

governments, other federal agencies, adjacent landowners, and stakeholders.

The Rio Grande National Forest initiated plan revision in December 2014 with stakeholder and topic-based meetings. The Forest Service invited States, local and Tribal governments, and other federal agencies from around the region to participate in the process to revise the Forest Plan. The Forest Service received around 465 letters of comment on the Forest Plan. Public meetings were held throughout the process in a variety of locations and venues.

The development of the Forest Plan was shaped by the best available science, current laws, and public input. The 60-day timeframe for the opportunity to object ended on October 1, 2019. The Forest Service received 14 eligible objections. The reviewing officer issued his written responses to the objection issues. The Deputy Regional Forester, Reviewing Official, provided the Forest Supervisor minor clarification instructions for most of the objection issues. The final ROD documents the rationale for approving the Forest Plan and is consistent with the reviewing officer's responses to objections and instructions.

Responsible Official

The responsible official for approving the Forest Plan is Dan Dallas, Forest Supervisor, Rio Grande National Forest, 1803 W. Highway 160, Monte Vista, CO 81144.

Allen Rowley,

Associate Deputy Chief, National Forest System.

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (Commerce) is rescinding the administrative review of the antidumping duty (AD) order on lightweight thermal paper (LWTP) from the People's Republic of China (China) for the period of review (POR) November 1, 2018 through October 31, 2019, based on the timely withdrawal of the request for review.

DATES: Applicable May 12, 2020.

FOR FURTHER INFORMATION CONTACT: Kyle Clahane, AD/CVD Operations, Office III, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington DC 20230; telephone: (202) 482-5449.

SUPPLEMENTARY INFORMATION:

Background

On November 1, 2019, Commerce published in the **Federal Register** a notice of opportunity to request an administrative review of the AD order on LWTP from China.¹ Commerce received a timely-filed request from Appvion, Inc. (Appvion), a domestic interested party and the petitioner in the underlying investigation, for an administrative review of exports of subject merchandise to the United States during the POR with respect to 16

companies, in accordance with section 751(a) of the Tariff Act of 1930, as amended (the Act), and 19 CFR 351.213(b).² On January 17, 2020, pursuant to this request, and in accordance with 19 CFR 351.221(c)(1)(i), Commerce published a notice initiating an administrative review of the AD order on LWTP from China.³ On March 26, 2020, Appvion withdrew its request for an administrative review with respect to all companies for which it requested a review.⁴

On April 24, 2020, Commerce tolled all deadlines in administrative reviews by 50 days, thereby extending the deadline for these results until September 21, 2020.⁵

Rescission of Review

Pursuant to 19 CFR 351.213(d)(1), Commerce will rescind an administrative review, in whole or in part, if the party or parties that requested a review withdraws the request within 90 days of the publication date of the notice of initiation of the requested review. Appvion timely submitted a request to withdraw its request for administrative review for all companies for which an administrative review was initiated. No other party requested an administrative review of the order. Therefore, in accordance 19 CFR 351.213(d)(1), we are rescinding this review, in its entirety.

Assessment

Commerce will instruct U.S. Customs and Border Protection (CBP) to assess antidumping duties on all appropriate entries of LWTP from China. Antidumping duties shall be assessed at rates equal to the cash deposit of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption in accordance with 19 CFR 351.212(c)(1)(i). Commerce intends to issue appropriate assessment instructions to CBP 15 days after the date of publication of this notice in the **Federal Register**.

Notification to Importers

This notice serves as the only reminder to importers whose entries will be liquidated as a result of this rescission notice, of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping and/or countervailing duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the presumption that reimbursement of the antidumping and/or countervailing duties occurred and the subsequent assessment of double antidumping duties.

Notification Regarding Administrative Protective Order

This notice also serves as a reminder to all parties subject to administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305. Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested.
