

Food and Nutrition Service

Title: Modernizing Channels of Communication with SNAP Participants.

OMB Control Number: 0584-NEW.

Summary of Collection: Section 17 [7 U.S.C. 2026] (a)(1) of the Food and Nutrition Act of 2008, as amended, provides general legislative authority for the planned data collection. It authorizes the Secretary of Agriculture to enter into contracts with private institutions to undertake research that will help improve the administration and effectiveness of Supplemental Nutrition Assistance Program (SNAP) agencies in delivering nutrition-related benefits.

The primary purpose of the study is to highlight best practices and lessons learned from various mobile communication strategies (MCS) implemented by State SNAP agencies. This examination will help FNS and States improve communication and identify best practices that lead to improved program outcomes.

Need and Use of the Information: Food and Nutrition Service (FNS) needs this study to determine best practices and lessons learned from various mobile communication strategies MCS tested and implemented by State SNAP agencies. This information will be used to help FNS and States improve communication and identify best practices that lead to improved program outcomes. This data will provide information on States' and program recipients' use of MCS and client satisfaction with and perspectives of MCS.

Description of Respondents: 336 Individuals or households; 30 Business-for-or-not for-profit organizations; 67 State, Local or Tribal Government.

Number of Respondents: 433.

Frequency of Responses: Reporting: Once.
