

are not entitled to retransmission consent.

In 2019, the Commission adopted new rules governing the delivery and form of carriage election notices. Electronic Delivery of MVPD Communications, Modernization of Media Regulation Initiative, MB Docket Nos. 17–105, 17–317, Report and Order and Further Notice of Proposed Rulemaking, FCC 19–69, 34 FCC Rcd 5922(2019) (2019 Report and Order). That decision modernized the carriage election notice rules by moving the process online for most broadcasters and multichannel video programming distributors (MVPDs), but the Commission sought comment on how to apply these updated rules to certain small broadcast stations and MVPDs.

In 2020, the Commission adopted a Report and Order that resolved the remaining issues regarding carriage election notice rules for small broadcast stations and MVPDs. Electronic Delivery of MVPD Communications, Modernization of Media Regulation Initiative, MB Docket Nos. 17–105, 17–317, Report and Order, FCC 20–14, 2020 WL 948697 (rel. Feb. 25, 2020) (2020 Report and Order). Pursuant to that decision, the obligations of certain small broadcasters and MVPDs were slightly modified.

This information collection is being revised to reflect the changes to 47 CFR 76.64(h) as well as other new obligations adopted in the 2020 Report and Order, which require review and approval from the Office of Management and Budget (OMB).

47 CFR 76.64(h)(5) is amended to require low power television stations and non-commercial educational translator stations that are qualified under 47 CFR 76.55 and retransmitted by an MVPD to, beginning no later than July 31, 2020, respond as soon as is reasonably possible to messages or calls from MVPDs that are received via the email address or phone number the station provides in the Commission's Licensing and Management System (LMS) database.

A qualified Low Power Television (LPTV) station that changes its carriage election must send an election change notice to each affected MVPD's carriage election-specific email address by the carriage election deadline. Such change notices must include, with respect to each station covered by the notice: The station's call sign, the station's community of license, the DMA where the station is located, the specific change being made in election status, and an email address and phone number for carriage-related questions. LPTV notices to cable operators need to

identify specific cable systems for which a carriage election applies only if the broadcaster changes its election for some systems of the cable operator but not all. In addition, the broadcaster must carbon copy *ElectionNotices@FCC.gov*, the Commission's election notice verification email inbox, when sending its carriage elections to MVPDs.

All qualified LPTV stations, whether being carried pursuant to must carry or retransmission consent, must send an email notice to all MVPDs that are or will be carrying the station no later than the next carriage election deadline of October 1, 2020. Qualified LPTVs must do so even if they are not changing their carriage status from the current election cycle. These notifications must be sent to an MVPD's carriage election-specific email address, must be copied to *ElectionNotices@FCC.gov*, and must include the same information required for a change notification except that the notification may simply confirm the existing carriage status rather than a change in status.

All qualified NCE translator stations must provide email notice to all MVPDs that are or will be carrying the translator no later than the next carriage election deadline of October 1, 2020. Similar to qualified LPTVs, these notifications must be sent to an MVPD's carriage election-specific email address, must be copied to *ElectionNotices@FCC.gov*, and must include the station's call sign, the station's community of license, and the DMA where the station is located and within which it has elected to be carried.
