(4) a company specific risk factor or factors explaining the impact, if material, of COVID-19 on its business; and

(5) if the reason the subject report cannot be filed timely relates to the inability of any person, other than the registrant, to furnish any required opinion, report or certification, the Form 8-K or Form 6-K shall have attached as an exhibit a statement signed by such person stating the specific reasons why such person is unable to furnish the required opinion, report or certification on or before the date such report must be filed.

III. Furnishing of Proxy and Information Statements

We also believe that relief is warranted for those seeking to comply with the requirements of Exchange Act Sections 14(a) and (c) and Regulations 14A and 14C and Exchange Act Rule 14f-1 thereunder to furnish materials to security holders when mail delivery is not possible, and that the following exemption is necessary and appropriate in the public interest and consistent with the protection of investors.

Accordingly, *it is ordered*, pursuant to Section 36 of the Exchange Act, that a registrant or any other person is exempt from the requirements of the Exchange Act and the rules thereunder to furnish proxy statements, annual reports, and other soliciting materials, as applicable (the "Soliciting Materials"), and the requirements of the Exchange Act and the rules thereunder to furnish information statements and annual reports, as applicable (the "Information Materials"), where the conditions below are satisfied.

Conditions

(a)(1) The registrant's security holder has a mailing address located in an area

where, as a result of COVID-19, the common carrier has suspended delivery service of the type or class customarily used by the registrant or other person making the solicitation; and

(b) The registrant or other person making a solicitation has made a good faith effort to furnish the Soliciting Materials to the security holder, as required by the rules applicable to the particular method of delivering Soliciting Materials to the security holder, or, in the case of Information Materials, the registrant has made a good faith effort to furnish the Information Materials to the security holder in accordance with the rules applicable to Information Materials.

SECURITIES AND EXCHANGE COMMISSION

[Release No. IC-33824/March 25, 2020]

Order Under Section 6(C) and Section 38(A) of the Investment Company Act of 1940 Granting Exemptions From Specified Provisions of the Investment Company Act and Certain Rules Thereunder; Commission Statement Regarding Prospectus Delivery

On March 13, 2020, in response to the potential effects of coronavirus disease 2019 (COVID-19), the Securities and Exchange Commission (the "Commission") issued an order¹ (the "Original Order") pursuant to its authority under Sections 6(c) and 38(a) of the Investment Company Act of 1940 (the "Investment Company Act" or "Act") granting exemptions from certain provisions of that Act and the rules thereunder. The Commission has been monitoring the effects of COVID-19 and is now extending the exemptions with certain modifications in light of its current understanding of the circumstances. The health and safety of all participants in the securities markets is of paramount importance, and the Commission recognizes that investment companies and other market participants continue to face challenges in meeting the requirements of the federal securities laws addressed in the Original Order in a timely manner. For this reason and the reasons stated in the Original Order, the Commission finds that extending the exemptions, pursuant

to its authority under Sections 6(c) and 38(a) of the Investment Company Act, is necessary and appropriate in the public interest and consistent with the protection of investors and the purposes fairly intended by the policy and provisions of the Investment Company Act, and necessary and appropriate to the exercise of the powers conferred on it by the Investment Company Act. The necessity for prompt action of the Commission does not permit prior notice of the Commission's action. This Order supersedes the Original Order.

As explained in the Original Order, the Commission has heard from industry representatives that COVID-19 is presenting challenges for boards of directors of registered management investment companies and business development companies ("BDCs") to travel in order to meet the in-person voting requirements under the Investment Company Act and rules thereunder. In addition, we recognize that registered management investment companies and unit investment trusts (together, "registered funds") may face challenges if, as a result of COVID-19, personnel of registered fund managers or other third-party service providers that are necessary to prepare these reports become unavailable, or only available on a limited basis, in: (i) Preparing or transmitting annual and semi-annual shareholder reports; and/or (ii) timely filing Forms N-CEN and N-PORT. We also understand that due to recent market movements certain registered closed-end funds ("closed-end funds") and BDCs may seek to call or redeem securities and may face challenges in providing the advance notice required under Rule 23c-2. Finally, we appreciate that there may be difficulties in the timely delivery of registered fund prospectuses. In light of the current situation, we are issuing this Order, which provides the same exemptions from requirements of the Investment Company Act and reiterates our statement regarding prospectus delivery obligations of registered funds but extends the period for which this position is available and updates the associated notice requirements.

