SUPPLEMENTARY INFORMATION:

Background

On October 1, 2019, Commerce published a notice of opportunity to request an administrative review of the antidumping duty order on steel concrete reinforcing bar (rebar) from Taiwan for the period October 1, 2018, through September 30, 2019.¹ On October 31, 2019, the petitioner² filed a timely request for review with respect to Power Steel Co., Ltd. (Power Steel).³ No other review requests were submitted. Based on the petitioner's request, on December 11, 2019, in accordance with section 751(a) of the Tariff Act of 1930, as amended (the Act), and 19 CFR 351.213(b), Commerce published in the **Federal Register** a notice of initiation of an administrative review of Power Steel for the October 1, 2018, through September 30, 2019 POR.⁴ On March 10, 2020, the petitioner submitted a timely withdrawal of its review request of Power Steel in this administrative review of the antidumping duty order on rebar from Taiwan.⁵

day deadline, and no other party requested an administrative review of the antidumping duty order. As such, Commerce is in receipt of a timely request for withdrawal of this administrative review with respect to the sole company for which a review was requested and for which this review was initiated, Power Steel.⁶

Accordingly, we are rescinding the administrative review of the antidumping duty order on rebar from Taiwan for the period October 1, 2018, through September 30, 2019, in its entirety.

Assessment

Commerce will instruct U.S. Customs and Border Protection (CBP) to assess antidumping duties on all appropriate entries of rebar from Taiwan at rates equal to the cash deposit of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(1)(i). Commerce intends to issue appropriate assessment instructions to CBP 15 days after the publication of this notice in the **Federal Register**.

Notification to Importers

This notice serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping and/or countervailing duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of the antidumping and/or countervailing duties occurred and the subsequent assessment of doubled antidumping duties.

Notification Regarding Administrative Protective Order

This notice serves as a final reminder to parties subject to administrative protective order (APO) of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305, which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.

This notice is issued and published in accordance with section 751(a)(1) and

777(i)(1) of the Act and 19 CFR 351.213(d)(4).
