, Rockville, Maryland 20857; 301-443-6839; or [RWalsh@hrsa.gov](mailto:RWalsh@hrsa.gov).

**SUPPLEMENTARY INFORMATION:** ACBSCT provides advice and recommendations to the Secretary of HHS (Secretary) and the HRSA Administrator on the activities of the C.W. Bill Young Cell Transplantation Program (CWBYCTP) and the National Cord Blood Inventory (NCBI) Program. The principal purpose of these programs is to make blood stem cells from adult donors and cord blood units available for patients who need a transplant to treat life-threatening conditions such as leukemia, and who lack a suitably matched relative who can be the donor.

During the April 27, 2020, meeting, the ACBSCT will discuss issues related to increasing access to transplantation (including the utilization of cord blood and other types of cellular therapy). Agenda items are subject to change as priorities dictate. Refer to the ACBSCT website for any updated information concerning the meeting.

Members of the public will have the opportunity to provide comments. Public participants may submit written statements in advance of the scheduled meeting. Oral comments will be honored in the order they are requested and may be limited as time allows. Requests to submit a written statement or make oral comments to ACBSCT should be sent to Robert Walsh, DFO, using the contact information above at least 3 business days prior to the meeting.

Individuals planning to participate who need special assistance or another reasonable accommodation should notify Robert Walsh at the address and phone number listed above at least 10 business days prior to the meeting.
