

Commission will send any public notice seeking comment on any petition for designation as an eligible telecommunications carrier on Tribal lands, at the time it is released, to the affected tribal government and tribal regulatory authority, as applicable, by the most expeditious means available, § 54.202(c).

Form Number: FCC Form 1875.

Type of Review: Extension of a currently approved collection.

Respondents: Business or other for-profit, Not-for-profit institutions and State, Local or Tribal government.

Number of Respondents and Responses: 750 respondents; 1,500 responses.

Estimated Time per Response: 2.5 hours.

Frequency of Response: One-time reporting requirement.

Obligation to Respond: Required to obtain or retain benefits. The statutory authority for this information collection is contained in the Middle Class Tax Relief and Job Creation Act of 2012, Public Law 112–96 (Spectrum Act) § 6403(a)(1).

Total Annual Burden: 3,750 hours.

Total Annual Cost: No Cost.

Nature and Extent of Confidentiality: The information collection includes information identifying bank accounts and providing account and routing numbers to access those accounts. FCC considers that information to be records not routinely available for public inspection under 47 CFR 0.457, and exempt from disclosure under FOIA exemption 4 (5 U.S.C. 552(b)(4)).

Privacy Act Impact Assessment: No impact(s).

Needs and Uses: The Spectrum Act mandates “a reverse auction to determine the amount of compensation that each broadcast television licensee would accept in return for voluntarily relinquishing some or all of its broadcast television spectrum usage rights in order to make spectrum available for assignment through a system of competitive bidding”.¹

The Commission conducted notice-and-comment rulemaking to implement the Spectrum Act, and ruled in the Incentive Auction Report and Order that: “we adopt the Commission’s proposal to require successful bidders in the reverse auction to submit additional information to facilitate incentive

payments. As mentioned in the NPRM, we envision that the information would be submitted on standardized incentive payment forms similar to the Automated Clearing House (“ACH”) forms unsuccessful bidders in typical spectrum license auctions use to request refunds of their deposits and upfront payments. This information collection is necessary to facilitate incentive payments and should not be burdensome to successful bidders. Specifically, without further instruction and bank account information from successful bidders, the Commission would not know where to send the incentive payments.” [footnotes omitted]²

The information collection for which we are requesting approval is the standardized incentive payment form referred to in the paragraph above.
