DEPARTMENT OF ENERGY

Federal Energy Regulatory Commission

[Docket No. RP20-767-000]

ConocoPhillips Company, Shell Energy North America (US), L.P., XTO Energy Inc. v. Northern Border Pipeline Company; Notice of Complaint

Take notice that on April 2, 2020, pursuant to Rule 206 of the Rules of Practice and Procedures of the Federal Energy Regulatory Commission (Commission), 18 CFR 385.206 (2019), ConocoPhillips Company, Shell Energy North America (US), L.P., and XTO Energy Inc. (jointly Indicated Shippers or Complainants) filed a formal complaint against Northern Border Pipeline Company, (Northern Border or

Respondent) alleging that Northern Border has entered into a prearranged transaction without complying with the no undue discrimination requirements of the Natural Gas Act and the Commission's regulations. In addition, the Indicated Shippers allege that Northern Border's pre-arranged transaction violated the Commission's policy on reserving unsubscribed capacity for a future expansion project. The Indicated Shippers respectfully request the Commission to: (1) Rescind the pre-arranged transaction; (2) require Northern Border to hold an open season where all interested parties will be on equal footing with respect to the potential transactions; and (3) direct Northern Border to cease from engaging in pre-arranged transactions where the unsubscribed capacity has not been publicly posted as generally available, all as more fully explained in the complaint.

The Complainants certifies that copies of the complaint were served on the contacts listed for Respondent in the Commission's list of Corporate Officials.

Any person desiring to intervene or to protest this filing must file in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211, 385.214). Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a notice of intervention or motion to intervene, as appropriate. The Respondent's answer and all interventions, or protests must be filed on or before the comment date. The Respondent's answer, motions to intervene, and protests must be served on the Complainants.

The Commission strongly encourages electronic filings of comments, protests and interventions in lieu of paper using the eFiling link at <http://www.ferc.gov>. Persons unable to file electronically may mail similar pleadings to the Federal Energy Regulatory Commission, 888 First Street NE, Washington, DC 20426. Hand delivered submissions in docketed proceedings should be delivered to Health and Human Services, 12225 Wilkins Avenue, Rockville, Maryland 20852.

ENVIRONMENTAL PROTECTION AGENCY

[FRL-10007-71-OMS]

Request for Nominations to the National and Governmental Advisory Committees to the U.S. Representative to the Commission for Environmental Cooperation

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice of Request for Nominations.

SUMMARY: The U.S. Environmental Protection Agency (EPA) is inviting nominations from a diverse range of qualified candidates to be considered for appointment to fill vacancies on the National Advisory Committee (NAC) and the Governmental Advisory Committee (GAC) to the U.S. Representative to the Commission for Environmental Cooperation (CEC). Vacancies on these two committees are expected to be selected by the spring of 2020. Please submit nominations by May 8, 2020. Additional sources may be utilized in the solicitation of nominees.

SUPPLEMENTARY INFORMATION: The National Advisory Committee and the Governmental Advisory Committee advise the EPA Administrator in his capacity as the U.S. Representative to the CEC Council. The Committees are authorized under Articles 17 and 18 of the North American Agreement on Environmental Cooperation (NAAEC). Implementation Act, Public Law 103-182, and as directed by Executive Order 12915, entitled "Federal Implementation of the North American Agreement on Environmental Cooperation." The NAC and GAC are continued under the authority of Executive Order 13889, dated September 27, 2019, and operates under the provisions of the Federal Advisory Committee Act (FACA), 5 U.S.C. App. 2. The Committees are responsible for providing advice to the United States Representative on a wide range of strategic, scientific, technological, regulatory and economic issues related to implementation and further elaboration of the NAAEC. The National Advisory Committee consists of 15 representatives from environmental non-profit groups, business and industry, and educational institutions. The Governmental Advisory Committee consists of 14 representatives from state, local, and tribal governments. Members are appointed by the EPA Administrator for a two-year term. The committees usually meet 3 times per year and the average workload for committee

members is approximately 10 to 15 hours per month. Members serve on the committees in a voluntary capacity.

Although we are unable to provide compensation or an honorarium for your services, you may receive travel and per diem allowances, according to applicable federal travel regulations. EPA is seeking nominations from various sectors, *i.e.*, for the NAC we are seeking nominees from academia, business and industry, and non-governmental organizations; for the GAC we are seeking nominees from state, local and tribal government sectors. Nominees will be considered according to the mandates of FACA, which requires committees to maintain diversity across a broad range of constituencies, sectors, and groups. EPA values and welcomes diversity. In an effort obtain nominations of diverse candidates, EPA encourages nominations of women and men of all racial and ethnic groups. The following criteria will be used to evaluate nominees:

- Professional knowledge of the subjects examined by the committees, including trade & environment issues, the USMCA and ECA, the NAFTA and NAAEC, and the CEC.
- Represent a sector or group involved in trilateral environmental policy issues.
- Senior-level experience in the sectors represented on both committees.
- A demonstrated ability to work in a consensus building process with a wide range of representatives from diverse constituencies.

Nominations must include a resume and a short biography describing the professional and educational qualifications of the nominee, as well as the nominee's current business address, email address, and daytime telephone number. Interested candidates may self-nominate. Anyone interested in being considered for nomination is encouraged to submit their application materials by May 8, 2020. To help the Agency in evaluating the effectiveness of its outreach efforts, please tell us how you learned of this opportunity. Please be aware that EPA's policy is that, unless otherwise prescribed by statute, members generally are appointed for two-year terms.
