

burden in accordance with the Paperwork Reduction Act of 1995 (PRA).

DATES: Consideration will be given to all written comments received by June 29, 2020.

ADDRESSES: A copy of this ICR with applicable supporting documentation, including a description of the likely respondents, proposed frequency of response, and estimated total burden, may be obtained free by contacting Delores Ferrell by telephone at 202-693-3183 (this is not a toll-free number), TTY 1-877-889-5627 (this is not a toll-free number) or by email at Ferrell.Delores@dol.gov.

Submit written comments about, or requests for a copy of, this ICR by mail or courier to the U.S. Department of Labor, Employment and Training Administration, Office of Unemployment Insurance, 200 Constitution Avenue NW, Room S-4519, Washington, DC 20210; by email: Ferrell.Delores@dol.gov; or by Fax: 202-693-3975.

FOR FURTHER INFORMATION CONTACT: Delores Ferrell by telephone at 202-693-3183 (this is not a toll-free number) or by email at Ferrell.Delores@dol.gov.

SUPPLEMENTARY INFORMATION: DOL, as part of continuing efforts to reduce paperwork and respondent burden, conducts a pre-clearance consultation program to provide the general public and Federal agencies an opportunity to comment on proposed and/or continuing collections of information before submitting them to the Office of Management and Budget (OMB) for final approval. This program helps to ensure requested data can be provided in the desired format, reporting burden (time and financial resources) is minimized, collection instruments are clearly understood, and the impact of collection requirements can be properly assessed.

SQSP is an approach to the unemployment insurance performance management and planning process that allows for an exchange of information between the Federal and state partners to enhance the ability of the program to reflect the joint commitment to performance excellence and client-centered services. As part of UI Performs, a comprehensive performance management system implemented in 1995 for the UI program, SQSP is the principal vehicle that state UI agencies use to plan, record, and manage program improvement efforts as they strive for excellence in service. SQSP also serves as the state plan for the UI program and serves as the grant document through which states receive Federal UI administrative funding.

SQSP links program performance with the budget and planning process. The Secretary of Labor is authorized to provide funds to administer the UI program and to govern the expenditures of those funds. Social Security Act sections 302, and 303(a)(8) and (9), authorize this information collection.

This information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless it is approved by OMB under the PRA and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information that does not display a valid Control Number. See 5 CFR 1320.5(a) and 1320.6.

Interested parties are encouraged to provide comments to the contact shown in the **ADDRESSES** section. Comments must be written to receive consideration, and they will be summarized and included in the request for OMB approval of the final ICR. In order to help ensure appropriate consideration, comments should mention OMB control number 1205-0132.

Submitted comments will also be a matter of public record for this ICR and posted on the internet, without redaction. DOL encourages commenters not to include personally identifiable information, confidential business data, or other sensitive statements/information in any comments.

DOL is particularly interested in comments that:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Enhance the quality, utility, and clarity of the information to be collected; and
- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, (e.g., permitting electronic submission of responses).

DEPARTMENT OF LABOR

Employment and Training Administration

Employment and Training Administration (ETA) Program Year 2020 Workforce Innovation and Opportunity Act (WIOA) Section 167, National Farmworker Jobs Program Grantee Allotments

AGENCY: Employment and Training Administration, Labor.

ACTION: Notice.

SUMMARY: This Notice announces allotments for Program Year (PY) 2020 for the WIOA Title I Section 167 National Farmworker Jobs Program, as required under Section 182(d) of the Workforce Innovation and Opportunity Act of 2014. The Further Consolidated Appropriations Act, 2020, enacted December 20, 2019, provides \$85,229,000 for formula grants and another \$6,122,000 for migrant and seasonal farmworker housing (of which not less than 70 percent shall be for permanent housing). Another \$545,000 will be set aside for discretionary purposes.

DATES: The PY 2020 National Farmworker Jobs Program allotments become effective for the grant period that begins July 1, 2020.

