¹² See Notice, *supra* note 4, at 6668-69. On February 12, 2020, the Participants submitted a request for exemptive relief from the requirement in Sections 6.4(d)(ii)(A)(2) and (B) of the CAT NMS Plan to require Industry Members to record and report, if an order is executed, the SRO-Assigned Market Participant Identifier of the clearing broker, and if a trade is cancelled, the cancelled trade indicator. See Letter to Vanessa Countryman, Secretary, SEC, from Michael Simon, CAT NMS Plan Operating Committee Chair, re: Request for Exemption from Certain Provisions of the National Market System Plan Governing the Consolidated Audit Trail related to FINRA Facility Data Linkage (Feb. 12, 2020). If granted, the exemptive relief would revise CAT reporting requirements regarding cancelled trades and SRO-Assigned Market Participant Identifiers of clearing brokers, if applicable, in connection with order executions, as such information would be available from FINRA's trade reports submitted to CAT.

¹³ See Notice, *supra* note 4, at 6669. On February 3, 2020, the Participants filed a request for exemptive relief from the current CAT NMS Plan requirement to record and report Industry Member Data with time stamps consistent with their system, a requirement from which the Exchange requests an exemption. On April 8, 2020, the Commission granted the exemptive relief for timestamp granularity. See Securities Exchange Act Release No. 88608 (April 8, 2020), 85 FR 20743 (April 14, 2020).

¹⁵ See Notice, *supra* note 4, at 6669-70. requirements so Industry Members would not be required to report to the Central Repository dates of birth, social security numbers, or account numbers for individuals.¹⁶

The Exchange also proposes to amend the Exchange's Compliance Rule to facilitate the retirement of certain existing regulatory systems, specifically the Financial Industry Regulatory Authority, Inc.'s ("FINRA") Order Audit Trail System, by adding additional data elements to the CAT reporting requirements for Industry Members,¹⁷ additional reporting requirements for alternative trading systems,¹⁸ and additional data elements related to OTC Equity Securities¹⁹ that FINRA currently receives from alternative trading systems that trade OTC Equity Securities.²⁰

III. Proceedings To Determine Whether To Approve or Disapprove the Proposed Rule Change

The Commission is instituting proceedings pursuant to Section 19(b)(2)(B) of the Act²¹ to determine whether the proposed rule change should be approved or disapproved. Institution of proceedings does not indicate that the Commission has reached any conclusions with respect to

circumstances in which an Industry Member uses an established trading relationship for the individual customer. Instead, the Participant would require Industry Members to record and report to the Central Repository for the original receipt or origination of an order: (i) The relationship identifier instead of the account number, (ii) the "account type" as a "relationship", and (3) the account effective date instead of the "date account opened." See Letter to Vanessa Countryman, Secretary, SEC, from Michael Simon, CAT NMS Plan Operating Committee Chair, re: Request for Exemption from Certain Provisions of the National Market System Plan Governing the Consolidated Audit Trail related to Granularity of Timestamps and Relationship Identifiers (Feb. 3, 2020).

¹⁶ See Notice, *supra* note 4, at 6670. The Participants requested and have received exemptive relief from the requirement of Section 6.4(d)(ii)(C) of the CAT NMS Plan for the Participants, in their Compliance Rules, to require their members to provide dates of birth, account numbers and social security numbers for individuals to the CAT. ¹⁹ OTC Equity Security, as defined in the CAT NMS Plan, means any equity security, other than an NMS Security, subject to prompt last sale reporting rules of a registered national securities association and reported to one of such association's equity trade reporting facilities. any of the issues involved. Rather, the Commission seeks and encourages interested persons to provide additional comment on the proposed rule change to inform the Commission's analysis of whether to approve or disapprove the proposed rule change.

Pursuant to Section 19(b)(2)(B) of the Act,²² the Commission is providing notice of the grounds for possible disapproval under consideration. The Commission is instituting proceedings to allow for additional analysis of the proposed rule change's consistency with Section 6(b)(5) of the Act,²³ which requires, among other things, that the rules of a national securities exchange be "designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade," and "to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest."²⁴ The Commission believes that several of the proposed rule changes are not consistent with the CAT NMS Plan or exemptive relief that has been granted as of the date of this Order.

IV. Commission's Solicitation of Comments

The Commission requests that interested persons provide written submissions of their views, data, and arguments with respect to the issues identified above, as well as any other concerns they may have with the proposal. In particular, the Commission invites the written views of interested persons concerning whether the proposal is consistent with Section 6(b)(5)²⁵ or any other provision of the Act, or the rules and regulations thereunder. Although there do not appear to be any issues relevant to approval or disapproval that would be facilitated by an oral presentation of views, data, and arguments, the Commission will consider, pursuant to Rule 19b–4 under the Act,²⁶ any request for an opportunity to make an oral presentation.²⁷
