Background

On April 8, 2020, Commerce published in the **Federal Register** a notice of initiation of an administrative review of the antidumping duty order on certain frozen warmwater shrimp from Vietnam covering the period February 1, 2019 through January 31, 2020.¹ Commerce initiated the administrative review for a single exporter, Blue Bay Seafood Co., Ltd., based on timely requests for review filed by Blue Bay Seafood Co., Ltd., Ad Hoc Shrimp Trade Action Committee (the petitioner), and the American Shrimp Processors Association (ASPA).²

On April 27, 2020, Blue Bay Seafood Co., Ltd. withdrew its request for review.³ On May 1, 2020, the petitioner and ASPA withdrew their respective requests for review of Blue Bay Seafood Co., Ltd.⁴ Thus, all review requests for the only company under review have been timely withdrawn.

Rescission of Review

Pursuant to 19 CFR 351.213(d)(1), Commerce will rescind an administrative review, in whole or in part, if the party that requested the review withdraws its request within 90 days of the publication of the notice of initiation of the requested review. The petitioner, ASPA, and Blue Bay Seafood Co., Ltd. withdrew their requests for administrative review within 90 days of the date of publication of the *Initiation Notice*, and no other interested party requested a review of Blue Bay Seafood Co., Ltd. Therefore, in accordance with

19 CFR 351.213(d)(1), Commerce is rescinding this review, in its entirety.

Assessment

Commerce will instruct U.S. Customs and Border Protection (CBP) to assess antidumping duties on all appropriate entries at a rate equal to the cash deposit of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, during the period February 1, 2019, through January 31, 2020, in accordance with 19 CFR 351.212(c)(1)(i). Commerce intends to issue appropriate assessment instructions to CBP 15 days after the publication of this notice in the **Federal Register**.

Notification to Importers

This notice serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of the antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

This notice also serves as a final reminder to parties subject to administrative protective order (APO) of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3), which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return or destruction of APO materials, or conversion to judicial protective order, is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

We preliminarily determine that the AD order on kegs from Germany should be revoked, in whole, with respect to products subject to the order entered, or withdrawn from warehouse, for consumption on or after December 13, 2019. Interested parties are invited to comment on these preliminary results.

DATES: Applicable May 11, 2020.

FOR FURTHER INFORMATION CONTACT: Allison Hollander, AD/CVD Operations, Office I, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Ave. NW, Washington, DC 20230; telephone: (202) 482-2805.

SUPPLEMENTARY INFORMATION:

Background

On December 16, 2019, Commerce published the *AD Order*.¹ On January 30, 2020, the petitioner requested that Commerce conduct an expedited CCR for this *AD Order*, pursuant to section 751(b) of the Tariff Act of 1930, as amended (the Act), and 19 CFR 351.216 (b). The petitioner expressed a lack of interest in the continuation of this *AD Order* and requested the revocation of

the *AD Order*. In its request, the petitioner addressed the conditions under which Commerce may revoke an order in whole or in part pursuant to 19 CFR 351.222(g). On March 12, 2020, Commerce extended the deadline for initiation to April 29, 2020, and issued supplemental questions to the petitioner.² On March 19, 2020, the petitioner responded to Commerce's supplemental questions.³

Scope of the AD Order

The merchandise covered by the order are kegs, vessels, or containers with bodies that are approximately cylindrical in shape, made from stainless steel (*i.e.*, steel containing at least 10.5 percent chromium by weight and less than 1.2 percent carbon by weight, with or without other elements), and that are compatible with a "D Sankey" extractor (refillable stainless steel kegs) with a nominal liquid volume capacity of 10 liters or more, regardless of the type of finish, gauge, thickness, or grade of stainless steel, and whether or not covered by or encased in other materials. Refillable stainless steel kegs may be imported assembled or unassembled, with or without all components (including spears, couplers or taps, necks, collars, and valves), and be filled or unfilled.

"Unassembled" or "unfinished" refillable stainless steel kegs include drawn stainless steel cylinders that have been welded to form the body of the keg and attached to an upper (top) chime and/or lower (bottom) chime. Unassembled refillable stainless steel kegs may or may not be welded to a neck, may or may not have a valve assembly attached, and may be otherwise complete except for testing, certification, and/or marking.

Subject merchandise also includes refillable stainless steel kegs that have been further processed in a third country, including but not limited to, attachment of necks, collars, spears or valves, heat treatment, pickling, passivation, painting, testing, certification or any other processing that would not otherwise remove the merchandise from the scope of the order if performed in the country of manufacture of the in-scope refillable stainless steel keg.
