

person to become registered in EPA's RCRAInfo system as a "Site Manager" for their respective sites, and have all other personnel become registered in the same way as "Preparers" are registered. These personnel would receive a username and password using the current registration process and would then request access to their site(s), as appropriate, but would not need to undergo further identity proofing. Generator and transporter personnel that are registered could then log in with their username/password and could create and edit electronic manifests for their sites. Electronic signatures under this method for generators and transporters would consist of, after logging in to their account, clicking a button to electronically sign.

A third method is for generators and transporters to use digitized signature pads that have been approved by the Agency under its CROMERR program. This method would require generators and transporters to possess units that allow them to capture a physical signature electronically, for example, using a stylus.

The Agency intends to provide more detail regarding these methods in its meeting materials, which will be published in the docket for the meeting.

E. e-Manifest Advisory Board Documents and Meeting Minutes

The meeting background paper, related supporting materials, charge/questions to the Advisory Board, the Advisory Board membership roster (*i.e.*, members attending this meeting), and the meeting agenda are available in the docket for this meeting. The e-Manifest Advisory Board will prepare meeting minutes summarizing its recommendations to the Agency approximately ninety (90) days after the meeting. AGENCY: Board of Governors of the Federal Reserve System.

ACTION: Notice.

SUMMARY: The Board of Governors of the Federal Reserve System (Board) established the Community Advisory Council (the "CAC") as an advisory committee to the Board on issues affecting consumers and communities. This Notice advises individuals who wish to serve as CAC members of the opportunity to be considered for the CAC.

ADDRESSES: Individuals who are interested in being considered for the CAC may submit an application via the Board's website or via email. The application can be accessed at <https://www.federalreserve.gov/secure/CAC/Application/>. Emailed submissions can be sent to CCA-CAC@frb.gov. The information required for consideration is described below.

If electronic submission is not feasible, submissions may be mailed to the Board of Governors of the Federal Reserve System, Attn: Community Advisory Council, Mail Stop I-305, 20th Street and Constitution Ave. NW, Washington, DC 20551.

FOR FURTHER INFORMATION CONTACT:

Jennifer Fernandez, Community Development Analyst, Division of Consumer and Community Affairs, Board of Governors of the Federal Reserve System, 20th Street and Constitution Ave. NW, Washington, DC 20551, or (202) 452-2412, or CCA-CAC@frb.gov. Telecommunications Device for the Deaf (TDD) users may contact (202) 263-4869.

SUPPLEMENTARY INFORMATION: The Board created the Community Advisory

Council (CAC) as an advisory committee to the Board on issues affecting consumers and communities. The CAC is composed of a diverse group of experts and representatives of consumer and community development organizations and interests, including from such fields as affordable housing, community and economic development, employment and labor, financial services and technology, small business, and asset and wealth building. CAC members meet semiannually with the members of the Board in Washington, DC to provide a range of perspectives on the economic circumstances and financial services needs of consumers and communities, with a particular focus on the concerns of low- and moderate-income consumers and communities. The CAC complements two of the Board's other advisory councils—the Community Depository Institutions Advisory Council (CDIAC) and the Federal Advisory Council (FAC)—whose members represent depository institutions.

The CAC serves as a mechanism to gather feedback and perspectives on a wide range of policy matters and emerging issues of interest to the Board of Governors and aligns with the Federal Reserve's mission and current responsibilities. These responsibilities include, but are not limited to, banking supervision and regulatory compliance (including the enforcement of consumer protection laws), systemic risk oversight and monetary policy decision-making, and, in conjunction with the Office of the Comptroller of the Currency (OCC) and Federal Deposit Insurance Corporation (FDIC), responsibility for implementation of the Community Reinvestment Act (CRA).

This Notice advises individuals of the opportunity to be considered for appointment to the CAC. To assist with the selection of CAC members, the Board will consider the information submitted by the candidate along with other publicly available information that it independently obtains.

Council Size and Terms

The CAC consists of at least 15 members. The Board will select members in the fall of 2020 to replace current members whose terms will expire on December 31, 2020. The newly appointed members will serve three-year terms that will begin on January 1, 2021. If a member vacates the CAC before the end of the three-year term, a replacement member will be appointed to fill the unexpired term.

Candidates may submit applications by one of three options:
