DEPARTMENT OF JUSTICE

Bureau of Alcohol, Tobacco, Firearms and Explosives

[OMB Number 1140–0049]

Agency Information Collection Activities; Proposed eCollection eComments Requested; Extension Without Change of a Currently Approved Collection Application for National Firearms Examiner Academy—ATF Form 6330.1

AGENCY: Bureau of Alcohol, Tobacco, Firearms and Explosives, Department of Justice.

ACTION: 60-day notice.

SUMMARY: The Department of Justice (DOJ), Bureau of Alcohol, Tobacco, Firearms and Explosives (ATF), will submit the following information collection request to the Office of Management and Budget (OMB) for review and approval in accordance with the Paperwork Reduction Act of 1995. The proposed information collection (IC) is also being published to obtain comments from the public and affected agencies.

DATES: Comments are encouraged and will be accepted for 60 days until July 13, 2020.

FOR FURTHER INFORMATION CONTACT: If you have additional comments, regarding the estimated public burden or associated response time, suggestions, or need a copy of the proposed information collection instrument with instructions, or additional information, please contact: Sheila Hopkins, Office of Science and Technology, Laboratory Services, either by mail at National Laboratory Center, 6000 Ammendale Rd., Ammendale, MD 20705, by email at Sheila.hopkins@atf.gov, or by telephone at 202–648–6061.

SUPPLEMENTARY INFORMATION: Written comments and suggestions from the public and affected agencies concerning the proposed collection of information are encouraged. Your comments should address one or more of the following four points:

—Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
—Evaluate the accuracy of the agency’s estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
—Evaluate whether and if so how the quality, utility, and clarity of the information to be collected can be enhanced; and
—Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

Overview of this information collection:

1. Type of Information Collection (check justification or form 83): Extension without change of a currently approved collection.

2. The Title of the Form/Collection: Application for National Firearms Examiner Academy.

3. The agency form number, if any, and the applicable component of the Department sponsoring the collection:

   Form number (if applicable): ATF Form 6330.1.

   Component: Bureau of Alcohol, Tobacco, Firearms and Explosives, U.S. Department of Justice.

4. Affected public who will be asked or required to respond, as well as a brief abstract:

   Primary: State, Local or Tribal Government.

   Other (if applicable): Federal Government.

   Abstract: The information requested on the Application for National Firearms Examiner Academy—ATF Form 6330.1 must be provided by all prospective students of the ATF National Firearms Examiner Academy (NFEA). The collected information will be used to determine the applicant’s eligibility to acquire firearms and toolmark examiner training at the NFEA.

5. An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond: An estimated 75 respondents will utilize the form annually, and it will take each respondent approximately 12 minutes to complete their responses.

6. An estimate of the total public burden (in hours) associated with the collection: The estimated annual public burden associated with this collection is 15 hours, which is equal to 75 (# of respondents) * 1 (# of responses per respondent) * 20 (12 minutes or the time taken to prepare each response).

If additional information is required contact: Melody Braswell, Department Clearance Officer, United States Department of Justice, Justice Management Division, Policy and Planning Staff, Two Constitution Square, 145 N Street NE, 3E.405A, Washington, DC 20530.

Melody Braswell,
Department Clearance Officer for PRA, U.S. Department of Justice.

BILLING CODE 4410–02–P

DEPARTMENT OF JUSTICE

Notice of Lodging of Proposed Modification of Consent Decree Under the Clean Water Act and Oil Pollution Act

On May 7, 2020, the Department of Justice lodged with the United States District Court for the Western District of Michigan a proposed Fifth Modification of Consent Decree in the lawsuit entitled United States v. Enbridge Energy, Limited Partnership, et al., Civil Action No. 1:16–cv–914.

On May 23, 2017, the United States District Court for the Western District of Michigan approved and entered a Consent Decree that resolved specified claims asserted by the United States against Enbridge Energy, Limited Partnership and eight affiliated entities ("Enbridge") under the Clean Water Act and Oil Pollution Act arising from two separate 2010 oil spills resulting from failures of Enbridge oil transmission pipelines near Marshall, Michigan and Romeoville, Illinois. The complaint filed by the United States alleged that Enbridge’s pipelines had unlawfully discharged oil into waters of the United States and sought civil penalties, recovery of removal costs, and injunctive relief. The Consent Decree established various requirements applicable to a network of 14 pipelines that comprise Enbridge’s Lakehead pipeline system.

On May 7, 2020, the Department of Justice approved and entered a Fifth Modification of the Consent Decree under the Clean Water Act and Oil Pollution Act that sought to resolve specified enforcement actions brought by the United States that alleged that Enbridge Energy, Limited Partnership failed to timely report oil releases pursuant to the terms of the Consent Decree. Specifically, the United States filed a Civil Action for Enforcement of Consent Decree that sought injunctive relief in this matter.

On May 11, 2020, the Department of Justice approved and entered a separate Sixth Modification of the Consent Decree that sought to resolve specified enforcement actions brought by the United States that alleged Enbridge Energy, Limited Partnership discharged hazardous pollutants into waters of the United States that were not specifically authorized by federal or state permits.

On May 11, 2020, the Department of Justice approved and entered a separate Seventh Modification of the Consent Decree that sought to resolve specified enforcement actions brought by the United States that alleged Enbridge Energy, Limited Partnership discharged hazardous pollutants into waters of the United States without a permit.

The Fifth, Sixth, and Seventh Modifications of the Consent Decrees are a result of the Department of Justice’s commitment to enforcing the Clean Water Act and Oil Pollution Act.