ADDRESSES: Questions on this notice can be submitted to the Employment and

Training Administration, Office of Workforce Investment, 200 Constitution Ave. NW, Room C4510, Washington, DC 20210, Attention: Laura Ibañez, Unit Chief, (202) 693-3645 or Steven Rietzke, Division Chief at (202) 693-3912, or at NFJP@dol.gov. Individuals with hearing or speech impairments may access the telephone numbers above via TTY by calling the toll-free Federal Information Relay Service at 1-877-889-5627 (TTY-TDD).

SUPPLEMENTARY INFORMATION: This notice is published pursuant to Section 182(d) of the WIOA, Prompt Allotment of Funds.

ETA developed the formula for the purpose of distributing funds geographically by state service area, on the basis of each state service area's relative share of persons eligible for the program. The formula's original methodology was described in a notice published in the **Federal Register** on May 19, 1999 (64 FR 27390). That information is accessible at <https://www.federalregister.gov/>.

Beginning with PY 2018, ETA incorporated two modifications to the allotment formula, with the goal of providing more accurate estimates of each state service area's relative share of persons eligible for the program. The formula also used updated data from each of the four data files serving as the basis of the formula since 1999. The revised formula is available at <https://www.federalregister.gov/documents/2018/07/11/2018-14747/employment-and-training-administration-eta-program-year-py-2018-workforce-innovation-and-opportunity>. Based on the new estimates, the Department of Labor (DOL or Department) instituted a hold-harmless provision for PY 2018 and two following years. The hold-harmless provision is designed to provide a staged transition from old to new funding levels for state service areas and minimize the impact on those states incurring significant change.

I. Background

The Department is announcing final PY 2020 allotments for the National Farmworker Jobs Program (NFJP). This notice provides information on the amount of funds available during PY 2020 to state service areas awarded grants through the PY 2020 Funding Opportunity Announcement (FOA) for the NFJP Career Services and Training grants and Housing grants. The allotments are based on the funds appropriated in the Further Consolidated Appropriations Act, 2020, Public Law 116-94 (from this point forward will be referred to as the "the Act"). In appropriating these funds,

Congress provided \$85,229,000 for Career Services and Training grants; \$6,122,000 for Housing grants; and \$545,000 for discretionary purposes. Included below is the table listing the PY 2020 allotments for the NFJP Career Services and Training grants. Individual grants are awarded for Housing as a result of the grants competition and are further distributed according to language in the appropriations law requiring that of the total amount available, not less than 70 percent shall be allocated to permanent housing activities, leaving not more than 30 percent to temporary housing activities.

II. Description of Data Files and Review of PY 2018 Modifications to the Allotment Formula

As with all state planning estimates since 1999, the PY 2020 estimates are based on four data sources: (1) State-level, 2012 hired farm labor expenditure data from the United States Department of Agriculture's (USDA) Census of Agriculture (COA); (2) regional-level, 2012 average hourly earnings data from the USDA's Farm Labor Survey; (3) regional-level, 2006-2014 demographic data from the ETA's National Agricultural Workers Survey (NAWS); and, (4) 2010-2014 (5-year file) Lower Living Standard Income Level data from the United States Census Bureau's American Community Survey. A detailed description of how each data source is used within the formula is in the May 19, 1999 FR (pages 27396 to 27399).

Two modifications were incorporated into the formula in PY 2018, and the formula for PY 2020 retains those modifications. Additional information regarding these modifications is located in the May 23, 2018 FR 83 (pages 23937 to 23940) and the July 11, 2018 FR 83 (pages 32151 to 32155).

III. Description of the Hold-Harmless Provision

For PY 2020, the Department will continue the hold-harmless provision to the allotment formula in order to allow a staged transition from the application of the previous formula to the modified formula. The hold-harmless provision provides for a stop loss/stop gain limit to transition to the use of the updated data. Due to the length of time between updates, there were significant changes for a few states, necessitating the stop loss/stop gain approach. This approach is based on a state service area's previous year's allotment percentage share, which is its relative share of the total formula allotments. The staged transition of the hold-harmless

provision was implemented specifically as follows:

(1) In PY 2018, state service areas received an amount equal to 95 percent of their PY 2017 allotment percentage share, as applied to the PY 2018 formula funds available;

(2) In PY 2019, state service areas received an amount equal to 90 percent of their PY 2018 allotment percentage share, as applied to the PY 2019 formula funds available;

(3) In PY 2020, state service areas will receive an amount equal to at least 85 percent of their PY 2019 allotment percentage share, as applied to the PY 2020 formula funds available.

