

for approval to contract maintenance functions to outside entities. Once the FAA reviews the submitted application and finds the applicant has the ability to comply with the 14 CFR part 145 requirements for certification, an air agency certificate and ratings is issued. The FAA retains a copy of the application in the FAA office that issued the certificate for an indefinite time or a time-period specified by the Agency's Records Management Order 1350.14B, mandated by the Federal Records Act of 1950, as amended. The applicant is not required to retain a copy of the form. The FAA does not provide other persons or entities with information contained in the form.

Respondents: There were a total of 129 applications submitted to the FAA in fiscal year (FY) 2019. Out of the 129 applications, 64 applications were for submitted for initial certification.

Frequency: Information is collected on occasion. One time for initial certification and when or if an existing certificated repair station request changes to their certificate.

Estimated Average Burden per Response: 15 minutes.

Estimated Total Annual Burden: 32.25 hours annual burden for FY2019. There is no requirement for a respondent to submit this form annually.

Issued in Washington, DC, on March 17, 2020.

Susan Traugott Ludwig,

Federal Aviation Administration, Office of Safety Standards, Aircraft Maintenance Division, Repair Station Branch, AFS-340.

BILLING CODE 4910-13-P

DEPARTMENT OF TRANSPORTATION

Federal Railroad Administration

[Docket No. FRA-2020-0004-N-4]

Proposed Agency Information Collection Activities; Comment Request

AGENCY: Federal Railroad Administration (FRA), Department of Transportation (DOT).

ACTION: Notice of information collection; request for comment.

SUMMARY: Under the Paperwork Reduction Act of 1995 (PRA), this notice announces that FRA is forwarding the Information Collection Request (ICR) abstracted below to the Office of Management and Budget (OMB) for review and comment. The ICR describes the information collection and its expected burden. On December 20,

2019, FRA published a notice providing a 60-day period for public comment on the ICR.

DATES: Interested persons are invited to submit comments on or before April 20, 2020.

ADDRESSES: Written comments and recommendations for the proposed ICR should be sent within 30 days of publication of this notice to www.reginfo.gov/public/do/PRAMain. Find this particular ICR by selecting "Currently under 30-day Review—Open for Public Comments" or by using the search function.

FOR FURTHER INFORMATION CONTACT: Ms. Kim Toone, Information Collection Clearance Officer, Office of Administration, Office of Information Technology, Federal Railroad Administration, 1200 New Jersey Avenue SE, Washington, DC 20590 (telephone: (202) 493-6132).

SUPPLEMENTARY INFORMATION: The PRA, 44 U.S.C. 3501-3520, and its implementing regulations, 5 CFR part 1320, require Federal agencies to issue two notices seeking public comment on information collection activities before OMB may approve paperwork packages. See 44 U.S.C. 3506, 3507; 5 CFR 1320.8 through 1320.12. On December 20, 2019, FRA published a 60-day notice in the **Federal Register** soliciting comment on the ICR for which it is now seeking OMB approval. See 84 FR 70265. FRA received no comments in response to this notice.

Before OMB decides whether to approve these proposed collections of information, it must provide 30 days for public comment. Federal law requires OMB to approve or disapprove paperwork packages between 30 and 60 days after the 30-day notice is published. 44 U.S.C. 3507(b)-(c); 5 CFR 1320.10(b); see also 60 FR 44978, 44983, Aug. 29, 1995. OMB believes the 30-day notice informs the regulated community to file relevant comments and affords the agency adequate time to digest public comments before it renders a decision. 60 FR 44983, Aug. 29, 1995. Therefore, respondents should submit their respective comments to OMB within 30 days of publication to best ensure having their full effect.

Comments are invited on the following ICR regarding: (1) Whether the information collection activities are necessary for FRA to properly execute its functions, including whether the information will have practical utility; (2) the accuracy of FRA's estimates of the burden of the information collection activities, including the validity of the methodology and assumptions used to determine the estimates; (3) ways for

FRA to enhance the quality, utility, and clarity of the information being collected; and (4) ways to minimize the burden of information collection activities on the public, including the use of automated collection techniques or other forms of information technology.

The summaries below describe the ICR that FRA will submit for OMB clearance as the PRA requires:

Title: Generic Clearance for the Collection of Qualitative Feedback on Agency Services.

OMB Control Number: 2130-0593.

Abstract: This collection of information is necessary to enable FRA to garner customer and stakeholder feedback in an efficient, timely manner, consistent with its commitment to improving service delivery. The information collected from FRA's customers and stakeholders will help ensure users have an effective, efficient, and satisfying experience with FRA's programs. This feedback will provide insights into customer or stakeholder perceptions, experiences and expectations, provide an early indicator of issues with service, and focus attention on areas where communications, training or changes in operations might improve delivery of products or services. This collection will allow ongoing, collaborative, and actionable communications between FRA and its customers and stakeholders. It also allows feedback to contribute directly to the improvement of program management.

Type of Request: Extension without change of a current information collection.

Affected Public: Individuals and Households, Businesses and Organizations, State, Local or Tribal Governments.

Frequency of Submission: Once per request.

Total Estimated Annual Responses: 2,100.

Total Estimated Annual Burden: 354 hours.

Under 44 U.S.C. 3507(a) and 5 CFR 1320.5(b) and 1320.8(b)(3)(vi), FRA informs all interested parties that it may not conduct or sponsor, and a respondent is not required to respond to a collection of information unless it displays a currently valid OMB control number.

Authority: 44 U.S.C. 3501-3520.

Brett A. Jortland,

Acting Chief Counsel.
