SUPPLEMENTARY INFORMATION: The Commission published notice of institution of the above referenced investigation in the **Federal Register** on September 27, 2019 (84 FR 51178, September 27, 2019). In that notice the Commission stated that it would transmit volume 1 of its report to the USTR by April 30, 2020. However, due to COVID-19 and in accordance with a request on behalf of Ambassador Robert Lighthizer, the U.S. Trade Representative, the Commission will transmit volume 1 of its report to the USTR by June 30, 2020. This notice also corrects an ambiguity in the September 27, 2019 notice by clarifying that written submissions relating to volume 2 of the report should be filed with the Commission by June 5, 2020 (the original notice in one place gave June 3, 2020, as the due date). All other dates pertaining to this investigation remain the same as in the notice published in the **Federal Register** on September 27, 2019.

Written Submissions: In lieu of or in addition to participating in the hearing, the Commission invites interested parties to submit written statements concerning this investigation. All written submissions should be addressed to the Secretary, and should be received no later than 5:15 p.m., June 5, 2020 for matters to be covered by volume 2 of the Commission’s report. All written submissions must conform with the provisions of section 201.8 of the Commission’s *Rules of Practice and Procedure* (19 CFR 201.8). Section 201.8 of the Rules (as further explained in the Commission’s *Handbook on Filing Procedures*) requires that interested parties file documents electronically on or before the filing deadline (see the following paragraph for further information regarding confidential business information or “CBI”). Persons with questions regarding electronic filing should email the Office of the Secretary, Docket Services Division at EDIS3Help@usitc.gov. The Commission has waived the requirement in section 201.8(d)(1) of its rules (19 CFR 201.8(d)(1)) that persons filing written submissions must also file paper copies

of their written submissions by noon of the next day; no paper copies should be filed.

Confidential Business Information (CBI): Any submissions that contain CBI must also conform to the requirements of section 201.6 of the *Commission's Rules of Practice and Procedure* (19 CFR 201.6). Section 201.6 of the Rules requires that the cover of the document and the individual pages be clearly marked as to whether they are the "confidential" or "non-confidential" version, and that the CBI is clearly identified using brackets. The Commission will make all written submissions, except for those (or portions thereof) containing CBI, available for inspection by interested parties.

In his request letter, the USTR stated that his office intends to make the Commission's report available to the public in its entirety and asked that the Commission not include any CBI in the report that it delivers to the USTR.

The Commission will not include any of the CBI submitted in the course of this investigation in the report it sends to the USTR. However, all information, including CBI, submitted in this investigation may be disclosed to and used (i) by the Commission, its employees and Offices, and contract personnel (a) for developing or maintaining the records of this or a related proceeding, or (b) in internal investigations, audits, reviews, and evaluations relating to the programs, personnel, and operations of the Commission, including under 5 U.S.C. Appendix 3; or (ii) by U.S. government employees and contract personnel for cybersecurity purposes. The Commission will not otherwise disclose any CBI in a manner that would reveal the operations of the firm supplying the information.

Summaries of Written Submissions: The Commission intends to publish any summaries of written submissions filed by interested persons. Persons wishing to have a summary of their submission included in the report should include a summary with their written submission, titled "Public Summary," and should mark the summary as having been provided for that purpose. The summary may not exceed 500 words, should be in MSWord format or a format that can be easily converted to MSWord, and should not include any CBI. The summary will be published as provided if it meets these requirements and is germane to the subject matter of the investigation. The Commission will identify the name of the organization furnishing the summary and will include a link to the Commission's

Electronic Document Information System (EDIS) where the full written submission can be found.

On the basis of the record¹ developed in the subject investigations, the United States International Trade Commission ("Commission") determines, pursuant to the Tariff Act of 1930 ("the Act"), that an industry in the United States is materially injured by reason of imports of wooden cabinets and vanities from China, provided for in subheadings 9403.40.90, 9403.60.80, and 9403.90.70 of the Harmonized Tariff Schedule of the United States, that have been found by the U.S. Department of Commerce ("Commerce") to be sold in the United States at less than fair value ("LTFV"), and to be subsidized by the government of China.

Notice of the scheduling of the final phase of the Commission's investigations and of a public hearing to be held in connection therewith was given by posting copies of the notice in the Office of the Secretary, U.S. International Trade Commission, Washington, DC, and by publishing the notice in the **Federal Register** on October 24, 2019 (84 FR 57050).
