Certain Uncoated Paper From Brazil: Preliminary Results of Administrative Review of the Antidumping Duty Order; 2018-2019

AGENCY: Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce.

SUMMARY: The Department of Commerce (Commerce) preliminarily finds that sales of certain uncoated paper (uncoated paper) from Brazil were made at less than normal value during the period of review (POR) March 1, 2018 through February 28, 2019. We invite interested parties to comment on these preliminary results.

DATES: Applicable April 1, 2020.

FOR FURTHER INFORMATION CONTACT: Jerry Huang or Justin Neuman, AD/CVD Operations, Office V, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-4047 or (202) 482-0486, respectively.

SUPPLEMENTARY INFORMATION:

Background

On May 29, 2019, Commerce initiated an administrative review of the antidumping duty order on uncoated paper from Brazil in accordance with section 751(a) of the Tariff Act of 1930, as amended (the Act).¹ This review covers two producers/exporters of the subject merchandise: Suzano Papel e Celulose S.A. (Suzano) and International Paper do Brasil Ltda. (IP)/ International Paper Exportadora Ltda. (IPEX) (collectively, International Paper).² For details regarding the events

¹ See *Initiation of Antidumping and Countervailing Duty Administrative Reviews*, 84 FR 24743 (May 29, 2019).

² In the investigation, we determined that IP and IPEX constituted a single entity. Because no interested parties submitted comments on this issue, and in the absence of any new information regarding this finding, Commerce is continuing to find that IP and IPEX are affiliated, pursuant to sections 771(33)(E) and (F) of the Act, and are considered a single entity, pursuant to 19 CFR

that occurred subsequent to the initiation of the review, *see* the Preliminary Decision Memorandum.³

Pursuant to section 751(a)(3)(A) of the Act, Commerce determined that it was not practicable to complete the preliminary results of this review within 245 days and extended the preliminary results by 117 days, until March 27, 2020.⁴

Scope of the Order

The products covered by this order are certain uncoated paper products from Brazil. For a full description of the scope, *see* the Preliminary Decision Memorandum.

Methodology

Commerce is conducting this review in accordance with section 751(a) of the Act. For a full description of the methodology underlying these preliminary results, *see* the Preliminary Decision Memorandum. A list of topics included in the Preliminary Decision Memorandum is included as an appendix to this notice. The Preliminary Decision Memorandum is a public document and is made available to the public via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <https://access.trade.gov>, and is available to all parties in the Central Records Unit, Room B8024 of the main Commerce building. In addition, a complete version of the Preliminary Decision Memorandum is available at <http://enforcement.trade.gov/frn/>. The signed and electronic versions of the Preliminary Decision Memorandum are identical in content.

Preliminary Results of the Review

We preliminarily determine that the following weighted-average dumping margins exist for the respondents for the period March 1, 2018 through February 28, 2019:

³ 351.401(f). *See Certain Uncoated Paper From Brazil: Preliminary Determination of Sales at Less Than Fair Value and Postponement of Final Determination*, 80 FR 52029 (August 27, 2015), and accompanying Preliminary Decision Memorandum at "Affiliation Determinations," unchanged in *Certain Uncoated Paper From Brazil: Final Determination of Sales at Less Than Fair Value*, 81 FR 3115 (January 20, 2016).

Assessment Rates

Upon completion of the final results, Commerce shall determine, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries. If International Paper's or Suzano's weighted-average dumping margin is not zero or *de minimis* (*i.e.*, less than 0.5 percent) in the final results of this review, we will calculate importer-specific *ad valorem* antidumping duty assessment rates based on the ratio of the total amount of dumping calculated for the importer's examined sales to the total entered value of those same sales in accordance with 19 CFR 351.212(b)(1). We will instruct CBP to assess antidumping duties on all appropriate entries covered by this review when the importer-specific assessment rate calculated in the final results of this review is not zero or *de minimis*. If a respondent's weighted-average dumping margin is zero or *de minimis*, we will instruct CBP to liquidate the appropriate entries without regard to antidumping duties. The final results of this review shall be the basis for the assessment of antidumping duties on entries of merchandise covered by the final results of this review and for future deposits of estimated duties, where applicable.⁵

In accordance with Commerce's "automatic assessment" practice, for entries of subject merchandise during the POR produced by International Paper or Suzano for which the companies did not know that the merchandise was destined for the United States, we will instruct CBP to liquidate those entries at the all-others rate if there is no rate for the intermediate company(ies) involved in the transaction.⁶

We intend to issue liquidation instructions to CBP 15 days after publication of the final results of this review.

Cash Deposit Requirements

The following cash deposit requirements will be effective for all

⁶ *See* section 751(a)(2)(C) of the Act.

shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of this administrative review, as provided by section 751(a)(2)(C) of the Act: (1) The cash deposit rates for International Paper and Suzano in the final results of review will be equal to the weighted-average dumping margin established in the final results of this administrative review; (2) for merchandise exported by producers or exporters not covered in this review but covered in a prior segment of the proceeding, the cash deposit rate will continue to be the company-specific rate published for the most recently-completed segment of this proceeding in which they were reviewed; (3) if the exporter is not a firm covered in this review or the original investigation but the producer is, then the cash deposit rate will be the rate established for the most recently completed segment of this proceeding for the producer of the merchandise; (4) the cash deposit rate for all other producers or exporters will continue to be 27.11 percent,⁷ the all-others rate established in the less-than-fair-value investigation. These cash deposit requirements, when imposed, shall remain in effect until further notice.

Disclosure and Public Comment

We intend to disclose the calculations performed to parties within five days after public announcement of the preliminary results.⁸ Pursuant to 19 CFR 351.309(c), interested parties may submit case briefs no later than 30 days after the date of publication of this notice. Rebuttal briefs, limited to issues raised in the case briefs, may be filed not later than seven days after the date for filing case briefs.⁹ Parties who submit case briefs or rebuttal briefs in this proceeding are encouraged to submit with each argument: (1) A statement of the issue, (2) a brief summary of the argument, and (3) a table of authorities.¹⁰ Case and rebuttal briefs should be filed using ACCESS¹¹ and must be served on interested parties.¹² Executive summaries should be limited to five pages total, including footnotes. Notification to Importers

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this POR. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

Notification to Interested Parties

This administrative review and notice are issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Act, and 19 CFR 351.213 and 351.221(b)(4).