I. Time Period for the Exemptive Relief

The time period for the relief specified in this Order is as follows:

- For the relief in Sections II and V of this Order, the relief is limited to the period from (and including) the date of the Original Order to (and including) August 15, 2020.

- For the relief in Sections III and IV of this Order, the relief is limited to filing or transmittal obligations, as applicable, for which the original due

date is on or after the date of the Original Order but on or prior to June 30, 2020.

The Commission intends to continue to monitor the current situation. The time period for any or all of the relief may, if necessary, be extended with any additional conditions that are deemed appropriate, and the Commission may issue other relief as necessary or appropriate.

II. In-Person Board Meeting Requirements for Registered Management Investment Companies and BDCs

It is ordered, pursuant to Sections 6(c) and 38(a) of the Act:

That for the period specified in Section I, a registered management investment company or BDC and any investment adviser of or principal underwriter for such registered management investment company or BDC is exempt from the requirements imposed under sections 15(c) and 32(a) of the Investment Company Act and Rules 12b-1(b)(2) and 15a-4(b)(2)(ii) under the Investment Company Act that votes of the board of directors of either the registered management investment company or BDC be cast in person, provided that:

(i) Reliance on this Order is necessary or appropriate due to circumstances related to current or potential effects of COVID-19;

(ii) the votes required to be cast at an in-person meeting are instead cast at a meeting in which directors may participate by any means of communication that allows all directors participating to hear each other simultaneously during the meeting; and

(iii) the board of directors, including a majority of the directors who are not interested persons of the registered management investment company or BDC, ratifies the action taken pursuant to this exemption by vote cast at the next in-person meeting.

III. Forms N-CEN and N-Port Filing Requirements

In light of our current understanding of the nationwide scope of COVID-19's disruptions to businesses and everyday activities, and the uncertainty as to the duration of these disruptions, we are removing the Original Order's conditions that a registered fund that intends to rely upon the relief must (i) include, in its email correspondence to Commission staff and on its website, a brief description of the reasons why it is unable to file Form N-CEN or Form N-PORT and (ii) provide Commission staff with an estimated date by which it expects to file such report.

Accordingly, *it is ordered*, pursuant to Section 6(c) and 38(a) of the Investment Company Act:

That for the period specified in Section I, a registered fund that is required to file Form N-CEN pursuant to Rule 30a-1 under the Investment Company Act, or Form N-PORT pursuant to Rule 30b1-9 under the Investment Company Act, is temporarily exempt from such form filing requirements where the conditions below are satisfied.

Conditions

(a) The registered fund is unable to meet a filing deadline due to circumstances related to current or potential effects of COVID-19;

(b) Any registered fund relying on this Order promptly notifies the Commission staff via email at *IM-EmergencyRelief@sec.gov* stating that it is relying on this Order;

(c) Any registered fund relying on this Order includes a statement on the applicable registered fund's public website briefly stating that it is relying on this Order;

(d) The registered fund required to file such Form N-CEN or Form N-PORT files such report as soon as practicable, but not later than 45 days after the original due date; and

(e) Any Form N-CEN or Form N-PORT filed pursuant to this Order must include a statement of the filer that it relied on this Order and the reasons why it was unable to file such report on a timely basis.

IV. Transmittal of Annual and Semi-Annual Reports to Investors Required by the Investment Company Act and the Rules Thereunder

In light of our current understanding of the nationwide scope of COVID-19's disruptions to businesses and everyday activities, and the uncertainty as to the duration of these disruptions, we are removing the Original Order's conditions that a registered fund that intends to rely upon the relief must (i) include, in its email correspondence to Commission staff and on its website, a brief description of the reasons why it is unable to file its report on a timely basis, and (ii) provide the Commission staff with an estimated date by which it expects to file such report.

