Increasing Market and Planning Efficiency and Enhancing Resilience Through Improved Software; Supplemental Notice of Technical Conference

As announced in the Notice of Technical Conference issued on February 14, 2020, the Federal Energy Regulatory Commission staff will convene a technical conference on June 23, 24, and 25, 2020 to discuss opportunities for increasing real-time and day-ahead market efficiency and enhancing the resilience of the bulk power system through improved software. The conference will no longer take place at Commission headquarters as stated in the February 14 Notice but instead will take place virtually via WebEx, with remote participation from both presenters and attendees. Further details on remote attendance and participation will be released prior to the conference.

Attendees must still register through the Commission's website by 5:00 p.m. EST on June 12, 2020.¹ WebEx connections may not be available to those who do not register.

The deadline for speaker nomination submissions has been extended from April 17 to May 1, 2020. Speaker nominations must still be submitted through the Commission's website.²

Staff anticipates facilitating participant questions and discussions of materials presented through WebEx. Details will be released prior to the conference on how such discussions will take place.

[Docket No. OR20–10–000]

Valero MKS Logistics, LLC; Notice of Request for Temporary Waiver

Take notice that on March 31, 2020, Valero MKS Logistics, LLC filed a petition seeking a temporary waiver of the tariff filing and reporting requirements of sections 6 and 20 of the Interstate Commerce Act and parts 341 and 357 of the Commission's regulations, all as more fully explained in the petition.

Any person desiring to intervene or to protest this filing must file in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211 and 385.214). Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a notice of intervention or motion to intervene, as appropriate. Such notices, motions, or protests must be filed on or before the comment date. Anyone filing a motion

to intervene or protest must serve a copy of that document on the Petitioner.

In addition to publishing the full text of this document in the **Federal Register**, the Commission provides all interested persons an opportunity to view and/or print the contents of this document via the internet through the Commission's Home Page (<http://ferc.gov>) using the "eLibrary" link. Enter the docket number excluding the last three digits in the docket number field to access the document. At this time, the Commission has suspended access to the Commission's Public Reference Room, due to the proclamation declaring a National Emergency concerning the Novel Coronavirus Disease (COVID-19), issued by the President on March 13, 2020. For assistance, contact FERC at FERCOnlineSupport@ferc.gov or call toll-free, (886) 208-3676 or TTY, (202) 502-8659.

The Commission strongly encourages electronic filings of comments, protests and interventions in lieu of paper using the "eFiling" link at <http://www.ferc.gov>. Persons unable to file electronically may mail similar pleadings to the Federal Energy Regulatory Commission, 888 First Street NE, Washington, DC 20426.

Hand delivered submissions in docketed proceedings should be delivered to Health and Human Services, 12225 Wilkins Avenue, Rockville, Maryland 20852.

Comment Date: 5:00 p.m. Eastern time on May 1, 2020.

Dated: April 7, 2020..

Hybrid Resources; Notice of Technical Conference

Take notice that Federal Energy Regulatory Commission (Commission) staff will convene a technical conference to discuss technical and market issues prompted by growing interest in projects that are comprised of more than one resource type at the same plant location (hybrid resources). For purposes of this inquiry, we will be focusing on a generation resource and an electric storage resource paired together as a hybrid resource. Commissioners may participate in the technical conference.

The technical conference will be held on Thursday, July 23, 2020 from approximately 9:00 a.m. to 5:00 p.m. Eastern Time. The technical conference will be held either in-person at the Commission's headquarters at 888 First Street NE, Washington, DC 20426 in the Commission Meeting Room (with a WebEx option available) or solely via teleconference (over WebEx). A supplemental notice will be issued prior to the technical conference with further details regarding the agenda and organization, whether it will be held in-person or via teleconference, and if there are changes to the date or time of the technical conference.

Individuals interested in participating as panelists should submit a self-nomination form by 5:00 p.m. on
