Barium Carbonate From the People's Republic of China: Final Results of the Expedited Third Sunset Review of the Antidumping Duty Order

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (Commerce) finds that revocation of the antidumping duty order on barium carbonate from the People's Republic of China (China) would be likely to lead to continuation or recurrence of dumping at the levels indicated in the "Final Results of Sunset Review" section of this notice.

DATES: Applicable May 5, 2020.

FOR FURTHER INFORMATION CONTACT: Eliza Siordia, AD/CVD Operations, Office V, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-3878.

SUPPLEMENTARY INFORMATION:

Background

On October 1, 2003, Commerce published the *Order* on barium carbonate from China.¹ On January 2, 2019, Commerce published the notice of

initiation of the five-year sunset review of the *Order*, pursuant to section 751(c) of the Tariff Act of 1930, as amended (the Act).² On January 13, 2020, Commerce received a notice of intent to participate in this review from Chemical Products Corporation (CPC) within the deadline specified in 19 CFR 351.218(d)(1)(i).³ CPC claimed interested party status under section 771(9)(C) of the Act as a manufacturer of a domestic like product in the United States. On January 29, 2020, CPC provided a complete substantive response for this review within the 30-day deadline specified in 19 CFR 351.218(d)(3)(i).⁴ We received no substantive responses from any other interested parties, nor was a hearing requested. On February 25, 2020, Commerce notified the U.S. International Trade Commission (ITC) that it did not receive an adequate substantive response from respondent interested parties.⁵ As a result, pursuant to section 751(c)(3)(B) of the Act and 19 CFR 351.218(e)(1)(ii)(C)(2), Commerce conducted an expedited (120-day) sunset review of this *Order*.

Scope of the Order

The product covered by this order is barium carbonate, regardless of form or grade. The product covered by this order is currently classifiable under subheading 2836.60.0000 of the Harmonized Tariff Schedule of the United States (HTSUS). Although the HTSUS subheading is provided for convenience and customs purposes, the written description of the scope of this proceeding is dispositive.

Analysis of Comments Received

All issues raised in this review, including the likelihood of continuation or recurrence of dumping in the event of revocation and the magnitude of the margins likely to prevail if the order were revoked, are addressed in the accompanying Issues and Decision Memorandum. A list of topics discussed in the Issues and Decision Memorandum is included as an appendix to this notice. The Issues and Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System

In addition, a complete version of the Issues and Decision Memorandum can be accessed directly on the internet at <http://enforcement.trade.gov/frn/>. The signed Issues and Decision Memorandum and the electronic version of the Issues and Decision Memorandum are identical in content.

Final Results of Sunset Review

Pursuant to sections 751(c)(1) and 752(c)(1) and (3) of the Act, Commerce determines that revocation of the antidumping duty order on barium carbonate from China would likely lead to continuation or recurrence of dumping at the following weighted-average percentage margins:

Exporter	Weighted-average margin (%)
Qingdao Red Star Chemical Import & Export Co., Ltd	34.44
China-Wide Entity	81.30

Administrative Protective Order (APO)

This notice serves as the only reminder to interested parties subject to an APO of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305. Timely notification of the return or destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

Notification to Interested Parties

We are issuing and publishing these final results and notice in accordance with sections 751(c), 752(c), and 777(i)(1) of the Act and 19 CFR 351.218.

Dated: April 29, 2020.

Jeffrey I. Kessler,

Assistant Secretary for Enforcement and Compliance.

Ferrovandium From the Republic of South Africa and the People's Republic of China: Final Results of the Expedited Third Sunset Reviews of the Antidumping Duty Orders

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: As a result of these expedited sunset reviews, Commerce finds that revocation of the antidumping duty (AD) orders would be likely to lead to the continuation or recurrence of dumping at the levels indicated in the "Final Results of Review" section of this notice.

DATES: Applicable May 5, 2020.

FOR FURTHER INFORMATION CONTACT: Ian Hamilton AD/CVD Operations, Office II, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-4798.

