Wooden Cabinets and Vanities From China

Determinations

On the basis of the record¹ developed in the subject investigations, the United States International Trade Commission ("Commission") determines, pursuant to the Tariff Act of 1930 ("the Act"), that an industry in the United States is materially injured by reason of imports of wooden cabinets and vanities from China, provided for in subheadings 9403.40.90, 9403.60.80, and 9403.90.70 of the Harmonized Tariff Schedule of the United States, that have been found by the U.S. Department of Commerce ("Commerce") to be sold in the United States at less than fair value ("LTFV"), and to be subsidized by the government of China.

Background

The Commission instituted these investigations effective March 6, 2019, following receipt of petitions filed with the Commission and Commerce by the American Kitchen Cabinet Alliance. The final phase of these investigations was scheduled by the Commission following notification of preliminary determinations by Commerce that imports of wooden cabinets and vanities from China were subsidized within the meaning of section 703(b) of the Act (19 U.S.C. 1671b(b)) and sold at LTFV within the meaning of 733(b) of the Act (19 U.S.C. 1673b(b)). Notice of the scheduling of the final phase of the Commission's investigations and of a public hearing to be held in connection therewith was given by posting copies of the notice in the Office of the Secretary, U.S. International Trade Commission, Washington, DC, and by publishing the notice in the **Federal Register** on October 24, 2019 (84 FR 57050).
