### SUPPLEMENTARY INFORMATION:

*Title:* Pre-sale Availability of Written Warranty Terms (Pre-Sale Availability Rule or Rule), 16 CFR 702.

*OMB Control Number:* 3084-0112.

*Type of Review:* Extension of a currently approved collection.

*Abstract:* On December 31, 2019, the FTC sought public comment on the information collection requirements associated with the Rule. 84 FR 72362. No germane comments were received.<sup>1</sup> Pursuant to the OMB regulations, 5 CFR part 1320, that implement the PRA, 44 U.S.C. 3501 *et seq.*, the FTC is providing this second opportunity for public comment while seeking OMB approval to renew the pre-existing clearance for the Rule.

The Pre-sale Availability Rule, 16 CFR 702, is one of three rules<sup>2</sup> that the FTC issued as required by the Magnuson Moss Warranty Act, 15 U.S.C. 2301 *et seq.* (Warranty Act or Act).<sup>3</sup> This Rule requires sellers and warrantors to make the text of any written warranty on a consumer product costing more than \$15 available to the consumer before sale. Among other things, the Rule requires sellers to make the text of the warranty readily available either by (1) displaying it in close proximity to the product or (2) furnishing it on request and posting signs in prominent locations advising consumers that the warranty is available. The Rule requires warrantors to provide materials to enable sellers to comply with the Rule's requirements and also sets out the methods by which warranty information can be made available before the sale if the product is sold through catalogs, mail order, or door to door sales. In addition, in 2016, the FTC revised the Rule to allow warrantors to post warranty terms on internet websites if they also provide a non-internet based method for consumers to obtain the warranty terms and satisfy certain other conditions. The revised Rule also allows certain sellers to display warranty terms pre-sale in an electronic format if the warrantor has used the online method of disseminating warranty terms.

*Likely Respondents:* Manufacturers and retailers of consumer products.

<sup>1</sup> The Commission received nine non-germane comments.

<sup>2</sup> The other two rules relate to the information that must appear in a written warranty on a consumer product costing more than \$15 if a warranty is offered and minimum standards for informal dispute settlement mechanisms that are incorporated into a written warranty.
