

such request to determine if confidential treatment is appropriate and will inform the respondent if the request for confidential treatment has been denied.

To the extent the instructions to the FR Y-9C, FR Y-9LP, FR Y-9SP, and FR Y-9ES reports each respectively direct the financial institution to retain the workpapers and related materials used in preparation of each report, such material would only be obtained by the Board as part of the examination or supervision of the financial institution. Accordingly, such information is considered confidential pursuant to exemption 8 of the FOIA (5 U.S.C. 552(b)(8)). In addition, the workpapers and related materials may also be protected by exemption 4 of the FOIA, to the extent such financial information is treated as confidential by the respondent (5 U.S.C. 552(b)(4)).

Board of Governors of the Federal Reserve System.

Ann Misback,

Secretary of the Board.

[Notice-MA-2020-03; Docket No. 2020-0002, Sequence No. 10]

Premium Class Transportation Reporting Requirements

AGENCY: Office of Government-wide Policy (OGP), General Services Administration (GSA).

ACTION: Notice of Federal Travel Regulation (FTR) Bulletin 20-05, premium class transportation reporting requirements.

SUMMARY: GSA is publishing the reporting requirements for the use of other than coach class, also known as “premium class” transportation by Government employees on official travel. This bulletin also clarifies which accommodations are not considered premium class, and are therefore not reportable. This information will be available in FTR Bulletin 20-05, which can be found on GSA’s website at <https://gsa.gov/ftrbulletins>.

DATES: Applicability date: March 31, 2020. This notice applies to all official travel and relocation and remains in effect until superseded or cancelled.

FOR FURTHER INFORMATION CONTACT: For clarification of content, please contact Ms. Cheryl D. McClain-Barnes, Program Analyst, Office of Government-wide Policy, Office of Asset and Transportation Management, at 202-208-4334, or by email at travelpolicy@gsa.gov. Please cite Notice of FTR Bulletin 20-05.

SUPPLEMENTARY INFORMATION:

The FTR requires Government travelers to use coach class

accommodations, unless they have an authorized exception to use the lowest class of premium class transportation required to meet their needs and accomplish the mission. Federal agencies must report the authorized use and payment of premium class transportation while on official travel when the cost is more expensive than comparable coach class accommodations for the same itinerary. Changes in the airline industry such as the creation of classes that are in between coach and business classes has prompted agencies to request clarity in premium class reporting requirements. FTR Bulletin 20-05 provides the guidance needed to promote consistent reporting on the use of premium class transportation used for official temporary duty and relocation travel.

Jessica Salmoiraghi,

Associate Administrator, Office of Government-wide Policy.

Notice of Availability of the Revised Draft Environmental Impact Statement for the Expansion and Modernization of the San Luis I Land Port of Entry, San Luis, Arizona

AGENCY: Public Building Service (PBS), General Services Administration (GSA).

ACTION: Notice of availability.

SUMMARY: This notice announces the availability, and opportunity for public review and comment, of the revised Draft Environmental Impact Statement (DEIS), which analyzes the potential environmental impacts of a proposal by the General Services Administration (GSA) to expand and modernize the San Luis I Land Port of Entry (LPOE) located in San Luis, Arizona along the U.S.-Mexico international border. During the draft EIS review period in April 2019, multiple comments were received, including one comment which identified a new alternative to be included in the analysis. Therefore, GSA determined that the Draft EIS would be re-released for public review that includes the new alternative. The revised DEIS describes the project purpose and need, the alternatives being considered, and the potential impacts of each alternative on the existing environment. As the lead agency for this undertaking, GSA is acting on behalf of
