

industry's adjustment to import competition.

Therefore, the U.S. Trade Representative has determined that the bifacial exclusion is undermining the objective of the safeguard measure on solar products, does not meet the criteria for a legitimate exclusion, and should be withdrawn. The U.S. Trade Representative has found further and additionally that the findings in the ITC March Report support the conclusion that the bifacial exclusion is undermining the objectives of the safeguard measure.

C. Consultation With Other Government Agencies

As with the initial determination to exclude bifacial solar panels from the safeguard measure, the U.S. Trade Representative consulted with the Secretaries of Commerce and Energy regarding the comments, responses, and supporting evidence received with respect to the January 2020 notice to reach this determination.

SUPPLEMENTARY INFORMATION:

Background

The National Parks Air Tour Management Act of 2000 (the Act) was enacted on April 5, 2000, as Public Law 106-181, and subsequently amended in the FAA Modernization and Reform Act of 2012. The Act required the establishment of the advisory group within one year after its enactment. The NPOAG was established in March 2001. The advisory group is comprised of representatives of general aviation, commercial air tour operators, environmental concerns, and Native American tribes. The Administrator of the FAA and the Director of NPS (or their designees) serve as ex officio members of the group. Representatives of the Administrator and Director serve alternating 1-year terms as chairman of the advisory group.

In accordance with the Act, the advisory group provides "advice, information, and recommendations to the Administrator and the Director—

(1) On the implementation of this title [the Act] and the amendments made by this title;

(2) On commonly accepted quiet aircraft technology for use in commercial air tour operations over a national park or tribal lands, which will receive preferential treatment in a given air tour management plan;

(3) On other measures that might be taken to accommodate the interests of visitors to national parks; and

(4) At the request of the Administrator and the Director, safety, environmental, and other issues related to commercial air tour operations over a national park or tribal lands."

Membership

The current NPOAG is made up of one member representing general aviation, three members representing the commercial air tour industry, four members representing environmental concerns, and two members representing Native American tribes. Members serve three year terms. Current members of the NPOAG are as follows:

Melissa Rudinger representing general aviation; Eric Lincoln representing commercial air tour operators, with two current openings; Robert Randall, Dick Hingson, Les Blomberg, and John Eastman representing environmental interests; and Carl Slater representing Native American tribes, with one current opening. The three-year terms of Mr. Hingson, Mr. Blomberg, and Mr. Eastman expire on September 2, 2020.

Selections

In order to retain balance within the NPOAG, the FAA and NPS are seeking candidates interested in filling the two vacant seats representing commercial air tour operators and the vacant seat representing Native American tribes as well as the three upcoming vacancies representing environmental concerns. The FAA and NPS invite persons interested in these openings on the NPOAG to contact Mr. Keith Lusk (contact information is written above in **FOR FURTHER INFORMATION CONTACT**). Requests to serve on the NPOAG must be made to Mr. Lusk in writing and postmarked or emailed on or before May 15, 2020. Any request to fill one of these seats must describe the requestor's affiliation with commercial air tour operators, environmental concerns, or federally-recognized Native American tribes, as appropriate. The request should also explain what expertise the requestor would bring to the NPOAG as related to issues and concerns with aircraft flights over national parks or tribal lands. The term of service for NPOAG members is 3 years. Members may re-apply for another term.

On August 13, 2014, the Office of Management and Budget issued revised guidance regarding the prohibition against appointing or not reappointing federally registered lobbyists to serve on advisory committees (79 **Federal Register** 47482).

Therefore, before appointing an applicant to serve on the NPOAG, the FAA and NPS will require the prospective candidate to certify that they are not a federally registered lobbyist.

Issued in El Segundo, CA on April 6, 2020.

Keith Lusk,

Program Manager, Special Programs Staff, Western-Pacific Region.
