

resulting from arbitration proceedings carried out under this section, upon objection by FEMA or the Company, shall be inadmissible as evidence in any subsequent proceedings in any court of competent jurisdiction.

This Article shall indefinitely succeed the term of this Arrangement.

Article VIII. Errors and Omissions

A. In the event of negligence by the Company that has not resulted in litigation but has resulted in a claim against the Company, FEMA will not consider reimbursement of the Company for costs incurred due to that negligence unless the Company takes all reasonable actions to rectify the negligence and to mitigate any such costs as soon as possible after discovery of the negligence. The Company may choose not to seek reimbursement from FEMA.

B. If the Company has made a claim payment to an insured without including a mortgagee (or trustee) of which the Company had actual notice prior to making payment, and subsequently determines that the mortgagee (or trustee) is also entitled to any part of said claim payment, any additional payment may not be paid by the Company from any portion of the premium and any funds derived from any Federal letter of credit deposited in the bank account described in Article III.E.1. In addition, the Company agrees to hold the Federal Government harmless against any claim asserted against the Federal Government by any such mortgagee (or trustee), as described in the preceding sentence, by reason of any claim payment made to any insured under the circumstances described above.

Article IX. Officials Not To Benefit

No Member or Delegate to Congress, or Resident Commissioner, may be admitted to any share or part of this Arrangement, or to any benefit that may arise therefrom; but this provision may not be construed to extend to this Arrangement if made with a corporation for its general benefit.

Article X. Offset

At the settlement of accounts, the Company and FEMA have, and may exercise, the right to offset any balance or balances, whether on account of premiums, commissions, losses, loss adjustment expenses, salvage, or otherwise due one party to the other, its successors or assigns, hereunder or under any other Arrangements heretofore or hereafter entered into between the Company and FEMA. This right of offset shall not be affected or

diminished because of insolvency of the Company.

All debts or credits of the same class, whether liquidated or unliquidated, in favor of or against either party to this Arrangement on the date of entry, or any order of conservation, receivership, or liquidation, shall be deemed to be mutual debts and credits and shall be offset with the balance only to be allowed or paid. No offset shall be allowed where a conservator, receiver, or liquidator has been appointed and where an obligation was purchased by or transferred to a party hereunder to be used as an offset.

Although a claim on the part of either party against the other may be unliquidated or undetermined in amount on the date of the entry of the order, such claim will be regarded as being in existence as of the date of such order and any credits or claims of the same class then in existence and held by the other party may be offset against it.

Article XI. Equal Opportunity

The Company shall not discriminate against any applicant for insurance because of race, color, religion, sex, age, handicap, marital status, or national origin.

Article XII. Access to Books and Records

A. FEMA, the Department of Homeland Security, and the Comptroller General of the United States, or their duly authorized representatives, for the purpose of investigation, audit, and examination shall have access to any books, documents, papers and records of the Company that are pertinent to this Arrangement. The Company shall keep records that fully disclose all matters pertinent to this Arrangement, including premiums and claims paid or payable under policies issued pursuant to this Arrangement. Records of accounts and records relating to financial assistance shall be retained and available for three (3) years after final settlement of accounts, and to financial assistance, three (3) years after final adjustment of such claims. FEMA shall have access to policyholder and claim records at all times for purposes of the review, defense, examination, adjustment, or investigation of any claim under a flood insurance policy subject to this Arrangement.

FEMA, to the extent permitted by law and regulation, will safeguard and treat information submitted or made available by the Company pursuant to this Arrangement as confidential where the information has been marked "confidential" by the Company and the

Company customarily keeps such information private or closely-held. To the extent permitted by law and regulation, FEMA will not release such information to the public pursuant to a Freedom of Information Act (FOIA) request, 5 U.S.C. 552, without prior notification to the Company. FEMA may transfer documents provided by the Company to any department or agency within the Executive Branch or to either house of Congress if the information relates to matters within the organization's jurisdiction. FEMA may also release the information submitted pursuant to a judicial order from a court of competent jurisdiction.

Article XIII. Compliance With Act and Regulations

This Arrangement and all policies of insurance issued pursuant thereto are subject to Federal law and regulations.

Article XIV. Relationship Between the Parties and the Insured

Inasmuch as the Federal Government is a guarantor hereunder, the primary relationship between the Company and the Federal Government is one of a fiduciary nature, that is, to assure that any taxpayer funds are accounted for and appropriately expended. The Company is a fiscal agent of the Federal Government, but is not a general agent of the Federal Government. The Company is solely responsible for its obligations to its insured under any policy issued pursuant hereto, such that the Federal Government is not a proper party to any lawsuit arising out of such policies.