Accordingly, *it is ordered*, pursuant to Sections 6(c) and 38(a) of the Investment Company Act:

That for the period specified in Section I, a registered management investment company is temporarily exempt from the requirements of Section 30(e) of the Investment Company Act and Rule 30e-1

thereunder to transmit annual and semi-annual reports to investors where the conditions below are satisfied; and

For the period specified in Section I, a registered unit investment trust is temporarily exempt from the requirements of Section 30(e) of the Investment Company Act and Rule 30e-2 thereunder to transmit annual and semi-annual reports to unitholders where the conditions below are satisfied.

Conditions

(a) The registered fund is unable to prepare or transmit the report due to circumstances related to current or potential effects of COVID-19;

(b) Any registered fund relying on this Order promptly notifies Commission staff via email at *IM-EmergencyRelief@sec.gov* stating that it is relying on this Order;

(c) Any registered fund relying on this Order includes a statement on the applicable registered fund's public website briefly stating that it is relying on this Order; and

(d) The registered fund transmits the reports to shareholders as soon as practicable, but not later than 45 days after the original due date and files the report within 10 days of its transmission to shareholders.

V. Timing of Filing Form N-23C-2 With the Commission Required by the Investment Company Act and the Rules Thereunder

In light of our current understanding of the nationwide scope of COVID-19's disruptions to businesses and everyday activities, and the uncertainty as to the duration of these disruptions, we are removing the Original Order's conditions that a closed-end fund or BDC that intends to rely upon the relief must include, in its email correspondence to Commission staff, a brief description of the reasons why it needs to file a Notice fewer than 30 days in advance of the date set by the closed-end fund or BDC, as applicable, for calling or redeeming the securities of which it is the issuer.

Accordingly, *it is ordered*, pursuant to Section 6(c) and 38(a) of the Investment Company Act:

That for the period specified in Section I, closed-end funds and BDCs are temporarily exempt from the requirement to file with the Commission notices of their intention to call or redeem securities at least 30 days in advance under Sections 23(c) and 63, as applicable, of the

Investment Company Act and Rule 23c-2 thereunder if such company files a Form N-23C-2 ("Notice") with the

Commission fewer than 30 days prior to, including the same business day as, the company's call or redemption of securities of which it is the issuer where the conditions below are satisfied:

Conditions

(a) The closed-end fund or BDC ("Company") relying on this Order:

(1) Promptly notifies Commission staff via email at IM-EmergencyRelief@sec.gov stating that it is relying on this Order;

(2) ensures that the filing of the Notice on an abbreviated time frame is permitted under relevant state law and the Company's governing documents; and

(3) files a Notice that contains all the information required by Rule 23c-2 prior to:

a. Any call or redemption of existing securities;

b. the commencement of any offering of replacement securities; and

c. providing notification to the existing shareholders whose securities are being called or redeemed.

VI. Commission Statement Regarding Prospectus Delivery

The Commission takes the position that it would not provide a basis for a Commission enforcement action if a registered fund does not deliver to investors the current prospectus of the registered fund where the prospectus is not able to be timely delivered because of circumstances related to COVID-19 and delivery was due during the limited period specified below, provided that the sale of shares to the investor was not an initial purchase by the investor of shares of the registered fund and:

(1) The registered fund:

(a) Notifies Commission staff via email at IM-EmergencyRelief@sec.gov stating that it is relying on this Commission position;

(b) Publishes on its public website that it intends to rely on the Commission position; and

(c) Publishes its current prospectus on its public website; and

(2) Delivery was originally required on or after the date of this Order but on or prior to June 30, 2020, and the prospectus is delivered to investors as soon as practicable, but not later than 45 days after the date originally required.

In light of our current understanding of the nationwide scope of COVID-19's disruptions to businesses and everyday activities, and the uncertainty as to the duration of these disruptions, we are modifying our previous position that a registered fund that intends to rely upon this relief must (i) include, in its email correspondence to Commission staff and

on its website, a brief description of the reasons why it or any other person required could not deliver the prospectus to investors on a timely basis, and (ii) provide the Commission staff with an estimated date by which it expects the prospectus to be delivered.

By the Commission.

Secretary.
