Notice Pursuant to the National Cooperative Research and Production Act of 1993—National Fire Protection Association

Notice is hereby given that, on April 7, 2020, pursuant to Section 6(a) of the National Cooperative Research and Production Act of 1993, 15 U.S.C. 4301 *et seq.* (“the Act”), National Fire Protection Association (“NFPA”) has filed written notifications simultaneously with the Attorney General and the Federal Trade Commission disclosing additions or changes to its standards development activities. The notifications were filed for the purpose of extending the Act’s provisions limiting the recovery of antitrust plaintiffs to actual damages under specified circumstances. Specifically, NFPA has provided an updated and current list of its standards development activities, related technical committee and conformity assessment activities. Information concerning NFPA regulations, technical committees, current standards, standards development and conformity assessment activities are publicly available at nfpa.org.

On September 20, 2004, NFPA filed its original notification pursuant to Section 6(a) of the Act. The Department of Justice published a notice in the **Federal Register** pursuant to Section 6(b) of the Act on October 21, 2004 (69 FR 61869).

The last notification was filed with the Department on January 6, 2020. A notice was published in the **Federal Register** pursuant to Section 6(b) of the Act on January 30, 2020 (84 FR 55585).

Suzanne Morris,

Chief, Premerger and Division Statistics, Antitrust Division.
