SUPPLEMENTARY INFORMATION:

Proposed Collection of Information

This information collection allows federal means-tested public benefit agencies who are registered to use the Systematic Alien Verification for Entitlements (SAVE) program, and who

confirm the immigration status of certain persons applying for specified licenses and benefits using sponsorship data, to provide information regarding use of sponsorship data in deeming and reimbursement processes. The purpose for collecting this information is to support Federal means-tested benefit granting agencies in the administration and oversight of their respective benefit programs as they relate to deeming and reimbursement processes in order to better monitor system and information use, and perform actions to ensure compliance regarding SAVE program rules, federal sponsorship requirements, and deeming and reimbursement obligations.

Comments

The information collection notice was previously published in the **Federal Register** on December 18, 2019, at 84 FR 69386, allowing for a 60-day public comment period. USCIS did receive 21 comments in connection with the 60-day notice.

You may access the information collection instrument with instructions, or additional information by visiting the Federal eRulemaking Portal site at: <http://www.regulations.gov> and enter USCIS-2019-0026 in the search box. The comments submitted to USCIS via this method are visible to the Office of Management and Budget and comply with the requirements of 5 CFR 1320.12(c). All submissions will be posted, without change, to the Federal eRulemaking Portal at <http://www.regulations.gov>, and will include any personal information you provide. Therefore, submitting this information makes it public. You may wish to consider limiting the amount of personal information that you provide in any voluntary submission you make to DHS. DHS may withhold information provided in comments from public viewing that it determines may impact the privacy of an individual or is offensive. For additional information, please read the Privacy Act notice that is available via the link in the footer of <http://www.regulations.gov>.

Written comments and suggestions from the public and affected agencies should address one or more of the following four points:

(1) Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

(2) Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information,

including the validity of the methodology and assumptions used;

(3) Enhance the quality, utility, and clarity of the information to be collected; and

(4) Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

Overview of This Information Collection

(1) *Type of Information Collection Request:* New Collection.

(2) *Title of the Form/Collection:* Sponsor Deeming and Agency Reimbursement.

(3) *Agency form number, if any, and the applicable component of the DHS sponsoring the collection:* G-1552; USCIS.

(4) *Affected public who will be asked or required to respond, as well as a brief abstract:* *Primary:* Federal Government; or State or local Government). The G-1552 is created to collect information via Systematic Alien Verification for Entitlements (SAVE) program regarding actions that agencies adjudicating federal means-tested public benefits take to (1) deem sponsor income as part of applicant income for purposes of federal means-tested benefits eligibility and (2) seek reimbursement from sponsors for the value of federal means-tested public benefits provided to sponsored applicants.

(5) *An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond:* The estimated total number of respondents for the information collection G-1552 is 324,737 and the estimated hour burden per response is 0.042 hour.

(6) *An estimate of the total public burden (in hours) associated with the collection:* The total estimated annual hour burden associated with this collection is 13,639 hours.

(7) *An estimate of the total public burden (in cost) associated with the collection:* The estimated total annual cost burden associated with this collection of information is \$0.
