[FR Doc. 2020-08454 Filed 5-7-20; 8:45 am]

BILLING CODE 7710-FW-P

DEPARTMENT OF HOMELAND SECURITY

Coast Guard

46 CFR Parts 30, 150, and 153

[Docket No. USCG-2013-0423]

RIN 1625-AB94

2013 Liquid Chemical Categorization Updates; Correction

AGENCY: Coast Guard, DHS.

ACTION: Correcting amendments.

SUMMARY: On April 17, 2020, the Coast Guard published a final rule updating the Liquid Chemical Categorization tables. The final rule contained minor typographical errors. This document corrects those errors.

DATES: Effective May 18, 2020.

FOR FURTHER INFORMATION CONTACT: For information about this document call or email LT Jake Lobb, Coast Guard; telephone (202) 372-1428, email Jake.R.Lobb2@uscg.mil, or Dr. Raghunath Halder, Coast Guard; telephone (202) 372-1422, email Raghunath.Halder@uscg.mil.

SUPPLEMENTARY INFORMATION: On April 17, 2020, the Coast Guard published a final rule titled “2013 Liquid Chemical Categorization Updates” (85 FR 21660) that becomes effective May 18, 2020. A routine post-publication review by the Coast Guard revealed minor typographical errors, such as text that was incorrectly italicized or run together. The errors included one incorrect Group Number and one incorrect Related CHRIS Code in the tables. The Group Number does not correspond to any Group, and the Related CHRIS Code repeats the listed CHRIS Code instead of displaying a related code. These typographical errors are not substantive, and correcting them aligns the final text with the stated

purpose of the rulemaking. Therefore, no additional notice and opportunity for public comment is required under 5 U.S.C. 553(b). For the same reasons, and to forestall any confusion caused by incorrect text, the Coast Guard finds good cause under 5 U.S.C. 553(d) to make the corrected text effective upon publication in the **Federal Register**.

■ Accordingly, in FR Doc. 2019–27628, appearing on page 21660 in the **Federal Register** of Friday, April 17, 2020, the following corrections are made:

Table 30.25–1 [Corrected]

1. On page 21666, in the entry for “2,6-Di-*tert*-butylphenol,” remove the italicized “*t*” and replace it with a non-italicized “t”.

2. On page 21668, revise the text “Latex (ammonia (1% or less) inhibited)” to read “Latex, ammonia (1% or less)-inhibited”.

Table 1 to Part 150 [Corrected]

3. On page 21674, in the entry for “Alcohol (C12–C13, branched and linear) poly(4-8) propoxy sulfates (alternately sulphates, sodium salt 25–30% solution)” add a parenthesis at the end of “alternately sulphates”.

4. On page 21676, revise the text “Aluminum (alternately, Aluminium) chloride/Hydrochloric acid solution, see “Aluminum (alternately, Aluminium (chloride/Hydrogen chloride solution” to read as follows: “Aluminum (alternately, Aluminium) chloridel Hydrochloric acid solution, see Aluminum (alternately, Aluminium) chloride/Hydrogen chloride solution”.

5. On page 21684, in the entry for “Fatty Acids (saturated, C13+)”, change “334” in the “Group Number” column to “34”.

6. On page 21691, in the entry for “Olefin mixtures (C5–C7)”, change “OFX” in the “Related CHRIS Codes” column to “OFY”.

Table 2 to Part 150 [Corrected]

7. On page 21701, revise the amendatory language instruction 8. (u.) (xlv.) to read as follows:

8. * * *

u. * * *

xlv. A. Palm kernel acid oil, methyl ester

B. Palm kernel oil fatty acid

* * * * *

8. On page 21711, in section 30. OLEFINS, revise the text “Latex (ammonia (1% or less)-inhibited.” to read “Latex, ammonia (1% or less)-inhibited.”.

Dated: May 5, 2020.

J.E. McLeod,

Acting Chief, Office of Regulations and Administrative Law, U.S. Coast Guard.

[FR Doc. 2020–09958 Filed 5–7–20; 8:45 am]

BILLING CODE 9110–04–P

FEDERAL COMMUNICATIONS COMMISSION

47 CFR Part 64

[CG Docket Nos. 03–123, 10–51; FCC 20–7; FRS 16658]

Video Relay Service Call Handling

AGENCY: Federal Communications Commission.

ACTION: Final rule.

SUMMARY: In this document, the Federal Communications Commission (Commission) authorizes Telecommunications Relay Services (TRS) Fund compensation of video relay service (VRS) providers for calls handled by communications assistants (CAs) from home workstations, subject to safeguards for service quality, call confidentiality, and prevention of waste, fraud, and abuse.

DATES: *Effective Date:* These rules are effective June 8, 2020, except for amendments to §§ 64.604 and 64.606, which are delayed. The Commission will publish a document in the **Federal Register** announcing the effective date.

FOR FURTHER INFORMATION CONTACT: Michael Scott, Consumer and Governmental Affairs Bureau, at (202) 418–1264, or email *Michael.Scott@fcc.gov*.

SUPPLEMENTARY INFORMATION: This is a summary of the Commission’s Report and Order, document FCC 20–7, adopted on January 30, 2020, released on January 31, 2020, in CG Docket Nos. 10–51 and 03–123. The Commission previously sought comment on the issue in a Further Notice of Proposed Rulemaking (*2019 VRS Program Management FNPRM*), published at 84 FR 26379, June 6, 2019. The full text of document FCC 20–7 will be available for public inspection and copying via the Commission’s Electronic Comment Filing System (ECFS). To request materials in accessible formats for people with disabilities (Braille, large print, electronic files, audio format), send an email to *fcc504@fcc.gov*, or call the Consumer and Governmental Affairs Bureau at (202) 418–0530 (voice) or (202) 418–0432 (TTY).

Congressional Review Act

The Commission sent a copy of document FCC 20–7 to Congress and the Government Accountability Office pursuant to the Congressional Review Act, 5 U.S.C. 801(a)(1)(A).

Final Paperwork Reduction Act of 1995 Analysis

Document FCC 20–7 contains modified information collection requirements, which are not effective until approval is obtained from the Office of Management and Budget (OMB). As part of its continuing effort to reduce paperwork burdens, the Commission invites the general public to comment on the information collection requirements as required by the Paperwork Reduction Act of 1995, Public Law 104–13. The Commission will publish a separate document in the **Federal Register** announcing approval of the information collection requirements. Pursuant to the Small Business Paperwork Relief Act of 2002, Public Law 107–198, 44 U.S.C. 3506(c)(4), the Commission previously sought comment on how the Commission might “further reduce the information burden for small business concerns with fewer than 25 employees.” *2019 VRS Program Management FNPRM*.

Synopsis

1. The Commission authorizes TRS Fund compensation of VRS providers for calls handled by CAs from home workstations, converting the existing pilot at-home call-handling program to a permanent one. VRS enables people with hearing or speech disabilities who use American Sign Language (ASL) to employ video equipment to communicate with voice telephone users. A video link allows a CA and the VRS user on the video side of the call to view and sign with each other, and the CA is also connected to a user on the voice side of the call via telephone. The CA interprets and relays the conversation back and forth between the two parties.

2. Allowing VRS CAs to work at home under appropriate regulation can improve the efficiency and effectiveness of VRS. Adding this flexibility enables VRS providers to attract and retain qualified CAs for whom working at the companies’ call centers is not a practical option, and working at home can reduce CA stress and improve productivity and performance. Further, at-home call handling can improve network reliability and redundancy, and there is potential for cost savings. By largely retaining the safeguards established in