SUPPLEMENTARY INFORMATION:**Background**

On January 2, 2020, Commerce published the notice of initiation of the third sunset review of the AD orders on ferrovandium from the Republic of South Africa (South Africa) and the People's Republic of China (China)¹ pursuant to section 751(c) of the Tariff Act of 1930, as amended (the Act).² On January 17, 2020, Commerce received notices of intent to participate from the Vanadium Producers and Reclaimers Association (VPRA) and its individual members—AMG Vanadium LLC (AMG V), Evergreen Metallurgical LLC, d.b.a. Bear Metallurgical Company (Bear), and U.S. Vanadium, LLC (U.S. Vanadium), within the 15-day deadline specified in 19 CFR 351.218(d)(1)(i).³ VPRA claimed

interested party status under section 771(9)(E) of the Act as a trade or business association a majority of whose members manufacture, produce, or wholesale a domestic like product in the United States.

On January 27, 2020, Commerce received adequate substantive responses to the notice of initiation from VPRA within the 30-day deadline specified in 19 CFR 351.218(d)(3)(i).⁴ We received no substantive responses from respondent interested parties with respect to either of the orders covered by these sunset reviews.

On February 25, 2020, Commerce notified the U.S. International Trade Commission that it did not receive an adequate substantive response from respondent interested parties.⁵ As a result, pursuant to 751(c)(3)(B) of the Act and 19 CFR 351.218(e)(1)(ii)(C)(2), Commerce conducted expedited (120-day) sunset reviews of the AD orders on ferrovandium from South Africa and China.

Scope of the Orders

The scope of these orders covers all ferrovandium regardless of grade, chemistry, form, shape, or size. Ferrovandium is an alloy of iron and vanadium that is used chiefly as an additive in the manufacture of steel. The merchandise is commercially and scientifically identified as vanadium. It specifically excludes vanadium additives other than ferrovandium, such as nitride vanadium, vanadium-aluminum master alloys, vanadium chemicals, vanadium oxides, vanadium waste and scrap, and vanadium-bearing raw materials such as slag, boiler residues and fly ash. Merchandise under the following Harmonized Tariff Schedule of the United States (HTSUS) item numbers 2850.00.2000, 8112.40.3000, and 8112.40.6000 are specifically excluded.

Ferrovandium is classified under HTSUS item number 7202.92.00. Although the HTSUS item number is provided for convenience and Customs

China: Notice of Intent to Participate," dated January 17, 2020. VPRA indicated that AMG V and Bear are producers of a domestic like product, ferrovandium, in the United States and wholesalers of domestically-produced ferrovandium in the United States, and that U.S. Vanadium has periodically been a wholesaler of domestically produced ferrovandium in the United States.

⁴ See VPRA's Letter, "Ferrovandium from the Republic of South Africa: Substantive Response to the Notice of Initiation," dated January 27, 2020; see also VPRA's Letter, "Ferrovandium from the People's Republic of China: Substantive Response to the Notice of Initiation," dated January 27, 2020.

⁵ See Commerce's Letter, "Sunset Review {sic} Initiated on January 2, 2020," dated February 25, 2020.

purposes, Commerce's written description of the scope of these orders remains dispositive.

Analysis of Comments Received

All issues raised in these sunset reviews are addressed in the Issues and Decision Memorandum.⁶ The issues discussed in the Issues and Decision Memorandum are the likelihood of continuation or recurrence of dumping and the magnitude of the dumping margin likely to prevail if the orders were revoked. The Issues and Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <http://access.trade.gov>. A list of topics discussed in the Issues and Decision Memorandum is included as an appendix to this notice. In addition, a complete version of the Issues and Decision Memorandum can be accessed directly on the internet at <http://enforcement.trade.gov/frn>. The signed and electronic versions of the Issues and Decision Memorandum are identical in content.

Final Results of Reviews

Pursuant to sections 751(c)(1) and 752(c)(1) and (3) of the Act, Commerce determines that revocation of the AD orders on ferrovandium from South Africa and China would be likely to lead to the continuation or recurrence of dumping at weighted-average dumping margins up to 116.00 percent for South Africa and 66.71 percent for China.

Administrative Protective Order (APO)

This notice also serves as the only reminder to parties subject to an APO of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305. Timely notification of the return or destruction of APO materials or conversion to judicial protective orders is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

Notification to Interested Parties