In PY 2019 and 2020, the hold-harmless provision also provides that no state service area will receive an amount that is more than 150 percent of their previous year's allotment percentage share.

In PY 2021, since the Department has a responsibility to use the most current and reliable data available, amounts for the new awards will be based on updated data from the sources described in Section II, pending their availability. At that time, the Department will determine whether the changes to state allotments are significant enough to warrant another hold-harmless provision. Otherwise, allotments to each state service area will be for an amount resulting from a direct allotment of the proposed funding formula without adjustment.

IV. Minimum Funding Provisions

A state area which would receive less than \$60,000 by application of the formula will, at the option of the DOL, receive no allotment or, if practical, be combined with another adjacent state area. Funding below \$60,000 is deemed insufficient for sustaining an independently administered program. However, if practical, a state jurisdiction which would receive less than \$60,000 may be combined with another adjacent state area.

V. Program Year 2020 State Allotments

For PY 2020, ETA based estimated funding on the funding levels provided in the Act for the migrant and seasonal farmworker program, of which \$85,229,000 was allotted to Career Services and Training grants and \$6,122,000 was allotted to Housing grants on the basis of the formula. The state service area allotment table shows the application of the third-year (85 percent) hold-harmless and minimum funding provisions versus what was allotted in PY 2019, followed by the difference in dollar amounts from PY

2019, and the total percentage change
(positive or negative).

DEPARTMENT OF LABOR**Office of the Secretary****Agency Information Collection Activities; Submission for OMB Review; Comment Request; Aerial Lifts Standard****ACTION:** Notice of availability; request for comments.

SUMMARY: The Department of Labor (DOL) is submitting this Occupational Safety and Health Administration (OSHA)-sponsored information collection request (ICR) to the Office of Management and Budget (OMB) for review and approval in accordance with the Paperwork Reduction Act of 1995 (PRA). Public comments on the ICR are invited.

DATES: The OMB will consider all written comments that agency receives on or before May 29, 2020.

ADDRESSES: Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to www.reginfo.gov/public/do/PRAMain. Find this particular information collection by selecting “Currently under 30-day Review—Open for Public Comments” or by using the search function.

Comments are invited on: (1) Whether the collection of information is necessary for the proper performance of the functions of the Department, including whether the information will have practical utility; (2) if the information will be processed and used in a timely manner; (3) the accuracy of the agency’s estimates of the burden and cost of the collection of information, including the validity of the methodology and assumptions used; (4) ways to enhance the quality, utility and clarity of the information collection; and (5) ways to minimize the burden of the collection of information on those who are to respond, including the use of automated collection techniques or other forms of information technology.

FOR FURTHER INFORMATION CONTACT: Frederick Licari by telephone at 202-693-8073, TTY 202-693-8064, (these are not toll-free numbers) or by email at DOL_PRA_PUBLIC@dol.gov.

SUPPLEMENTARY INFORMATION: Employers who modify an aerial lift for uses other than those provided by the manufacturer must obtain a certificate from the manufacturer or equivalent entity certifying that the modification is

in conformance with applicable ANSI standards and that the equipment is as safe as it was prior to the modification. For additional substantive information about this ICR, see the related notice published in the **Federal Register** on February 26, 2020 (85 FR 11110).

This information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless the OMB approves it and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information that does not display a valid OMB Control Number. See 5 CFR 1320.5(a) and 1320.6.

DOL seeks PRA authorization for this information collection for three (3) years. OMB authorization for an ICR cannot be for more than three (3) years without renewal. The DOL notes that information collection requirements submitted to the OMB for existing ICRs receive a month-to-month extension while they undergo review.
