

ACTION: Notice of off-road vehicle designation.

SUMMARY: This notice announces the Bureau of Reclamation's designation of areas for authorized off-road vehicle (ORV) use on Federal lands surrounding Twin Buttes Reservoir, which is part of the Bureau of Reclamation's San Angelo Project in Tom Green County, Texas.

DATES: This ORV designation is effective immediately and is permanent until canceled, amended, or replaced by the Bureau of Reclamation.

ADDRESSES: A copy of the off-road designation, including the Environmental Assessment and Finding of No Significant Impact, is available at <https://www.usbr.gov/gp/otao/>.

FOR FURTHER INFORMATION CONTACT: Mr. Trent Parish, Bureau of Reclamation, Oklahoma-Texas Area Office, 5316 Highway 290 West, Suite 110, Austin, TX 78735; (512) 899-4150; or email jparish@usbr.gov.

SUPPLEMENTARY INFORMATION: The use of off-road vehicles on public lands associated with Twin Buttes Reservoir, TX must be designated in accordance with 43 CFR 420 and other applicable Federal rules and regulations. In recognition of this, and with the prerequisite to ensure compliance with such Federal regulations, Reclamation, Texas Parks Wildlife Department, and the City of San Angelo completed a comprehensive inventory and condition assessment of existing resources, and coordinated extensively with local stakeholders to seek input from the public on preferred ORV uses, as well on overall recreation priorities. Federal lands were evaluated according to criteria outlined in 43 CFR 420.22 to determine their suitability for ORV use. This included all Federal lands associated with the San Angelo Project and Twin Buttes Reservoir located within Tom Green County, Texas. The assessment resulted in the proposed designation of 73 miles of trails and three ORV areas. This designation is the culmination of resource considerations and public involvement integrated into an Environmental Assessment and Finding of No Significant Impact (19-18-TX-SA) that were completed in accordance with the National Environmental Protection Act of 1969.

The ORV designation includes:

(a) Approximately 56 miles of designated access routes. Access routes provide reasonable access to lands surrounding Twin Buttes Reservoir's North and South Pools.

(b) Approximately 17 miles of Motorcycle/All-Terrain Vehicle (Moto/ATV) routes. Moto/ATV routes are a

network of one-directional trails designated for motorized use by motorcycles and small ATVs

(c) Approximately 338 acres of ORV areas. The ORV areas are comprised of three separate tracts of land with variable terrain requiring more diverse ORV skill levels.

Mark A. Treviño,

Oklahoma—Texas Area Manager, Bureau of Reclamation, Arkansas-Rio Grande-Texas-Gulf—Interior Region 6.

SUPPLEMENTARY INFORMATION:

Background.—On January 6, 2020, the Commission determined that responses to its notice of institution of the subject five-year review were such that a full review should proceed (85 FR 3417,

January 21, 2020); accordingly, a full review is being scheduled pursuant to section 751(c)(5) of the Tariff Act of 1930 (19 U.S.C. 1675(c)(5)). A record of the Commissioners' votes, the Commission's statement on adequacy, and any individual Commissioner's statements are available from the Office of the Secretary and at the Commission's website.

Participation in the review and public service list.—Persons, including industrial users of the subject merchandise and, if the merchandise is sold at the retail level, representative consumer organizations, wishing to participate in this review as parties must file an entry of appearance with the Secretary to the Commission, as provided in section 201.11 of the Commission's rules, by 45 days after publication of this notice. A party that filed a notice of appearance following publication of the Commission's notice of institution of the review need not file an additional notice of appearance. The Secretary will maintain a public service list containing the names and addresses of all persons, or their representatives, who are parties to the review.

Authorized applicants must represent interested parties, as defined by 19 U.S.C. 1677(9), who are parties to the review. A party granted access to BPI following publication of the Commission's notice of institution of the review need not reapply for such access. A separate service list will be maintained by the Secretary for those parties authorized to receive BPI under the APO.

Staff report.—The prehearing staff report in the review will be placed in the nonpublic record on August 24, 2020, and a public version will be issued thereafter, pursuant to section 207.64 of the Commission's rules.

All parties and nonparties desiring to appear at the hearing and make oral presentations should participate in a prehearing conference to be held on September 9, 2020, at the U.S. International Trade Commission Building, if deemed necessary. Oral testimony and written materials to be submitted at the public hearing are governed by sections 201.6(b)(2), 201.13(f), 207.24, and 207.66 of the Commission's rules. Parties must submit any request to present a portion of their hearing testimony *in camera* no later than 7 business days prior to the date of the hearing.

Written submissions.—Each party to the review may submit a prehearing brief to the Commission. Prehearing briefs must conform with the provisions of section 207.65 of the Commission's rules; the deadline for filing is September 2, 2020. Parties may also file written testimony in connection with their presentation at the hearing, as provided in section 207.24 of the Commission's rules, and posthearing briefs, which must conform with the provisions of section 207.67 of the Commission's rules. On October 20, 2020, the Commission will make available to parties all information on which they have not had an opportunity to comment. Parties may submit final comments on this information on or before October 22, 2020, but such final comments must not contain new factual information and must otherwise comply with section 207.68 of the Commission's rules. The Secretary will not accept a document for filing without a certificate of service.

The Commission has determined that these reviews are extraordinarily complicated and therefore has determined to exercise its authority to extend the review period by up to 90 days pursuant to 19 U.S.C.1675(c)(5)(B).

Authority: This review is being conducted under authority of title VII of the Tariff Act of 1930; this notice is published pursuant to section 207.62 of the Commission's rules.
