SUPPLEMENTARY INFORMATION:

I. Abstract

The Patent Trial and Appeal Board (PTAB or Board) is established by statute under 35 U.S.C. 6. This statute directs, in relevant part, that PTAB shall "on written appeal of an applicant, review adverse decisions of examiners upon applications for patents pursuant to section 134(a)." PTAB has the authority, under 35 U.S.C. 134 and 306 to decide appeals in applications and *ex parte* reexamination proceedings, and under pre-AIA sections of the Patent Act, *i.e.*, 35 U.S.C. 134 and 315, to decide appeals in *inter partes* reexamination proceedings. In addition, 35 U.S.C. 6 establishes the membership of PTAB as the Director, the Deputy Director, the Commissioner for Patents, the Commissioner for Trademarks, and the Administrative Patent Judges. Each appeal is decided by a merits panel of at least three members of the Board. The Board's responsibilities under the statute include the review of *ex parte* appeals from adverse decisions of

examiners in those situations where a written appeal is taken by a dissatisfied applicant or patent owner. In *inter partes* reexamination appeals, PTAB reviews examiner's decisions adverse to a patent owner or a third-party requester. PTAB's opinions and decisions for publicly available files are published on the USPTO website.

The items associated with this information collection include appeals in applications and *ex parte* reexamination proceedings, and appeals in *inter partes* reexamination proceedings that are governed by the regulations in 37 CFR 41. Failure to comply with the appropriate regulations may result in dismissal of the appeal or denial of entry of the submission.

The name of this information collection is being changed from "PTAB Actions" to "PTAB Appeals" to better reflect the content of the information collection. In addition, this renewal adds three items currently approved in another information collection (0651-0031: Patent Processing) to include all items related to patent appeals in a single information collection. These three items are: Notice of Appeal, Amendment to Cancel Claims During an Appeal, and Request for Oral Hearing. A separate change request will be submitted to remove these three items from that information collection (0651-0031: Patent Processing).

II. Method of Collection

Items in this information collection may be submitted via mail, hand delivery, facsimile, or filed as attachments through the USPTO's Web-based electronic filing system (EFS-Web).

III. Data

OMB Number: 0651-0063.

Form Number(s): (AIA = American Invents; SB = Specimen Book):

- PTO/AIA/31: (Notice of Appeal from the Examiner to the Patent Trial and Appeal Board).

- PTO/SB/31: (Notice of Appeal).

- PTO/AIA/32: (Request for Oral Hearing before the Patent Trial and Appeal Board).

- PTO/SB/32: (Request for Oral Hearing before the Patent Trial and Appeal Board).

Type of Review: Revision of a currently approved information collection.

Affected Public: Individuals or households; private sector. The USPTO estimates that the majority (95%) of respondents (*i.e.*, applicants, patent

owners, and requesters) will be from the private sector, but that about 5% will be individuals and households.

Estimated Number of Respondents: 22,664 respondents.

Estimated Number of Responses: 48,886 responses.

Estimated Time per Response: The USPTO estimates that it takes the public approximately .5 to 32 hours to complete this information collection, depending on the complexity of the request. This includes the time to gather the necessary information, prepare the brief, petition, and other papers, and submit the completed request to the USPTO.

Estimated Total Annual Respondent Burden Hours: 565,927 hours.

Estimated Total Annual Respondent Cost Burden: \$226,370,800. The USPTO expects that all of the responses in this information collection will be prepared by an intellectual property attorney. The attorney rates are found in the 2019 Report of the Economic Survey of the America Intellectual Property Law Association (AIPLA).¹ Using the professional hourly rate of \$400 for attorneys in private firms, the USPTO estimates that the total respondent cost burden for this information collection is \$226,370,800 per year.
