Item I—Revocation of Executive Order on Nondisplacement of Qualified Workers (FAR Case 2020–001)

This final rule removes subpart 22.12, entitled “Nondisplacement of Qualified Workers Under Service Contracts”, and a related contract clause, from the FAR. The final rule applies to service contracts which succeed a contract for the same or similar work at the same location. It removes a requirement for service contractors and their subcontractors to offer employees of the predecessor contractor and its subcontractors a right of first refusal of employment for positions for which they are qualified. It implements Executive Order 13897 of October 31, 2019. Improving Federal Contractor Operations by Revoking Executive Order 13495. This final rule will not have a significant economic impact on a substantial number of small entities.

Item II—Applicability of Inflation Adjustments of Acquisition-Related Thresholds (FAR Case 2018–007)

This final rule makes inflation adjustments of statutory acquisition-related thresholds under 41 U.S.C. 1908 applicable to existing contracts and subcontracts in effect on the date of the adjustment. It implements section 821 of the National Defense Authorization Act for Fiscal Year 2018.

This final rule will not have a significant economic impact on a substantial number of small entities.

Item III—Tax on Certain Foreign Procurement (FAR Case 2016–013)

This final rule withholds a 2 percent tax on contract payments made by the United States (U.S.) Government to foreign persons pursuant to certain contracts. This rule applies to Federal Government contracts for goods or services that are awarded to foreign persons. It implements the Department of the Treasury final regulations published in the Federal Register at 81 FR 55133 on August 18, 2016, under section 5000C of the Internal Revenue Code relating to the 2 percent tax on payments made by the U.S. Government to foreign entities pursuant to certain contracts.
